The Manual of Horsemanship

Forgotten Books Excerpt from Handy Horse Book: A Manual for Every American Horse-Owner These six modifications of the horse type are all sufficiently distinct to be regarded as separate species. They are not so widely separated but that each will interbreed with any of the others, but the produce of such interbreeding is in every case a true hybrid; that is, incapable of perpetuating its kind, although there are some instances of female mules breeding with males of either the horse or the ass. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic

The Manual of Horsemanship

Comprehensive instruction on riding, owning, managing and caring for a horse issued by The British Horse Society and The Pony Club.

Popular Science

This superb book was initially published in 1998 and has been out of print for several years. This new edition has been updated to show the most recent developments in all areas relating to the heavy horse industry. The Working Horse Manual has been designed to act as bible for heavy horse enthusiasts. Diana Zeuner has collected articles from 24 leading heavy horse experts who, between them, have covered a wide array of topics including: o Choosing your breed o Harnesses and harnessing o Horses in forestry o Multiple hitches o Farriery o Ploughing o

Plaiting o Horse-drawn machinery and equipment o Veterinary care o Transport law o Caring for horse-drawn vehicles o Road driving For this new edition the chapters about Training for Horsemen, Working Horses in Forestry and Transport and the Law have been completely updated to reflect recent changes. The rest of the book has also been amended accordingly. This new edition also has an increased section on cross-country driving and an improved 'useful addresses' section. The book is highly illustrated with photographs and diagrams. The Working Horse Manual is the only UK book of this type and is on the recommended reading list of the British Driving Society.
