The fall of man resulted in Adam and Eve losing all consciousness of God. They woke up to self and found themselves imprisoned by a completely new nature—the sin nature—which would poison the entire human race for all time. From then until now, the troubles of the world—wars, man’s inhumanity to man, his dependency on cruel vices, and the habits of hell—are all caused by the sin nature which rules every person. Of course the death and resurrection of Jesus Christ broke the hold of this deadly yoke and repositioned the believer in Christ. So why do Christians struggle so hard to live for God? In this revelatory book, Evangelist Jimmy Swaggart explains how the sin nature, which remains in Christians, can be reactivated, and how victory over the world, the flesh, and the Devil can only be maintained through faith in the Cross of Christ.
