Toyota Yaris - Wikipedia

The indicator light stops flashing after the ENGINE START STOP switch has been turned to ACCESSORY or IGNITION ON mode to indicate that the system has been canceled. Vehicles without a Smart Key System: The indicator light flashes after the key has been removed from the engine switch to indicate that the system is operating.
Toyota Echo Problems and Complaints - 6 Issues
Toyota Echo 2004 Hatchback "Check Engine" light on. Hello Pierre, My 2004 echo has the check engine light on. I also noticed that my oil light was on as well as my battery light would not turn off, and also the airbag light. I was having a hard time to start the car so I got someone to give me a battery boost. Is this a case of low battery power?
