The cold north awaits you ... War is coming to Valeron. From the west, the blood-thirsty Wiccans burn and pillage their way towards the capital - where an ill and ineffectual king is beset on all sides by the scheming of ambitious men. His youngest son,

Prince Arran, untested in combat and naïve to ways of the world, is sent on a fool's errand - to convince a cowardly lord to honour his oath and defend the realm from its enemies. But the real threat is yet to be revealed ... You are Prince Arran, son of Leonidas and second heir to the throne of Valeron. They call you the ghost prince - the sickly boy who haunts the palace library, filling your head with dreams of high adventure. Now, as the shadows lengthen and danger threatens your beleaguered kingdom, you must finally prove yourself. It is time to take up your hallowed sword, Duran's Heart, and forge your own destiny in a cruel and savage world - one that has no mercy for weakling princes. No happy endings. Will you defy fate and become a great hero of legend? You decide in this epic fantasy adventure - one where you make the decisions. The cold north awaits you ... are you ready for the challenge?

Tortured Souls
Tortured
Souls"Sometimes Rest in Peace isn't an Option"
Kacie Ramsey sees ghosts-and it's

ruining her life. Her mother left, her father blames her, and no matter how hard she tries, she can't keep the ghosts away. Now a new power has emerged. Nightly visions of grisly murders and a relentless predator draw her to the brink of insanity. When the phantom appears at a party, Kacie's longtime crush, Logan, saves her. He invites her to join the Orion Circle, a group of supernatural hunters with chapters in schools all over the country. Through the Circle, Kacie learns to embrace her spiritual powers, and for the first time in her life she feels in control rather than a victim. But the Foxblood Demon will not give up so easily. A

Morton hopes to reestablish our ties to nonhuman beings and to help us rediscover the playfulness and joy that can brighten the dark, strange loop we traverse.

Men Like Gods

RosettaBooks

A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes.

The Glass Castle Dell

It's a child's toy-what could go wrong? While playing with a spirit board, two sorority sisters summon the vindictive spirits of three women brutally murdered by a psychopath.

Join Logan, Kacie, and the rest of the Orion Circle as they delve into the disturbing events of the past to find the key to freeing the spirits. But this isn't any ordinary haunting. These ghosts were banished before, and now they have returned more powerful than anyone could have imagined. Anger breeds hatred and hatred leads to darkness-these phantoms are on the verge of losing their last spark of humanity and becoming completely lost to the shadows. Can Logan and Kacie convince the tortured souls to embrace the light and move on, or will the spirits succumb to the hypnotic pull of evil, leading to an eternity of torment and suffering?

Dear Diary Gollancz

The stars have cursed us. After the devastating events at Zodiac Academy, we have to deal with this darker world we're faced with. Lionel seeks to hurt us, the Nymphs seek to hurt the entire Fae race, and between all of it, we just have to try and survive each day as it comes. I'm afraid of everything falling apart, but it looks like it already has.

Dark Ecology Gollancz

Here, together for the first time, are all five STONEWYLDE novels. This cult series is a magical tale of love, anger and loss - but also, finally, of triumph against all adversity. Stonewylde is

an alternative community, hidden away in the heart of Dorset and ruled by the charismatic Magus. It's a place of standing stones and earth energy - a place where the old ways are remembered. Within a great stone circle the eight pagan festivals are celebrated and ancient rites performed. The thirteen full moons are honoured and the people live natural and uncomplicated lives, as their ancestors have done for hundreds of years. But all is not quite as it seems. There's another side to Stonewylde; a darker side where cruelty is rife. Sylvie and her mother are invited into the community, victims of modern life. Suffering from the stresses of inner city life, they believe that by entering the enclosed world of Stonewylde, their troubles will be over. Magus promises them fulfilment; that they will lack for nothing. He promises to heal them and care for them, calling on the green magic that pervades everything at Stonewylde. But one boy alone - Yul - understands the true reason for their invitation, and what

malevolence their arrival has triggered. As the series unfolds, the struggle between Yul and his master becomes more brutal and the stakes are raised. Sylvie is in terrible danger as an old prophecy is revealed and the pieces of the puzzle start to slide into place. Sylvie and Yul must battle not only to save themselves, but the very heart of Stonewylde.

Dark Age Routledge
"Until Death Do Us Part" by Sherrilyn Kenyon Over five hundred years ago, Esperetta's soul was bound to her husband's by dark magic, and when Velkan became a Dark-Hunter, to her horror, she became immortal as well. Now, they must come together to fight an old enemy...and the passion that threatens to consume them once more.

"Ride the Night Wind" by L.A. Banks Dark dreams haunt Jose Ciponte, dreams of a woman so beautiful he aches for her-and a deadly enemy who stalks them in the night. And now those dreams have become a reality... "The Gift" by Susan Squires All Major Davis Ware wants to do is propose to the beautiful Emma Fairchild. Instead, he is called back into battle, and a desperate fate. And Emma will venture into hell itself to save him. "The Forgotten One" by Ronda Thompson Lady Anne Baldwin longs to break free from her proper bonds. When she meets the mysterious

Merrick, whose eyes glow like a wolf's, she may have found more than she bargained for.

Dylan Thomas Weidenfeld & Nicolson
HarperCollins is proud to present a range of best-loved, essential classics.

Love at First Bite Quigley Publishing Company
James Joyce's *Ulysses* is considered one of the greatest novels of the twentieth century. This new edition - published to celebrate the book's first publication - helps readers to understand the pleasures of this monumental work and to grapple with its challenges. Copiously equipped with maps, photographs, and explanatory footnotes, it provides a vivid and illuminating context for the experiences of Leopold Bloom, Stephen Dedalus, and Molly Bloom, as well as Joyce's many other Dublin characters, on June 16, 1904. Featuring a facsimile of the historic 1922 Shakespeare and Company text, this version also includes Joyce's own errata as well as references to amendments made in later editions. Each of the eighteen chapters of *Ulysses* is introduced by a leading Joyce scholar. These richly informative pieces discuss the novel's plot and allusions, while also explaining crucial questions that have puzzled and tantalized readers over the last hundred years.

Evolution and Creation Del Rey
In this hugely acclaimed

author's new novel, history comes alive before us when, in the seventeenth century, a Jesuit missionary ventures into the wilderness in search of converts—the defining moment of first contact between radically different worlds, each at once old and new in its own ways. What unfolds over the next few years is truly epic, constantly illuminating and surprising, sometimes comic, always entrancing, and ultimately all-too-human in its tragic grandeur. Christophe, as educated as any Frenchman could be about the “sauvages” of the New World whose souls he has sworn to save, begins his true enlightenment shortly after he sets out when his native guides—terrified by even a scent of the Iroquois—abandon him to save themselves. But a Huron warrior and elder named Bird soon takes him prisoner, along with a young Iroquois girl, Snow Falls, whose family he has just killed. The Huron-Iroquois rivalry, now growing vicious, courses through this novel, and these three are its principal characters. Christophe and Snow Falls are held captive in Bird's massive village. Champlain's Iron People have only lately begun trading with the Huron, who mistrust them as well as this

Jesuit Crow who has now trespassed onto their land; and Snow Falls's people, of course, have become the Hurons' greatest enemy. Bird knows that to get rid of them both would resolve the issue, but he sees Christophe, however puzzling, as a potential envoy to those in New France, and Snow Falls as a replacement for the two daughters he'd lost to the Iroquois. These relationships wax and wane as life comes at them relentlessly: a lacrosse match with an allied tribe, a dangerous mission to trade furs with the French for the deadly shining wood that could save the Huron nation, shocking victories in combat and devastating defeats, then a sickness the likes of which none of them has ever seen. The world of *The Orenda* blossoms to include such unforgettable characters as Bird's oldest friend, Fox; his lover, Gosling, who some believe possesses magical powers; two more Jesuit Crows who arrive to help form a mission; and boys from both tribes whose hearts veer wildly from one side to the other, for one reason or another. Watching over all of them are the spirits that guide their every move. *The Orenda* traces a story of blood and hope, suspicion and trust, hatred and love,

that comes to a head when Jesuit and Huron join together against the stupendous wrath of the Iroquois, when everything that any of them has ever known or believed in faces nothing less than annihilation. A saga nearly four hundred years old, it is also timeless and eternal. This eBook edition includes a Reading Group Guide.

The Brightonomicon
Henry Holt and Company (BYR)
This 1937 successor to *Last and First Men* offers another entrancing speculative history of the future. Cited as a key influence by science-fiction masters such as Doris Lessing, its bold exploration of the cosmos ventures into intelligent star clusters and mingles among alien races for a memorable vision of infinity.

The Complete Stonewylde
powerHouse Books
Carter has been kidnapped. Enslaved. But he's determined to fight to the end. Jacob is a pacifist. His family destroyed. He's about to choose the path of violence to reclaim his son. Their world has changed for ever. Between them, they're going to avenge it. Jacob Carnehan has settled down. He's living a comfortable, quiet life, obeying the law and minding his own business while raising his son Carter ... on those occasions when he isn't having to bail him out of one scrape or another. His

days of adventure are - thankfully - long behind him. Carter Carnehan is going out of his mind with boredom. He's bored by his humdrum life, frustrated that his father won't live a little, and longs for the bright lights and excitement of anywhere-but-here. He's longing for an opportunity to escape, and test himself against whatever the world has to offer. Carter is going to get his opportunity. He's caught up in a village fight, kidnapped by slavers and, before he knows it, is swept to another land. A lowly slave, surrounded by technology he doesn't understand, his wish has come true: it's him vs. the world. He can try to escape, he can try to lead his fellow slaves, or he can accept the inevitable and try to make the most of the short, brutal existence remaining to him. ... unless Jacob gets to him first and, no matter the odds, he intends to. No one kidnaps his son and gets away with it - and if it come to it, he'll force Kings to help him on his way, he'll fight, steal, blackmail and betray his friends in the name of bringing Carter home. Wars will be started. Empires will fall. And the Carnehan family will be reunited, one way or another ...

The Cambridge Centenary Ulysses: The 1922 Text with Essays and Notes Routledge
"The book is like a dream you want to last forever" (Roberta Silman, *The New York Times Book Review*), now with a gorgeous new cover by the famed designer Peter Mendelsund *The Rings of*

Saturn—with its curious archive of photographs—records a walking tour of the eastern coast of England. A few of the things which cross the path and mind of its narrator (who both is and is not Sebald) are lonely eccentrics, Sir Thomas Browne's skull, a matchstick model of the Temple of Jerusalem, recession-hit seaside towns, wooded hills, Joseph Conrad, Rembrandt's "Anatomy Lesson," the natural history of the herring, the massive bombings of WWII, the dowager Empress Tzu Hsi, and the silk industry in Norwich. W.G. Sebald's *The Emigrants* (New Directions, 1996) was hailed by Susan Sontag as an "astonishing masterpiece perfect while being unlike any book one has ever read." It was "one of the great books of the last few years," noted Michael Ondaatje, who now acclaims *The Rings of Saturn* "an even more inventive work than its predecessor, *The Emigrants*."

The Manchurian

Candidate Simon and Schuster

The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating." —*The New Yorker* A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a

prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). "Crammed with suspense." —Chicago Tribune "Condon is wickedly skillful." —Time [Public Administration](#) Cambridge University Press In the summer of 1921, a disenchanted journalist escapes the rat race for a drive in the country. But Mr. Barnstaple's trip exceeds his expectations when he and other motorists are swept 3,000 years into the future. The inadvertent time travelers arrive in a world that corresponds exactly to Barnstaple's ideals: a utopian state, free of crime, poverty, war, disease, and bigotry. Unfettered by the constraints of government and organized religion, the

citizens lead rich, meaningful lives, passed in pursuit of their creative fancies. Barnstaple's traveling companions, however, quickly contrive a scheme to remake the utopia in the image of their twentieth-century world.

[Routledge Library Editions:](#)

[Romanticism](#) New

Directions Publishing

First published in 1968.

Richard Hengist Horne, virtually unknown today, was one of the more extraordinary figures of the nineteenth century literary scene. The author of an epic poem *Orion* was acclaimed a work of genius by almost every English critic. His voluminous literary output is for the most part forgotten, but his life and character, his widely romantic aspirations to be a Man of Genius, provide a fascinating tragi-comic study. As a background study to the literature and society of the time, Ann Blainey's book is packed with interest and anecdote, and as a study of a remarkable man it is consistently entertaining. [Zodiac Academy 5](#) HarperCollins UK Sam leads a pretty normal life. He may not have the most exciting job in the world, but he's doing all right—until a fast food prank brings him to the attention of

Douglas, a creepy guy with an intense violent streak. Turns out Douglas is a necromancer who raises the dead for cash and sees potential in Sam. Then Sam discovers he's a necromancer too, but with strangely latent powers. And his worst nightmare wants to join forces . . . or else. With only a week to figure things out, Sam needs all the help he can get. Luckily he lives in Seattle, which has nearly as many paranormal types as it does coffee places. But even with newfound friends, will Sam be able to save his skin? *Hold Me Closer, Necromancer* is a 2011 Bank Street - Best Children's Book of the Year. [Ritual Magic](#) Totally Entwined Group (USA+CAD) What can the starry skies tell you about yourself and others? More than you might imagine. For over four thousand years, people have watched the skies, correlating the movements of the Sun, the Moon, and the planets with human affairs. *Astrology for Dummies* shows the reader how to use that accumulated wisdom to identify strengths and weaknesses, discover creative abilities, understand relationships,

and make the most of the times in which we live. Using an abundance of real-life examples, author Rae Orion offers an incisive account of each sign and planet, taking the reader far beyond the daily horoscope and illuminating the birth chart in all its individuality and complexity. *Astrology for Dummies* examines the time-honored ways astrology helps us understand ourselves and others. From how to map and interpret individual horoscopes to building and reading birth charts, *Astrology For Dummies* provides you with the tools to apply the art of astrology to your everyday life. Explore the long, multi-cultural, occasionally bloody history of astrology Discover useful advice about romance, career, and wellness Find the creative potential to be found in every sign and every birth chart Unravel the mysteries behind Mercury retrograde and other celestial phenomena Delve into the horoscopes of dozens of famous (and infamous) people, both past and present Investigate different ways to align yourself with the

cosmos. Astrology hasn't been around for millennia for nothing. It's a practical tool, a symbolic language, a way to expand awareness, a means to increase empathy, and an exploration that touches the soul. Whether you want to learn about yourself, understand others, or glimpse the opportunities and challenges that lie ahead, the answers are here — and in the stars! [The Orenda Gateway Tortured Souls](#)
