The Bargain Roxy Sloane Books

'Represents the culmination of an 18-month-long project that aims to be the definitive review of this important topic. Accompanied by a scholarly literature review, some new analysis, and a wealth of evidence and insight... the report is a tour de force; a once-in-a-generation opportunity to take stock.' -- Dr Steven Hill, Head of Policy, HEFCE, LSE Impact of Social Sciences Blog 'A must-read if you are interested in having a deeper understanding of research culture, management issues and the range of information we have on this field. It should be disseminated and discussed within institutions, disciplines and other sites of research collaboration.' -- Dr Meera Sabaratnam, Lecturer in International Relations at the School of Oriental and African Studies, University of London, LSE Impact of Social Sciences Blog Metrics evoke a mixed reaction from the research community. A commitment to using data and evidence to inform decisions makes many of us sympathetic, even enthusiastic, about the prospect of granular, real-time analysis of our own activities. Yet we only have to look around us at the blunt use of metrics to be reminded of the pitfalls. Metrics hold real power: they are constitutive of values, identities and livelihoods. How to exercise that power to positive ends is the focus of this book. Using extensive evidence-gathering, analysis and consultation, the authors take a thorough look at potential uses and limitations of research metrics and indicators. They explore the use of metrics across different disciplines, assess their potential contribution to the development of research excellence and impact and consider the changing ways in which universities are using quantitative indicators in their management systems. Finally, they consider the negative or unintended effects of metrics on various aspects of research culture. Including an updated introduction from James Wilsdon, the book proposes a framework for responsible metrics and makes a series of targeted recommendations to show how responsible metrics can be applied in research management, by funders, and in the next cycle of the Research Excellence Framework. The metric tide is certainly rising. Unlike King Canute, we have the agency and opportunity -- and in this book, a serious body of evidence -- to influence how it washes through higher education and research.

The Metric Tide Oxford University Press

The Conclusion of Gwen and J.C.'s Story Gwen Anders came to The Sky Launch to begin fresh, away from the horrors of her past. She fit in quickly, becoming good friends with her co-manager, Alayna Withers and the owner of the club, Hudson Pierce. Though the circumstances that brought her here were not the best, she's never felt more at home. But starting a new

life means letting go. And there are some things she doesn't want to leave behind - like JC, the man who taught her how to let loose. The man she wasn't supposed to fall in love with. The man she doesn't want to lose. Now, with the reason she ran still a threat, Gwen fears she'll never be able to move on completely. And if she does, can she still hold out hope that JC loves her enough to come and find her?

Popular Culture HarperCollins UK

Called "remarkable" (The Wall Street Journal) and "an ambitious, colossal debut novel" (Publishers Weekly), Helen DeWitt's The Last Samurai is back in print at last Helen DeWitt's 2000 debut, The Last Samurai, was "destined to become a cult classic" (Miramax). The enterprising publisher sold the rights in twenty countries, so "Why not just, 'destined to become a classic?'" (Garth Risk Hallberg) And why must cultists tell the uninitiated it has nothing to do with Tom Cruise? Sibylla, an American-at-Oxford turned loose on London, finds herself trapped as a single mother after a misguided one-night stand. High-minded principles of child-rearing work disastrously well. J. S. Mill (taught Greek at three) and Yo Yo Ma (Bach at two) claimed the methods would work with any child; when these succeed with the boy Ludo, he causes havoc at school and is home again in a month. (Is he a prodigy, a genius? Readers looking over Ludo's shoulder find themselves easily reading Greek and more.) Lacking male role models for a fatherless boy, Sibylla turns to endless replays of Kurosawa's masterpiece Seven Samurai. But Ludo is obsessed with the one thing he wants and doesn't know: his father's name. At eleven, inspired by his own take on the classic film, he sets out on a secret quest for the father he never knew. He'll be punched, sliced, and threatened with retribution. He may not live to see twelve. Or he may find a real samurai and save a mother who thinks boredom a fate worse than death.

Murder: a Sinful Secrets Romance EverAfter Romance

Secrets, deception, and passion consume two pen pals in the TikTok sensation from New York Times bestselling author Penelope Douglas, now with exclusive bonus material! They were perfect together. Until they met. In fifth grade, Misha's teacher set him and his classmates up with pen pals from a different school. For the next seven years, Ryen was his everything. She kept Misha on track and accepted him as he is. They only had three rules: No social media, no phone numbers, no pictures. There was no reason to ruin the good thing they had going...until Misha runs across a photo of a girl online named Ryen. He knows he has to meet her. But he didn't expect to hate what he finds. Ryen has gone three months without a letter from Misha. Did he die? Get arrested?

Knowing Misha like she does, neither would be a stretch. She needs to know someone is listening to her. But really, Ryen knows this is her own fault. She should've gotten his phone number, or picture, or something. As a mysterious vandal leaves messages in Ryen's school, she's possessed by the handsome new student who knows just how to hurt and heal her. But she can't stop thinking of Misha. He could be gone forever. Or right under her nose, and she wouldn't even know it...

#### Three Simple Rules Roxy Sloane Books

Six were taken. Eleven years later, five come back--with no idea of where they've been. A riveting mystery for fans of *We Were Liars*. Eleven years ago, six kindergartners went missing without a trace. After all that time, the people left behind moved on, or tried to. Until today. Today five of those kids return. They're sixteen, and they are . . . fine. Scarlett comes home and finds a mom she barely recognizes, and doesn't really recognize the person she's supposed to be, either. But she thinks she remembers Lucas. Lucas remembers Scarlett, too, except they're entirely unable to recall where they've been or what happened to them. Neither of them remember the sixth victim, Max--the only one who hasn't come back. Which leaves Max's sister, Avery, wanting answers. She wants to find her brother--dead or alive--and isn't buying this whole memory-loss story. But as details of the disappearance begin to unfold, no one is prepared for the truth. This unforgettable novel--with its rich characters, high stakes, and plot twists--will leave readers breathless.

History of the Dudley Family Roxy Sloane Books She was so irresistibly sweet. I won't leave without a taste. She kept changing her identity. So much so that I couldn't even recognize her. She thought I was a businessman. Who just happened to stop by her bakery. What she didn't know was that she was my target. Her ex was locked up in jail. She was the one who ratted him out to the Feds. I had to keep my own weapons in check. And by weapons, I mean what's in between my legs. Because my emotions got the better of me. When she started adding extra chocolate in my mocha. I had a job to do. But I didn't want to do it. I'll have to do something to get what I want. Because if not, my boss will put me on his hit list. This is book 6 of the Omerta series. This is a dark mafia romance. There is NO cheating, NO cliffhanger, and a guaranteed happy ending!

#### Rock Chick Reawakening SAGE

**NATIONAL BESTSELLER** On the twenty-fifth anniversary of Kurt Cobain's death comes a new perspective on one of the most compelling icons of our time In early 1991, top music manager Danny Goldberg agreed to take on Nirvana, a critically acclaimed new band from the underground music scene in Seattle. He had no idea that the band's leader, Kurt Cobain, would become a pop-culture icon with a legacy arguably at the level of that of John Lennon, Michael Jackson, or Elvis Presley. Danny worked with Kurt from 1990 to 1994, the most impactful period of Kurt's life. This key time saw the stratospheric success of *Nevermind*, which turned Nirvana into the most successful rock band in the world and made punk and grunge household terms; Kurt's meeting and marriage to the brilliant but mercurial Courtney Love and their relationship that became a lightning rod for critics; the birth of their daughter, Frances Bean; and, finally, Kurt's public struggles with addiction, which ended in a devastating suicide that would alter the course of rock history. Throughout, Danny stood by Kurt's side as manager, and close friend. Drawing on Goldberg's own memories of Kurt, files that previously have not been made public, and interviews with, among others, Kurt's close family, friends, and former bandmates, *Serving the Servants* sheds an entirely new light on these critical years. Casting aside the common obsession with the angst and depression that seemingly drove Kurt, *Serving the Servants* is an exploration of his brilliance in every aspect of rock and roll, his compassion, his ambition, and the legacy he wrought--one that has lasted decades longer than his career did. Danny Goldberg explores what it is about Kurt Cobain that still resonates today, even with a generation who wasn't alive until after Kurt's death. In the process, he provides a portrait of an icon unlike any that has come before.

#### Dangerous Indulgence Roxy Sloane Books

Based on the classic *History of Broadcasting in the United States*, *Tube of Plenty* represents the fruit of several decades' labor. When Erik Barnouw--premier chronicler of American broadcasting and a participant in the industry for fifty years--first undertook the project of recording its history, many viewed it as a light-weight literary task concerned mainly with "entertainment" trivia. Indeed, trivia such as that found in quiz programs do appear in the book, but Barnouw views them as part of a complex social tapestry that increasingly defines our era. To understand our century, we must fully comprehend the evolution of television and its newest extraordinary offshoots. With this fact in mind, Barnouw's new edition of *Tube of Plenty* explores the development and impact of the latest dramatic phases of the communications revolution. Since the first publication of this invaluable history of television and how it has shaped, and been shaped by, American culture and society, many significant changes have occurred. Assessing the importance of these developments in a new chapter, Barnouw specifically covers the decline of the three major networks, the expansion of cable and satellite television and film channels such as HBO (Home Box Office), the

success of channels catering to special audiences such as ESPN (Entertainment and Sports Programming Network) and MTV (Music Television), and the arrival of VCRs in America's living rooms. He also includes an appendix entitled "questions for a new millennium," which will challenge readers not only to examine the shape of television today, but also to envision its future.

#### The Invitation Everly Stone

It's jang to be wild and sexy and reckless and teen-age. It's jang to do daredevil tricks and even get killed a few times...you could always come alive again. It's jang to change your body, to switch your sex, to do anything you want to keep up with the crowd. But there comes a time when you begin to think about serious things, to want to do something valid. And that's when you find out there are rules beyond the rules and that the world is something else than all they'd taught you. Filthy Beautiful Lies (Filthy Beautiful Series, Book 1) Hachette UK
