*A Novel (Pulitzer Prize for Fiction)*  
Cambridge University  
Press

A young New Yorker grieving his mother's death is pulled into a gritty underworld of art and wealth in this "extraordinary" and beloved Pulitzer Prize winner that "connects with the heart as well as the mind" (Stephen King, New York Times Book Review). Theo Decker, a 13-year-old New Yorker, miraculously survives an accident that kills his mother. Abandoned by his father, Theo is taken in by the

family of a wealthy friend. Bewildered by his strange new home on Park Avenue, disturbed by schoolmates who don't know how to talk to him, and tormented above all by a longing for his mother, he clings to the one thing that reminds him of her: a small, mysteriously captivating painting that ultimately draws Theo into a wealthy and insular art community. As an adult, Theo moves silkily between the drawing rooms of the rich and the dusty labyrinth of an antiques store where he works. He is alienated and in love -- and at the center of a narrowing, ever more dangerous circle. The Goldfinch is a mesmerizing, stay-up-all-night and

---

tell-all-your-friends triumph, an old-fashioned story of loss and obsession, survival and self-invention. From the streets of New York to the dark corners of the art underworld, this "soaring masterpiece" examines the devastating impact of grief and the ruthless machinations of fate (Ron Charles, Washington Post).

Super Minds Cambridge University Press  
Hailed for her rich and powerful works of psychological suspense as well as her New York Times bestselling mysteries, Laurie R. King now takes us to a remote cottage in Cornwall where a gripping tale of intrigue, terrorism, and explosive passions begins with a visit to a recluse upon whom the fate of an entire nation may rest—a man code-named . . . It's eight years after the Great War shattered Bennett Grey's life, leaving him with an excruciating sensitivity to the potential of human violence, and making social contact all but impossible. Once studied by British intelligence for his unique abilities, Grey has withdrawn from a rapidly changing world—until an American Bureau of Investigation agent comes to investigate for himself Grey's potential as a weapon in a vicious new kind of warfare. Agent Harris Stuyvesant desperately needs Grey's help entering a world where the rich and the radical exist side by side—a heady mix of the powerful and the celebrated, among whom lurks an enemy ready to strike a deadly blow at democracy on both sides of the Atlantic. Here, among a titled family whose servants dress in whimsical costumes and whose daughter conducts an open affair with a man who wants to

bring down the government, Stuyvesant finds himself dangerously seduced by one woman and—even more dangerously—falling in love with another. And as he sifts through secrets divulged and kept, he uncovers the target of a horrifying conspiracy, and wonders if he can trust his touchstone, Grey, to reveal the most dangerous player of all . . . Building to an astounding climax on an ancient English estate, Touchstone is both a harrowing thriller by a master of the genre and a thought-provoking exploration of the forces that drive history—and human destinies.
