"0-by-1" is a revolutionary literary work written by a mysterious author known only as Existence - who prefers to be addressed as the numeric value of "1." This logic behind this strange, 0-1 juxtaposition becomes crystal clear as the reader and Existence (1) move through 13.8 billion years (and one trillionth of a second) of existential history. Many of life's most confusing situations and painful experiences are explained along with the mystery surrounding how something can emerge from nothing. After laying down some rather strict guidelines, Existence (1) takes the reader on a controversial journey back in time, to the time before time, where the preexistence of existence is detailed in reader-friendly terms. Science, religion, atheism, quantum theory, history, consciousness, good, evil, and many other human constructs fall under 1's merciless scalpel of truth as humanity's final chapter is revealed. Existence (1) has graciously provided our species with a single opportunity to change our destiny within the pages of this strange, unorthodox book. However, it is up to us to take heed because second chances cannot be offered to a nonexistent species. Learn how everything came to be, why you exist, your purpose in life, the reason for suffering, why life evolves, and the fate of humanity should we

fail to change our polarized direction. If you have never been satisfied with the mainstream explanations for your existence, then "0" by 1 has an alternative that will blow you away!

Sleep All Day Bodybuilding All Night The Feminist Press at CUNY

Fire chief Dan Egan pilots a helicopter with Dr. Natalie Giroux aboard to make an emergency airlift. A full-blown electrical storm hits. Lightning strikes the chopper. An emergency landing is their only hope.... The forced landing strands Dan Egan and Natalie Giroux on a remote island in Courage Bay. Being isolated with Dan both frightens and excites Natalie. He's the kind of stubborn, fearless man she tries to avoid, yet she finds herself attracted. Maybe it's the brush with death...or the way Dan is struggling with his own desire for her. But she may as well admit it—when their helicopter went down, so did all of Natalie's defenses.

Total Feng Shui Routledge

In this sparkling collection of nineteen stories, the bestselling author of Slammerkin returns to contemporary affairs, exposing the private dilemmas that result from some of our most public controversies. A man finds God and finally wants to father a child-only his wife is now forty-two years old. A coach's son discovers his sexuality on the football field. A roommate's bizarre secret liberates a repressed young woman. From the unforeseen consequences of a polite social lie to the turmoil caused by the hair on a woman's chin, Donoghue dramatizes the seemingly small acts upon which our lives often turn. Many of these stories involve animals and what they mean to us, or babies and whether to have them; some replay biblical plots in modern contexts. With characters old, young, straight, gay, and simply confused, Donoghue dazzles with her range and her ability to touch lightly but delve deeply into the human condition.

Rather than condemning the planning and development of the Interstate Highway System, J. Gerlach's Simple History series continues to objectively look at the historical events, military concerns, and governmental priorities that led to its development. Gerlach investigates the opportunity costs and the citizen groups who fought construction and changes to their neighborhoods throughout the last one hundred years. Given the interstates' ability to divide neighborhoods, make poor citizens poorer, and induce demand -- the more highways you build, the more people use them, and the slower everyone moves -- Gerlach also embraces the American romanticism with driving on the interstates and how it relates to his own history.

THE BALINESE TWINS - Beautiful and exotic, they exchange an island paradise for the shabby squalor of London, and innocence for corruption. THE SICILIAN - Ricky Delgado strikes a devil's bargain with a blood goddess: 'Build my temple and bring me the souls of damaged people, and you will see what rewards I give.' THE COURTESAN - Elizabeth makes her living from men's desire. With a flick of the switch in her head, she feels nothing: no pain, no hate, no sorrow, no joy. THE ARTIST - Anis takes to painting as an outlet for his rage. His artist's eye knows his subjects before they know themselves, and he paints them all, a gallery of broken people. Can they escape the deadly web of decadence and sin?

KNOW YOUR ENEMIES It's good advice—and Kate always thought she did. But everything has changed: there's a new

force at the head of the Thrall collective. A force brilliant enough and ruthless enough to hide its sinister plan behind humanitarian work—building and funding halfway houses to ease the victims of drugs and the Thrall back into society. And then Kate discovers that another part of the plan is rescinding the rules of fair play by which the Thrall have always dealt with humans. Kate is no longer Not Prey. Now she is just like everyone else: Prey. Uncovering the plot is a start, but stopping it is another thing entirely. Kate must not only call on all of her own resources, but all of those that belong to her werewolf boyfriend Tom. But the Thrall collective has a brand new way of getting to Kate: a very personal series of attacks designed to tear her from Tom. Kate has to decide: save her relationship with Tom, or save the future from the Thrall? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sleep All Day Billiards All Night Independently Published Poetry. Latino/Latina Studies. LGBT Studies. "Like Whitman, Quesada is a poet of motion—journeying to the center of the US, where the traditions and innovations of first-generation Americans traverse the meditative starbursts of hills; ford rivers; cross prairies; and seek out 'the alpenglow of tomorrow and tomorrow.' From Costa Rica to Los Angeles and across the continent, Quesada's poems chronicle one family's history: from the courtship of his parents to their separation, from his childhood struggles to awakening desire from his mother's lottery winnings to his own personal losses, Ruben Quesada carries us toward 'that seam in space' where dream and experience intersect. This isn't the story of what it means to come to this country. It's the story of what it means to belong here"—D. A. Powell.
