“[Russo’s] first novel in ten years hits the ball out of the park. . . . You’ll lap up this gripping, wise, and wonderful summer treat.” —The Boston Globe “A cascade of charm. . . . Russo is an undeniably endearing writer, and chances are this story will draw you back to the most consequential moments in your own life.”—The Washington Post One beautiful September day, three men in their late sixties convene on Martha’s Vineyard, friends ever since meeting in college in the sixties. They couldn’t have been more different then, or even today—Lincoln’s a commercial real estate broker, Teddy a tiny-press publisher, and Mickey is a musician beyond his rockin’ age. But each man holds his own secrets, in addition to the monumental mystery that none of them has ever stopped puzzling over since a Memorial Day weekend right here on the Vineyard in 1971. Now, forty-five years later, three lives and that of a significant other are put on display while the distant past confounds the present in a relentless squall of surprise and discovery. Shot through with Russo’s trademark comedy and humanity, *Chances Are* . . . introduces a new level of suspense and menace that will quicken the reader’s heartbeat throughout this absorbing saga.

THE GREAT GATSBY Simon and Schuster
Heartbreaking, hilarious, and brutally honest, *Going There* is the deeply personal life story of a girl next door turned household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she ’ s never

shared, until now. Of the medium she loves, the one that made her a household name, she says, “ Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is. ” Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn ’ t afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest “ get ” —often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric ’ s position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and

an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “ welcome ” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn ’ t happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

THE NEW YORK TIMES BEST-SELLER Put simply, it’s time for a national update on college fraternities. Greek life today makes Animal House look like a Pixar movie. The amount of alcohol that is being consumed, promiscuous sex that is being enjoyed, and intense drug-induced raging that is taking place on campuses across the country has quietly reached ridiculous new heights. Written with the goal of being the most fun you’ve ever had reading a book, **TOTAL FRAT MOVE** pulls back the curtain on this world of hard-partying

American decadence. The stories are unabashed. They are hilarious. And they are going to blow you away. You're welcome, world.
Nickel and Dime Wheatmark, Inc.

Chronicles how one of the worst mass shootings in American history lead to the one of the largest youth-led movements in global history.

The American Fraternity Total Frat Move

A LOCUS AWARD FINALIST! The mesmerizing adult debut from Leigh Bardugo, a tale of power, privilege, dark magic, and murder set among the Ivy League elite Galaxy "Alex" Stern is the most unlikely member of Yale's freshman class. Raised in the Los Angeles hinterlands by a hippie mom, Alex dropped out of school early and into a world of shady drug-dealer boyfriends, dead-end jobs, and much, much worse. In fact, by age twenty, she is the sole survivor of a horrific, unsolved multiple homicide. Some might say she's thrown her life away. But at her hospital bed, Alex is offered a second chance: to attend one of the world's most prestigious universities on a full ride. What's the catch, and why her? Still searching for answers, Alex arrives in New Haven tasked by her mysterious benefactors with monitoring the activities of Yale's secret societies. Their eight windowless "tombs" are the well-known haunts of the rich and powerful, from high-ranking politicians to Wall Street's biggest players. But their occult activities are more sinister and more extraordinary than any paranoid imagination might conceive. They tamper with forbidden magic. They raise the dead. And, sometimes, they prey on the living.

** NEW YORK TIMES BESTSELLER! ** The Tonight Show Summer Reads Winner ** A New York Times Notable Book of 2021 ** "Insanely readable." -Stephen King Hailed as "breathtakingly suspenseful," Jean Hanff Korelitz's *The Plot* is a propulsive read about a story too good not to steal, and the writer who steals it. Jacob Finch Bonner was once a promising young novelist with a respectably published first book. Today, he's teaching in a third-rate MFA program and struggling to maintain what's left of his self-respect; he hasn't written—let alone published—anything decent in years. When Evan Parker, his most arrogant student, announces he doesn't need Jake's help because the plot of his book in progress is a sure thing, Jake is prepared to dismiss the boast as typical amateur narcissism. But then . . . he hears the plot. Jake returns to the downward trajectory of his own career and braces himself for the supernova publication of Evan Parker's first novel: but it never comes. When he discovers that his former student has died, presumably without ever completing his book, Jake does what any self-respecting writer would do with a story like that—a story that absolutely needs to be told. In a few short years, all of Evan Parker's predictions have come true, but Jake is the author enjoying the wave. He is wealthy, famous, praised and read all over the world. But at the height of his glorious new life, an e-mail arrives, the first salvo in a terrifying, anonymous campaign: You are a thief, it says. As Jake struggles to understand his antagonist and hide the truth from his readers and his publishers, he begins to learn more about his late student, and what he discovers both amazes and terrifies him. Who was Evan Parker, and how did he get the

idea for his "sure thing" of a novel? What is the real story behind the plot, and who stole it from whom?

The Complete Guide on How to Improve Your Chapter Farrar, Straus and Giroux

2015 Edition: With a New Preface, Afterword, and Updates. "Alexandra Robbins rips into the secret, sordid underbelly of sororities."--Vanity Fair Updated ten years after it is original publication, Pledged by Alexandra Robbins is as timely today as it was when first published. With salacious breaking news about fraternities and sororities shocking the general public (and members themselves) Pledged exposes what really goes on behind the facades of some of these Greek organizations. Robbins, an investigative journalist, went undercover as a sorority sister; her expose is a breathtaking narrative of tumultuous breakups, fights, drunk driving, stalkers, cover-ups, predation by faculty and staff, theft, rape, and an abundance of drugs and alcohol, and much, much more.

Dirty Rush Scholastic Inc.

Her first year away is turning out to be nearly perfect, but one weekend of giving in to heated passion will change everything. Eighteen-year-old Harper has grown up under the thumb of her career marine father. Ready to live life her own way and to experience things she's only ever heard of from the jarheads in her father's unit, she's on her way to college at San Diego State University. Thanks to her new roommate, Harper is introduced to a world of parties, gorgeous guys, family, and emotions. She finds herself being torn in two as she quickly falls in love with both her new boyfriend, Brandon, and her roommate's brother, Chase. Despite their dangerous looks and histories, both men

adore Harper and would do anything for her, including taking a step back if it would mean she'd be happy.

On (Not) Getting By in America Little, Brown

THE INSTANT NEW YORK TIMES BESTSELLER FROM THE #1 NEW YORK TIMES BESTSELLING AUTHOR OF PEOPLE WE MEET ON VACATION! "Original, sparkling bright, and layered with feeling."--Sally Thorne, author of *The Hating Game* A romance writer who no longer believes in love and a literary writer stuck in a rut engage in a summer-long challenge that may just upend everything they believe about happily ever afters. Augustus Everett is an acclaimed author of literary fiction. January Andrews writes bestselling romance. When she pens a happily ever after, he kills off his entire cast. They're polar opposites. In fact, the only thing they have in common is that for the next three months, they're living in neighboring beach houses, broke, and bogged down with writer's block. Until, one hazy evening, one thing leads to another and they strike a deal designed to force them out of their creative ruts: Augustus will spend the summer writing something happy, and January will pen the next Great American Novel. She'll take him on field trips worthy of any rom-com montage, and he'll take her to interview surviving members of a backwoods death cult (obviously). Everyone will finish a book and no one will fall in love. Really. Going There Grand Central Publishing Voiced by an off-kilter chorus of the young and desperate to belong, Benjamin Nugent's provocative collection pries the fraternity door off its hinges, daring us to peer inside with amusement, horror, and also love. In a Massachusetts college town

stands a dilapidated colonial: Delta Zeta Chi. Here, we meet Newton, the beloved chapter president; Oprah, the sensitive reader; Petey, the treasurer, loyal to a fault; Claire, the couch-surfing dropout who hopes to sell them drugs; and a girl known, for unexpected reasons, as God. Though the living room reeks of sweat and spilled beer, the brothers know that to be inside is everything. Fraternity celebrates the debauched kinship of boys and girls straddling adolescence and adulthood: the drunken antics, solemn confessions, and romantic encounters that mark their first years away from home. Beneath each episode lies the dread of exclusion. The closeted Oprah's hero worship gives way to real longing. A combat veteran offers advice on hazing. An alienated young woman searches for a sanctuary. And the shadow of assault hovers over every sexual encounter.

The Invisible Life of Addie LaRue Orbis Books

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

Encyclical on Fraternity and Social Friendship Verso

NEW YORK TIMES BESTSELLER • "This is one of those books that will go down as the seminal work—the determinative work—in this field. . . . Terrifying."—Rachel Maddow The first definitive account of the rise and fall of the Secret Service, from the Kennedy assassination to the alarming mismanagement of the Obama and Trump years, right up to the insurrection at the Capitol on January 6—by the Pulitzer Prize winner and #1 New York Times bestselling co-author of *A Very Stable Genius* and *I Alone Can Fix*

It NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST Carol Leonnig has been reporting on the Secret Service for The Washington Post for most of the last decade, bringing to light the secrets, scandals, and shortcomings that plague the agency today—from a toxic work culture to dangerously outdated equipment to the deep resentment within the ranks at key agency leaders, who put protecting the agency's once-hallowed image before fixing its flaws. But the Secret Service wasn't always so troubled. The Secret Service was born in 1865, in the wake of the assassination of Abraham Lincoln, but its story begins in earnest in 1963, with the death of John F. Kennedy. Shocked into reform by its failure to protect the president on that fateful day in Dallas, this once-sleepy agency was radically transformed into an elite, highly trained unit that would redeem itself several times, most famously in 1981 by thwarting an assassination attempt against Ronald Reagan. But this reputation for courage and excellence would not last forever. By Barack Obama's presidency, the once-proud Secret Service was running on fumes and beset by mistakes and alarming lapses in judgment: break-ins at the White House, an armed gunman firing into the windows of the residence while confused agents stood by, and a massive prostitution scandal among agents in Cartagena, to name just a few. With Donald Trump's arrival, a series of promised reforms were cast aside, as a president disdainful of public service instead abused the Secret Service to rack up political and personal gains. To explore these problems in the ranks, Leonnig interviewed dozens of current and former agents, government officials, and whistleblowers who put their jobs on the

line to speak out about a hobbled agency that's in desperate need of reform. "I will be forever grateful to them for risking their careers," she writes, "not because they wanted to share tantalizing gossip about presidents and their families, but because they know that the Service is broken and needs fixing. By telling their story, they hope to revive the Service they love."

E. Schwab's genre-defying tour de force. A Life No One Will Remember. A Story You Will Never Forget. France, 1714: in a moment of desperation, a young woman makes a Faustian bargain to live forever—and is cursed to be forgotten by everyone she meets. Thus begins the extraordinary life of Addie LaRue, and a dazzling adventure that will play out across centuries and continents, across history and art, as a young woman learns how far she will go to leave her mark on the world. But everything changes when, after nearly 300 years, Addie stumbles across a young man in a hidden bookstore and he remembers her name. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Beautiful Disaster Signed Limited Edition

Metropolitan Books

The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of Evicted Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you int to live indoors. Nickel and Dimed reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of Evicted: Poverty and Profit in the American City, explains why, twenty years on in America, Nickel and Dimed is more relevant than ever.

I Hope They Serve Beer In Hell Simon and Schuster College life can be complicated—challenging, rewarding, downright frustrating—and a lot of fun. Warren University freshman Cassandra "Cassie" Davis is more than up for all of it. Which leaves Cassie facing the dreaded F-word... Fraternity—specifically Delta Tau Chi, a frat house on the verge of being banned from the school. Accused of offensive, sexist behavior,

they have one year to clean up their act. With one shot at a scholarship to the school of her dreams, Cassie pitches an unusual research project—to pledge Delta Tau Chi, take on the boys' club and provide proof of their misogynistic behavior. It's different, but it's not against the rules, and she's pretty sure she knows exactly what to expect once she gets there. Which means the DTC brothers will have to face the dreaded F-word... Feminist—the type of girl who thinks they're nothing but tank-top-wearing "bros" and is determined to see them booted from the school. But Cassie soon realizes things aren't as simple as they appeared. Some of the DTC brothers, including her fellow pledge, Jordan Louis, are much more than she ever expected to find in a frat house. With her academic future on the line, and her heart all tangled in a web of her own making, Cassie will ultimately have to define for herself what the F-word is all about. "Refreshingly honest and intelligently written." —New York Times and USA TODAY bestseller Julie Cross "[This] sweet, subversive deconstruction of frats and feminism...will have readers sighing and snorting at Cassie's adventure into fraternity life and finding her own truth." —Christa Desir, award-winning author of *Bleed Like Me* and *Other Broken Things*

Fratelli Tutti Quirk Books

The instant #1 New York Times bestseller. In time for the twentieth anniversary of 9/11, master storyteller Alan Gratz (Refugee) delivers a pulse-pounding and unforgettable take on history and hope, revenge and fear -- and the stunning links between the past and present. September 11, 2001, New York City: Brandon is visiting his dad at work, on the 107th floor of the World Trade Center. Out of nowhere, an airplane slams into the tower, creating a fiery nightmare of terror and confusion. And Brandon is in the middle of it all. Can he survive -- and escape? September 11, 2019, Afghanistan: Reshmina has grown up in the shadow of war, but she dreams of peace and progress. When a battle erupts in her village, Reshmina stumbles upon a wounded

American soldier named Taz. Should she help Taz -- and put herself and her family in mortal danger? Two kids. One devastating day. Nothing will ever be the same.

Unbroken Hachette Books

The Social Network gets a romantic twist in this fresh and engaging new read from the author of *Frat Girl*, Kiley Roache.

Experience the whirlwind ups and downs of college life in this authentic and entertaining new novel! When a notoriously difficult class for future entrepreneurs leads to three freshmen developing the next "it" app for dating on college campuses, all hell breaks loose... Type A control freak Sara lives by her color-coordinated Post-it notes. Rich boy Braden wants out from under his billionaire father's thumb. Scholarship student Roberto can't afford for his grades to drop. When the three are forced to work together in one of the university's most difficult classes, tension rises to the breaking point...until, shockingly, the silly dating app they create proves to be the most viable project in class. Late nights of app development, interest from investors and unexpected romance are woven into a true-to-life college drama that explores what it means to really connect online and IRL.
