PS-Line Principles of Management Academic Press NEW YORK TIMES BESTSELLER • An "extraordinary, unforgettable" (Michelle Alexander, author of *The New Jim Crow*) memoir of redemption and second chances amidst America's mass incarceration epidemic, from a member of Oprah's SuperSoul 100. Shaka Senghor was raised in a middle-class

neighborhood on Detroit's east side during the height of the 1980s crack epidemic. An honor roll student and a natural leader, he dreamed of becoming a doctor—but at age eleven, his parents' marriage began to unravel, and beatings from his mother worsened, which sent him on a downward spiral. He ran away from home, turned to drug dealing to survive, and ended up in prison for murder at the age of nineteen, full of anger and despair. Writing *My Wrongs* is the story of what came next. During his nineteen-year

incarceration, seven of which were spent in solitary confinement, Senghor discovered literature, meditation, self-examination, and the kindness of others—tools he used to confront the demons of his past, forgive the people who hurt him, and begin atoning for the wrongs he had committed. Upon his release at age thirty-eight, Senghor became an activist and mentor to young men and women facing circumstances like his. His work in the community and the courage to share his story led him to

fellowships at the MIT Media Lab and the Kellogg Foundation and invitations to speak at events like TED and the Aspen Ideas Festival. In equal turns, *Writing My Wrongs* is a page-turning portrait of life in the shadow of poverty, violence, and fear; an unforgettable story of redemption; and a compelling witness to our country's need for rethinking its approach to crime, prison, and the men and women sent there. *Ten Types of Innovation* Cambridge University Press
An Innovative Tool for

Enhancing Vision Skills Throughout 25 years of leadership research, bestselling Leadership Challenge authors Jim Kouzes and Barry Posner have consistently found that Inspire a Shared Vision is the practice that differentiates leaders from other credible people. They've also found that, for most leaders, it is the toughest practice. Vision is one of those words that evokes ridicule and awe, cynicism and mystery, confusion and inspiration. It's one of the most misunderstood words in the leadership

lexicon. In *The Leadership Challenge*, vision is defined as: An IDEAL and UNIQUE IMAGE of the FUTURE for the COMMON GOOD This hands-on workbook is designed to help you get more comfortable and stronger at Inspiring a Shared Vision. It will guide you through the process of developing a clearer picture of that ideal future, and then it will help you to communicate it more effectively to those who can help you implement it. In addition, the workbook contains sections that will enable you to make your

team a more forward-thinking group and your organization a more visionary place. And because visions are co-created and shared, there is a section on how to build visionary skills in others. Following the step-by-step process outlined in the book you will be able to:

- Draft an effective vision statement
- Craft a persuasive vision presentation
- Test the presentation
- Create different versions of the presentation to suit the audience/situation
- Seek feedback from your audience and evaluate your vision

effectiveness Each section contains activities to help you focus on the skills needed to become more adept at looking ahead and creating the workplace and the world you would like to see.
