Toshiba DVR610 DVD Recorder / VCR Combo. I bought this Toshiba DVR610 DVD Recorder / VCR Combo because it can also play AVI files which my older LiteOn LVC-9016 couldn't. So far this was the hardest to install to work properly, neither the long manual nor the included short one contained the connection that made it work for me!

Toshiba offers no customer phone support for it. There are myriad general settings which make it more confusing to figure out which ones will ensure you get the video after dubbing. The critical point is that it never tells you whether you are supposed to actually see the VCR source video while dubbing from VHS to DVD.
