First published 45 years ago, this is a beautiful new edition of Mary Stewart's beloved magical classic illustrated by Shirley Hughes. Don't miss the beautifully animated film adaptation called *Mary and the Witch's Flower* (by the producer of *The Tale of The Princess Kaguya*), in cinemas now.

'The little broomstick gave a leap, a violent

twist, a kick like the kick of a pony.' Mary's been exiled to her great-aunt, deep in the English countryside. Miserable and lonely, she befriends strange black cat Tib who leads her deep into the forest to an ordinary looking broomstick. Before Mary can gather her wits, the broomstick jumps into action, whisking her over the treetops, above the clouds, and to the grounds of Endor College, school of

witchcraft. But something is terribly wrong at Endor. Students are taught spells that are petty and ill-wishing, and when Mary discovers evidence of a terrible and cruel experiment in transformation, she decides to leave. But the moment her broomstick takes off, she realises that Tib the cat has been captured ... Mary Stewart is the bestselling author of fourteen romantic thrillers, including the classic novels

This Rough Magic and The Moon-Spinners, and five historical fantasy novels of Arthurian Britain. The animated film, Mary and the Witch's Flower, will be released in 2018 by Studio Ponoc. The producer, Yoshiaki Nishimura, also produced The Tale of The Princess Kaguya and When Marnie Was There. *Touch Not the Cat* Hachette UK The man Mary Anne Drew wants is marrying someone else! back after almost a

new novel from
Mary Lawson, her

decade, opens on a
family in crisis.
Sixteen-year-old
Rose is missing.
Angry and
rebellious, she had
a row with her
mother, stormed out
of the house and
simply disappeared.
Left behind is seven-

year-old Clara,
Rose's adoring little
sister. Isolated by
her parents' efforts
to protect her from
the truth, Clara is
bewildered and
distraught. Her sole
comfort is Moses,
the cat next door,
whom she is looking
after for his elderly
owner, Mrs.
Orchard, who went
into hospital weeks
ago and has still not
returned. Enter
Liam Kane, mid-
thirties, newly
divorced, newly
unemployed, newly
arrived in this small
northern town, who
moves into Mrs.
Orchard's
house—where, in
Clara's view, he
emphatically does
not belong. Within a
matter of hours he
receives a visit from
the police. It seems
he is suspected of a

crime. At the end of her life, Elizabeth Orchard is also thinking about a crime, one committed thirty years previously that had tragic consequences for two families, and in particular for one small child. She desperately wants to make amends before she dies. Told through three distinct, compelling points of view, the novel cuts back and forth among these unforgettable characters to uncover the layers of grief, remorse, and love that connect them. A Town Called Solace is a masterful, suspenseful, darkly funny and deeply humane novel by one of our great storytellers.

—Booklist (starred review) “A

compelling and quirky tale of love and negotiating early adulthood in New York City.”

—School Library Journal From the New York Times bestselling author of Emergency Contact, which Rainbow Rowell called “smart and funny,” comes a “captivating” (The New York Times) romance about how social media influences relationships every day. On paper, college dropout Pablo Rind doesn’t

have a whole lot going for him. His graveyard shift at a twenty-four-hour deli in Brooklyn is a struggle. Plus, he’s up to his eyeballs in credit card debt.

Never mind the state of his student loans. Pop juggernaut Leanna Smart has enough social media followers to populate whole continents. The brand is unstoppable. She graduated from child stardom to become an international icon, and her adult life is a queasy blur of private planes, step-and-repeats, aspirational hotel rooms, and strangers screaming for her just to notice them. When Leanna and

Pablo meet at 5:00 a.m. at the bodega in the dead of winter it's absurd to think they'd be A Thing. But as they discover who they are, who they want to be, and how to defy the deafening expectations of everyone else, Lee and Pab turn to each other. Which, of course, is when things get properly complicated.
