Over the years, the ability to compound medications to meet the exact needs of each patient, has allowed us to help solve many challenging health problems. For example, we have successfully helped to treat more than 30 different types of pain. You could say we are a one-stop shop for total pain solutions.

Total Pain Solutions :: Specialty Pharmacy Solutions

The staff at Total Pain Solutions is very friendly and knowledgeable.

The product my Dr prescribed for me is a miracle cream! After many years of taking a Pill to sleep through the pain I now rub on the cream 2-3 times a day and right before I go to sleep.

The Compound Shoppe

Total Pain Solutions was created to help those who have acute, chronic, or degenerative pain avoid the side effects of typical pain drugs, conflicts with other medications, and the risk of

end-organ toxicity. Initially, Total Pain Solutions worked primarily with sports injury and orthopedic specialists. TPS | 3524 Decatur Hwy, Fultondale, AL | Vitals.com Total Pain Solutions specializes in effectively treating acute, chronic, and degenerative pain across a wide array of specialties. In fact, we pioneered the solutions for treating pain through compounding pharmacy and have helped almost a million patients just like you find relief. Pain medications taken orally can help in treating pain.
