technical trouble-shooting in order to address the problem correctly on the first attempt.

*A Beginner's Guide to Living in an RV* Jones & Bartlett

Learning

Whether you're downsizing or thrill-seeking—or anything in between—find out if the RV lifestyle is right for you, and learn how to transition from a life of traditional home-ownership to one on the road. Do you love traveling? Meeting new people and

seeing new places? Are you craving a life that feels meaningful and new? The RV lifestyle could be the answer. Both aspirational and practical, *Living the RV Life* is your ultimate guide to living life on the road—for people of all ages looking to downsize, travel, or work on the go. Learn if life in a motor home is right for you, with insightful details on the experiences of full-time RV-ers, tips for how to choose an RV (how big? new or

used?), whether to sell your home (and if not, what to do with it), model costs, sample routes and destinations, basic vehicle maintenance, legal and government considerations—and much more! Written in a light and an easy-to-understand style, *Living the RV Life* is your bible to living a mobile life.

*The Complete Trailer Manual* Dundurn

When you take your four-wheel-drive (4WD) truck or SUV off-road, there is a whole

---

new world to see and experience. The off-road community is huge and welcoming, and there are lifestyle shows to attend and trail-driving events to experience. With seat time and practice, your technical skills will improve. However, do you really want to head into the forest blindfolded? Driving off-road requires much more attention, skills, discipline, and preparation than merely driving around obstacles. Being fully armed with information regarding the most updated techniques is

critical for today's motorized off-road driving enthusiast. The Ultimate Off-Road Driver's Guide covers topics about what to bring along for a trail ride and how to interact with other trail users. This book covers the various 4WD systems and how they work, how to drive on various terrain (mud, sand, snow, and rocks), and what to do when encountering each of those elements. An entire chapter is devoted to getting unstuck. Covered also are ways to communicate when you lose cellular phone

coverage as well as navigation options so that you don't end up lost and on the local news channel. This book is mandatory preparation for your off-road toolbox! Special Purpose Vehicle Training Manual Simon and Schuster Horse Sense provides an in-depth guide to horse care under conditions unique to Australia and New Zealand. It is written in an easy-to-read style to appeal to novices as well as experienced owners and covers all aspects of horse care and management. This new edition

---

provides the latest information on new feeds and supplements, new techniques for handling horses, safe riding, and treating injuries, diseases, worms and other pests. The book also incorporates the latest standards and guidelines for the welfare of horses.
