Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition

(9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

Nineteenth Century Collections Online: European Literature, 1790-1840: The Corvey Collection includes the full-text of more than 9,500 English, French and German titles. The collection is sourced from the remarkable library of Victor Amadeus, whose Castle Corvey collection was one of the most spectacular discoveries of the late 1970s. The Corvey Collection comprises one of the most important collections of Romantic era writing in existence anywhere -- including fiction, short prose, dramatic works, poetry, and more -- with a focus on especially difficult-to-find works by lesser-known, historically neglected writers. The Corvey library was built during the last half of the 19th century by Victor and his wife Elise, both bibliophiles with varied interests. The collection thus contains everything from novels and short stories to belles lettres and more populist works, and includes many exceedingly rare works not available in any other collection from the period. These invaluable, sometimes previously unknown works are of particular interest to scholars and researchers. European Literature, 1790-1840: The Corvey Collection includes: * Novels and Gothic Novels * Short Stories * Belles-Lettres * Short Prose Forms * Dramatic Works * Poetry * Anthologies * And more Selected with the guidance of an international team of expert advisors, these primary sources are invaluable for a wide range of academic disciplines and areas of study, providing never before possible research opportunities for one of the most studied historical periods.

In this riveting tale we meet two couples caught in a web of conflicting passions, Diving instructor Sven Fiedler and his girlfriend, Antje, who live and work on the Spanish island of Lanzarote. When a tourist couple—Jola, a soap opera actress, and Theo, a stalled novelist—arrive for an intensive two-week diving experience, Sven is captivated by Jola's beauty and evident wealth. Theo suspects that Sven and Jola have begun an affair, but oddly, he seems to encourage them. Antje looks on, increasingly wary of these new clients. Cycling through different points of view, we are constantly kept guessing about who knows what—and who is telling the truth. A brutal game of temptation and manipulation

unfolds, pointing toward a violent end—but a quiet one, underwater, beneath the waves.

The book follows the two children as they embark on an adventure, which begins with the discovery of a hidden witch's haven in a graveyard and Jordan's first encounter with the spirit world - but by know means the first for Sebastian. Then a haunted observatory on the outskirts of town yields a clue - a piece of an intriguing map leading to, what they believe to be, hidden treasure. After collecting the rest of the clues from around the town, Jordan and Sebastian search for the treasure, but instead of rubies, emeralds and gold doubloons, they find themselves lead to a doorway into another world, called the Phantom Realm.

Dodging the Toxic Bullet presents workable strategies that show how we can live longer, healthier lives by breathing clean air, eating healthy food, drinking safe water, and using non-toxic products.

Author David R. Boyd provides accessible background on a range of hazards including mercury in fish, carcinogens in cleaning products, lead in toys, and lethal E. coli in ground beef. His clear directions for reducing risk include growing lots of houseplants, choosing whole foods, avoiding consumer products with strong or long-lasting smells, and using green cleaning products. Easy-to-follow advice and informative sidebars and checklists make this a must-have guide, especially for parents of infants and children.

Katelyn Wolfraum was a MI6 agent with a promising career carving up Nazis until one little "Oops" had the King of England place a shoot-on-sight order on her pretty red head and sent her underground. A few years later, with the Third Reich overrunning the free world, Kat ends up trapped hundreds of hellish North African desert miles behind enemy lines with a motley group of misfits. As they work their way back to friendly lines, they team with "The Long Range Desert Group." Together, they begin a terror campaign against the Germans, shattering Rommel's supply lines, scalping Nazis and driving the Gestapo and SS crazy. Ultimately, Kat gets a chance to redeem herself when she stumbles upon Hitler's plan to use the most powerful Wunderwaffe in the history of warfare. But she has a small

problem... How can a disgraced and wanted ex MI6 assassin convince the British Command that Hitler is about to win the war...
