Absolute Beginner's Guide to A+ Certification

Congratulations on purchasing the ODROID-XU4! It is one of the most powerful low-cost Single Board computers available, as well as being an extremely versatile device. Featuring an octa-core Exynos 5422 big.LITTLE processor, advanced Mali GPU, and Gigabit ethernet, it can function as a home theater set-top box, a general purpose computer for web browsing, gaming and socializing, a compact tool for college or office work, a prototyping device for hardware tinkering, a controller for home automation, a workstation for software development, and much more. Some of the modern operating systems that run on the ODROID-XU4 are Ubuntu, Android, Fedora, ARCHLinux, Debian, and OpenELEC, with thousands of free open-source software packages available. The ODROID-XU4 is an ARM device, which is the most widely used architecture for mobile devices and embedded 32-bit computing.

ODROID-XU4 User Manual

You probably bought your TiVo so that you would never have to miss another baseball game, soap opera or Thursday night

sitcom again. It's great at what it does and is much friendlier than your VCR. But did you know that your TiVo is capable of so much more than recording your favorite programs? That is why Leo Laporte, a top voice in consumer technology, and Gareth Branwyn, of Wired magazine, got together to bring you Leo Laporte's Guide to TiVo, a fun, light-hearted and in-depth look at TiVo and all that it is capable of. In this easy-to-follow guide, you will learn remote control trickery, how to upgrade your TiVo hardware, how to add a CallerID display to your television and how to add web capabilities. Take control of your television destiny with Leo Laporte's Guide to TiVo.

PC Mag

Presents information on getting the most out of a PC's hardware and software, covering such topics as upgrading the BIOS, configuring the hard drive, installing more RAM, improving CPU performance, and adding COM ports.

Microtimes

"Manager of the Month. Manager of the year, I'd say. Manager of the century. Manager of your hearts."

"Feast! Feast on my milky teat of triumph. For I am Big Sam, and I am a footballing god." Business leaders and politicians have long realised that there is much to be learned from the world of low-to-mid Premier League football. But what about the rest of us? What can the former manager of England, Crystal Palace and literally nine other teams teach us about our own lives? Across a book chock-full of utter brilliance, 'Big Sam' will pass on some of the wisdom he's accumulated over the years. Like how to deal with betrayal. Or how to seduce a woman in three easy steps. Or how to thwart disaster if someone plays Nickelback on a pub jukebox. There's very little that Big Sam can't turn his hand to and very little that he won't happily share with you lucky readers. So, whether you're trying to deal with online trolls, on a night out and saddled with a disabled or forced to make small talk with people in the goods and service industries, Big Sam's Guide to Life will guide you to the top, or at least avoid relegation.
