This is just one of the solutions for you to be successful. As understood, talent does not suggest that you have extraordinary points.

Under-hood & install parts. We all can agree that the 22R family of engines are bulletproof when maintained. One of the reasons why is that Toyota spent the time to engineer it with parts that actually last. We've seen most every version of the aftermarket parts available and 99% of the time, the OE part is still (by far) the best available.
