The first book of its kind, How to Rebuild the Honda B-Series Engines shows exactly how to rebuild the ever-popular Honda B-series engine. The book explains variations between the different B-series designations and elaborates upon the features that make this engine family such

a tremendous and reliable design. Honda B-series engines are some of the most popular for enthusiasts to swap, and they came in many popular Honda and Acura models over the years, including the Civic, Integra, Accord, Prelude, CRX, del Sol, and even the CR-V. In this special Workbench book, author Jason Siu uses more than 600 photos, charts, and illustrations to give simple step-by-step instructions on disassembly, cleaning, machining tips, pre-assembly fitting, and final assembly. This book gives considerations for both stock and performance rebuilds. It also guides you through both the easy and tricky procedures, showing you how to rebuild your engine and ensure it is working perfectly. Dealing with considerations for all B-series engines—foreign and domestic, VTEC and non-VTEC—the book also illustrates many of the wildly vast performance components, accessories, and upgrades available for B-series engines. As with all Workbench titles, this book details and highlights special components, tools, chemicals, and other accessories needed to get the job done right, the first time. Appendices are packed full of valuable reference information, and the book includes a Work-Along-Sheet to help you record vital statistics and measurements along the way. You'll even find tips that will help you save money without compromising top-notch results.

American Royals: Inheritance (A Prequel Novella)

The New York Times bestselling series returns in this heart-stopping prequel novella. Ever wonder how our future queen fell for her bodyguard? Or how Prince Jefferson and his sister's best friend got caught in a love triangle for the ages? Grab your royal invitation and we'll show you the night that started it all. Princess Beatrice realizes what's expected of her as heir apparent—and it is not riding in cars, alone, with her Revere Guard. But what the Crown doesn't know won't hurt it...right? Princess Samantha is already bored of her own graduation party. She swears she isn't looking for trouble, but when the king and queen are away, the spare will play.... Nina never dreamed of acting on her feelings for Prince Jefferson. Tonight, though, anything seems possible: even a prince and a commoner. Meanwhile, Daphne is hiding more than one secret beneath her perfect exterior. A royal party might just be the window of opportunity she needs—until everything comes crashing down. Will this be an evening of new beginnings, or will it mark the end of an era? Set before the events of New York Times bestseller American Royals,

this brand-new story offers a glimpse of your favorite royal family as you've never seen them before, just in time for the release of American Royals III: Rivals!
