---

created by top international design names, including Pentagram, Siegel+Gale, Jager Di Paola Kemp, Hesse Design, and Interbrand. The second part of the book contains 2,000 logos organized for easy reference by category (typography, people, mythology, nature, sports, etc.), as well as additional articles on recent designs by Gardner Design, Tompert Design, Karl Design, Hybrid Design, Iconologic, and Hugonaut.

Wilkinson's General Atlas of the World Da Capo Lifelong Books

Join the author as she makes a case for the impact our mindset has on our lives. As we grow into adulthood, our mindset is influenced and nurtured by the adults and others with whom we spend

most of our time. Her experience as a parent and Substitute Teacher helped her recognize the overwhelming pressure our children in the 11 - 16-year-old age group undergo while transitioning from the child culture of elementary school to the young-adult culture of high-school. As the focus of the book, she is their voice.

The author traces with compelling detail the evolution of the Russian state, where the Tsar claimed to own the land and its inhabitants as if they were his own personal property. Professor Pipes analyzes the political behavior of Russia's peasantry, nobility and bourgeoisie as well as its clergy, showing why none of them could limit the absolute power of the state. He discusses how the intelligentsia challenged the Tsars' power, leading to increased repression and

---

Russia's development as a bureaucratic police state. This sweeping epic brings Russia's turbulent history to life and helps us better understand the roots of modern Russia.

The line began forming after eight o'clock. Sal, short and heavy-set, kept everyone busy. Neat, in a white shirt and sports jacket, with his grey fedora cocked to the side, his crooked grin made you smile. Without warning the heavy door would swing open and the waiters would come outside to join him.

They were dressed in pajamas or prison garb, with hats and horns, and were there to warm up the crowd. Some in line expected this, others were shocked. The pink polka dot building should have been a warning. Complete strangers in line became chummy, exchanging stories they had heard;

toilet seat covers to serve drinks on, microphones in the ladies room, toilet paper for napkins. Most had brought their friends there to be roasted. The line of people varied in age. They all dressed casually because they'd heard you could get a pie in the face or a squirt in the eye. The club's routines were blue in color, but harmless. If you were lucky you might see a "Balls for the Queen" or a "Singing beer." The price was always right for a good time and Warm Beer and Lousy Food was the place to be.

In a market cluttered with big and small companies competing for the consumer's attention, public image becomes more critical than ever to the success of any business. Veronica Napoles's Corporate

---

Identity Design provides a practical tool for designing and implementing a successful, comprehensive corporate identity program. It is an invaluable resource, since fashioning a powerful and accessible identity is a company's best bet for capturing the attention of consumers. Napoles explains the difference between corporate image--how a company is actually perceived by the public--and identity--how it wants to be perceived--and shows how to close the gap between the two. In doing so, she goes beyond previous books on the subject and anticipates the needs of consumers by incorporating elements of behavioral psychology into the design process. Corporate Identity Design is not merely a picture book or an anthology of symbols, but a comprehensive, detailed examination of all factors that lead to the choice and refinement of a corporate identity. Napoles's concise, step-by-step overview looks at all phases of the corporate identity design process, including: \*

- \* recognizing the need for corporate identity adjustment
- \* selecting a basic symbol category from which to choose
- \* deciding on and refining a chosen symbol
- \* implementing a careful, intelligent program for phasing in the new corporate identity and ensuring its acceptance by the public.

The book includes dozens of helpful illustrations, a sample design proposal, questionnaires, design briefs, and a color chart. In addition, Napoles provides guidelines for changing a company name, including information on basic name categories and the creative process for developing and evaluating names. These and other features make Corporate Identity Design

---

the definitive work for establishing quick and accurate image/identity relationships in the mind of the public. Design students and professionals, public relations and communications officers, and top-level management personnel will all find *Corporate Identity Design* a continuing resource for ideas, information, and inspiration.

MAJOR BHAAJAN

RETURNS. Book three in the Skolian Empire Major Bhaajan series by

Catherine Asaro. SURVIVE THE CITY OF CRIES

Bhaajan grew up in the Undercity, a community hidden in the ruins buried beneath the glittering City of Cries. Caught between the astonishing beauty and crushing poverty of that life, and caught by wanderlust, she enlisted in the military. Now retired,

Major Bhaajan is a private investigator who solves cases for the House of Majda, a powerful royal family centered in Cries. The powerful elite of the City of Cries are disappearing, and only Bhaajan, who grew up in the Undercity, can find them—if she isn't murdered first. At the publisher's request, this title is sold without DRM (Digital Rights Management). About the Major Bhaajan series: ". . . riveting. . . The world is rich and vivid, with two distinct cultures in the Undercity and the aboveground City of Cries. This exciting novel stands alone for anyone who enjoys science fiction adventure." —Publishers Weekly (starred review) "Asaro plants herself firmly into that grand SF tradition of future history franchises favored by luminaries like Heinlein, Asimov, Herbert, Anderson, Dickson, Niven, Cherryh, and Baxter . . .

---

They don't write em like that anymore! Except Asaro does, with . . . up-to-the-minute savvy!"—Locus "Baahjan, who starts out keeping an emotional distance from the people in the Undercity soon grows to think of them as her community once more. Asaro . . . returns to the Skolian empire's early history to tell Bhaajan's story."—Booklist "Asaro delivers a tale rich with the embedded history of her world and bright with technical marvels. Her characters are engaging and intriguing and there is even a bit of romance. What really touched my heart was Bhaaj's interaction with the children of the aqueducts. I spent the last fifty pages of the book sniffing into a tissue."—SFCrowsnest "I'm hooked, both on her writing and her Skolian universe. This book had everything I wanted: strong characters, a new and unique world,

and a plot that isn't as simple as it first appears."—TerryTalk About the Skolian Saga:

“ Entertaining mix of hard SF and romance. ” —Publishers Weekly “ Asaro ’ s Skolian saga is now nearly as long and in many ways as compelling as Dune, if not more so, featuring a multitude of stronger female

characters. ” —Booklist “ Rapid pacing and gripping suspense. ” —Publishers Weekly

Lances Hurlled at the Sun Baen Books

Over the last year, author Melissa Milne asked thousands of women how they feel about their bodies, weight, food, and self-image. The answers were shocking: more than 80 percent feel guilty after a meal;

---

nearly 60 percent have dieted down a dress size to please a man; almost two-thirds say they have been body-shamed by another woman--and 50 percent would rather be skinnier than happier or smarter. These women are sick and tired of feeling bad while trying to lose weight. And Milne has the solution: Don't be perfect--just be Naughty. The Naughty Diet says screw guilt and pass the wine. Every chapter is built around a series of Naughty Steps -- science-based, life-tested, attitude-adjusted approaches to food, exercise, and life management -- each informed by the country's top doctors and nutritionists. Following this plan, you'll learn how to effortlessly embrace principles of healthy living, as well as pleasurable eating, changing the way you think about food -- and yourself. Far from telling you what you have to do, The Naughty Diet instead frees you to live life to the fullest; without shame, guilt, fear, or confusion. By doing so, you'll also allow for indulgences, including chocolate, wine, bread, and cheese, along with more than 40 deliciously nutritious recipes inside the book. Now balanced, the guilt -- and the pounds -- will melt away.

The Vanished Seas

---

"Rarely has the story of multiple meanings and Latin American resonance of Latin independence been told American so richly and with such independence." a plurality of voices. Christopher Conway, Chambers and Chasteen The University of Texas at Arlington have expertly woven a "This magnificent comprehensive yet accessible historical collection gives voice to the many tapestry of primary peoples---women and sources to tell the story of the Wars for men, Blacks and Independence. The Whites, natives and editors recover newcomers---who fascinating, lesser-known voices---many watched, fought, fled, of which appear in and most especially put English for the first pen to paper as the time here---and situate Iberian empires broke them alongside up. All of them bring canonical sources in history to life. The rewarding and surprising ways. This introductions to each document, themselves valuable little essays, is an indispensable will guide even the resource for students untutored through the and scholars alike, and complex labyrinth of an invitation to Latin America's first critically rethink the revolutions." Adelman, Princeton University Maps and illustrations are included, as are a chronology of the Wars for Independence, suggestions for further reading, and a thorough index.

#### Psychometric Methods

A practical guide for creating, implementing, and evaluating school policy.

This invaluable resource brings to life the process of making and enacting educational policy. The authors present a conceptual framework for developing effective and ethical school policies and help educational leaders evaluate, interpret, and analyze the regulations that govern their schools. Organized by key topics such as English Language Learners, inclusion, and bullying, the text incorporates vignettes, research, and relevant

theories to illustrate how readers can: Create a dialogue that represents the needs of all stakeholders Define relevant policies that are ethically sound Integrate legally mandated policies with schoolwide resolutions

#### The Key to English

For undergraduate and MBA-level Enterprise Systems courses. An approach to understanding and implementing ERP systems for success in today ' s organizations. Motiwalla teaches students the components of an ERP system, and the process of implementing ERP systems within a corporation to increase the overall success of the organization. This text also places major importance on the strategic role of ERP systems in providing a platform for improved business operations and productivity. The second edition reflects the nature of today ' s enterprise
