How Boston radio station WBCN became the
hub of the rock-and-roll, antiwar, psychedelic
solar system. While San Francisco was
celebrating a psychedelic Summer of Love in
1967, Boston stayed buttoned up and battened
down. But that changed the following year,
when a Harvard Law School graduate student
named Ray Riepen founded a radio station
that played music that young people, including
the hundreds of thousands at Boston-area
colleges, actually wanted to hear. WBCN-FM
featured album cuts by such artists as the
Mothers of Invention, Aretha Franklin, and
Cream, played by announcers who felt free to
express their opinions on subjects that ranged
from recreational drugs to the war in Vietnam.
In this engaging and generously illustrated
chronicle, Peabody Award – winning journalist
and one-time WBCN announcer Bill
Lichtenstein tells the story of how a radio
station became part of a revolution in youth
culture. At WBCN, creativity and
countercultural politics ruled: there were no set
playlists; news segments anticipated the satire
of *The Daily Show*; on-air interviewees ranged
from John and Yoko to Noam Chomsky; a
telephone "Listener Line" fielded questions
on any subject, day and night. From 1968 to
Watergate, Boston's WBCN was the hub of
the rock-and-roll, antiwar, psychedelic solar
system. A cornucopia of images in color and
black and white includes concert posters, news
clippings, photographs of performers in action,
and scenes of joyousness on Boston
Common Interwoven through the narrative are
excerpts from interviews with WBCN pioneers,
including Charles Laquidara, the "news
dissector" Danny Schechter, Marsha
Steinberg, and Mitchell Kertzman.
Lichtenstein's documentary *WBCN and the
American Revolution* is available as a DVD
sold separately.

The Birchbark House Touching Spirit Bear
NEW YORK TIMES BEST SELLER • From the best-selling author of *Atonement* and *Saturday* comes the epic and intimate story of one man's life across generations and historical upheavals. From the Suez Crisis to the Cuban Missile Crisis, the fall of the Berlin Wall to the current pandemic, Roland Baines sometimes rides with the tide of history, but more often struggles against it. When the world is still counting the cost of the Second World War and the Iron Curtain has closed, eleven-year-old Roland Baines's life is turned upside down. Two thousand miles from his mother's protective love, stranded at an unusual boarding school, his vulnerability attracts piano teacher Miss Miriam Cornell, leaving scars as well as a memory of love that will never fade. Now, when his wife vanishes, leaving him alone with his tiny son, Roland is forced to confront the reality of his restless existence. As the radiation from Chernobyl spreads across Europe, he begins a search for answers that looks deep into his family history and will last for the rest of his life. Haunted by lost opportunities, Roland seeks solace through every possible means—music, literature, friends, sex, politics, and, finally, love cut tragically short, then love ultimately redeemed. His journey raises important questions for us all. Can we take full charge of the course of our lives without causing damage to others? How do global events beyond our control shape our lives and our memories? And what can we really learn from the traumas of the past? Epic, mesmerizing, and deeply humane, *Lessons* is a chronicle for our times—a powerful meditation on history and humanity through the prism of one man's lifetime.

Teaching as a Subversive Activity Zondervan
Hailed as one of the greatest novels of all time and a classic of world literature, *War and Peace* is a tale of strivers in a world fraught with conflict, social and political change, and spiritual confusion, Tolstoy's magnificent work continues to entertain, enlighten, and inspire readers around the world. Both an intimate study of individual passions and an epic history of Russia and its people, 'War and Peace' is nothing more or less than a complete portrait of human existence. Among its many unforgettable characters is Prince Andrey Bolkonsky, a proud, dashing man who, despising the artifice of high society, joins the army to achieve glory. Badly wounded at Austerlitz, he begins to discover the emptiness of everything to which he has devoted himself. His death scene is considered one of the greatest passages in Russian literature. Terror swiftly engulfs the country as Napoleon's army marches on Russia, and the lives of three young people are changed forever. The stories of quixotic Pierre,

cynical Andrey and impetuous Natasha interweave with a huge cast, from aristocrats and peasants, to soldiers and Napoleon himself. In *War and Peace* (1868-9), Tolstoy entwines grand themes—conflict and love, birth and death, free will and fate.

Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman." -CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an indictment that Postman has laid down and, so far as I can see, an irrefutable one." -Jonathan Yardley, *The Washington Post Book World*

A layabout mutt turned therapy dog leads her owner to a new understanding of the good life. At loose ends with her daughter leaving home and her husband on the road, Sue Halpern decided to give herself and Pransky, her under-occupied Labradoodle,

a new leash—er, lease—on life by getting the two of them certified as a therapy dog team. Smart, spirited, and instinctively compassionate, Pransky turned out to be not only a terrific therapist but an unerring moral compass. In the unlikely sounding arena of a public nursing home, she led her teammate into a series of encounters with the residents that revealed depths of warmth, humor, and insight Halpern hadn't expected. And little by little, their adventures expanded and illuminated Halpern's sense of what virtue is and does—how acts of kindness transform the giver as well as the given-to. Funny, moving, and profound, *A Dog Walks into a Nursing Home* is the story of how one faithful, charitable, loving, and sometimes prudent mutt—showing great hope, fortitude, and restraint along the way (the occasional begged or stolen treat notwithstanding)—taught a well-meaning woman the true nature and pleasures of the good life.
