Passage to Faith is Book 1 in The Faith Today Trilogy series. Passage to Faith explores current scientific evidence supporting the case for the existence of a creator God. It draws on dozens of historical

testimonies of individuals who had encounters with a Supreme Being which influenced them to change their lives, and sometimes the world, for the better. Taking the reader on an evidence-based tour through the cosmos, Lee, qualified in the fields of the philosophy of futures studies, theology, literature and education, reveals a stunning degree of indwelling intelligence and beauty on display throughout the universe and on Earth. He then traces the common ground between the creation account in Genesis in the Bible and scientific cosmology, the Big Bang theory and Albert Einstein's theory of relativity. Lee discusses the faith of a wide range of people from different eras and disciplines to reinforce the conviction that God's redeeming power actively intervenes not just in nature but in history. These examples include, among others, figures from history like Joan of Arc, Nelson Mandela and Barack and Michelle Obama, scientists and mathematicians like Copernicus, Galileo, Kepler, Newton, Faraday, Mendel, Pasteur, Pascal, George Washington Carver, Dr Wernher von Braun, Professor Christiaan Barnard and Francis S. Collins, missionaries like John Wesley, Mother Theresa, Dr David Livingstone,

Dr Albert Schweitzer, and Jackie Pullinger, singers, entertainers, and actors such as Bob Dylan, Johnny Cash, Jim Reeves, Glen Campbell, Alice Cooper, Gary Cooper, John Wayne, Alfred Hitchcock, Mark Wahlberg, Mel Gibson, Sylvester Stallone, and Bear Grylls, men and women from the sports arena like George Foreman, Novak Djokovic, Simona Halep, Margaret Court and Siya Kolisi, as well as astronauts such as Dr Buzz Aldrin, David Randolph Scott and Gene Cernan.

COMING SOON: Book 2, A New Logic to Faith 10% of royalties earned for sales of Passage to Faith will be donated to www.breadlineafrica.org annually

Challenges for International Peace and Security Faith Today Trilogy

The book follows the two children as they embark on an adventure, which begins with the discovery of a hidden witch's haven in a graveyard and Jordan's first encounter with the spirit world - but by know means the first for Sebastian. Then a haunted observatory on the outskirts of town yields a clue - a piece of an intriguing map leading to, what they believe to be, hidden treasure. After collecting the rest of the clues from around the town, Jordan and Sebastian search for the treasure, but instead of rubies, emeralds and gold doubloons, they find themselves lead to a doorway into another world, called the Phantom Realm.

The First 40 Years in Australia Alpha

Katelyn Wolfraum was a MI6 agent with a promising career carving up Nazis until one little "Oops" had the King of England place a shoot-on-sight order on her pretty red head and sent her underground. A few years later, with the Third Reich overrunning the free world, Kat ends up trapped hundreds of hellish North African desert miles behind enemy lines with a motley group of misfits. As they work their way back to friendly lines, they team with "The Long Range Desert Group." Together, they begin a terror campaign against the Germans, shattering Rommel's supply lines, scalping Nazis and driving the Gestapo and SS crazy. Ultimately, Kat gets a chance to redeem herself when she stumbles upon Hitler's plan to use

the most powerful Wunderwaffe in the history of warfare. But she has a small problem... How can a disgraced and wanted ex MI6 assassin convince the British Command that Hitler is about to win the war...

Anne Marie Stanhope, a young American woman
- motherless since the age of three - is
summoned to Mexico City by her estranged
father, Chesterton Stanhope, where she has
been promised in marriage to Frederick Von
Alt, the son of her father's business
partner. As it is 1910 and women were not
equipped to independently earn a living,
Anne Marie dutifully arrives in the capital,
although she is frustrated by her father's
hesitancy to formally introduce her to her
future husband. Disconcerted by her
inability to speak the Spanish language, her
father engages a tutor, Miguel Ruiz, -- an
affluent sophisticate whose politics are in

direct opposition of his social stature.
Enamored by Miguel Ruiz, although betrothed
to Frederick, Anne Marie eventually learns
that she has actually been brought to Mexico
for another purpose, and she does not want
part of it. Eluding her father, she
accidentally finds herself sheltered in a
house of prostitution under the protection
of a kind madame who is acquainted with her
father and Miguel Ruiz. The Revolution
commences and circumstances lead the tutor
to the madame's house where he enlists her
assistance in helping Anne Marie escape the
fate planned by her father. An insurgent
attacks have escalated, the tutor agrees to
accompany Anne Marie to a home in Cuernavaca
owned by a trusted friend of the madame.
While there, Anne Marie ultimately learns
the truth about her mother's untimely death
from a former contact of her father and
comes to realize that she has only one
person on whom she can truly rely: Miguel
Ruiz. A proponent of the poor and landless
peasants, Miguel is commissioned by an old
friend to plan strategies for insurgents
operating in the northern part of Mexico.
After he and Anne Marie trek north, Miguel
learns that he will be involved in planning

strategies and raids not only for his compatriot, but also for one of Mexico's most infamous desperados, Francisco Pancho Villa. Now lovers and committed to each other, Anne Marie blindly accepts Miquel's calling. Eventually, she is presented with a young Indian maid recued in one of Villa's raids. Unaware of the pillaging, raping and shooting that Villa and his men have been conducting in the name of freedom and justice, she is inadvertently exposed to Villa's devastation while seeking medical attention at another village. Pleading with Miquel to stop this carnage, he passionately convinces her that he is only planning strategies. Perceiving the intensity of his fervor, Anne Marie realizes that she cannot dissuade Miquel. After overhearing his plans for a raid by Villa's men on a nearby hacienda, now under the charge of an American Army major assisting the Mexican government in its attempt to diffuse and quell insurgent uprisings, Anne Marie is torn between her loyalty to Miquel and to a United States citizen in imminent danger of attack and death by Villa's insurgents. She decides to help the Army major and sends word to the village via her maid. Her

decision led to an unexpected consequence and changed her life forever.

Richard M. Nixon Haynes Publications

The 2010 Annual Report catalogues the beginning of a new, strategic and transformational direction for UNEP as it began implementing its Medium Term Strategy (MTS) for 2010-2013 across six areas: Climate change; Disasters and conflicts; Ecosystem management; Environmental governance; Harmful substances and hazardous waste; Resource efficiency, Sustainable consumption and production. 2010 was important for many reasons, a year of on-going financial instability set against an increase in the frequency and intensity of natural disasters and shifting weather patterns. UNEP's broad response is catalogued in this 2010 Annual Report report - from global assessments to rapid mechanisms in Haiti in response to the January earthquake and advisory services to countries interested in transitioning to greener economies. This report attempts to set UNEP's work over the last year in context and show its future relevance in meeting the emerging challenges of the coming years. The core objective of the United Nations Environment Programme (UNEP) is to serve as an authoritative advocate for the global environment, To help governments set the global environmental agenda, and to promote the

coherent implementation of the environmental dimension of sustainable development within the United Nations system.

This topical volume covers the intersection between transport and climate change, with papers from the 'Transport & Climate Change' session of the RGS-IBG conference in London, September 2010. It considers the role of transport modes at varying spatial dimensions and a range of perspectives on the relationship between transport and climate change.

God: the illustrated edition Scholastic Paperbacks
The behavioral scientist author of *Just the Way You Are* presents a provocative argument that the quality of one's life is directly related to the focus of one's attention, drawing on the latest findings in neuroscience and psychology to cover

such topics as the human capacity for training concentration, the ways in which the creative mind thinks, and why people deliberate on the wrong factors when making big decisions.
