I understand that the VSC light is designed to come on (the VSC system is disengaged) when the Check Engine light comes on for another problem as it did in this case, however, I expected the VSC light to go off when the hose was reattached.

*Toyota/Lexus "VSC Off" & "Check Engine" Lights On*  
VSC helps prevent wheel slip and loss of traction by reducing engine power and applying brake force to each of the four wheels individually. To do this, Toyota's VSC system takes into consideration many sensors like the Yaw Rate

sensor, steering angle sensor, ABS and traction control sensors.

The VSC and Check engine light typically don't come on until after 150-200 miles after the vacuum hose was pulled out The fix: on the right-hand-side of the engine compartment behind the big plastic

housing that holds the air filter you will find a black rubber hose that is not connected to anything.

**(Part 3) How To Fix Your Check Engine, VSC, Trac Off Warning Lights**

Yes they are related, usually the VSC (vehicle skid control ) warning light will turn on when the check engine light turns on, this is so because the VSC is disabled as soon as

the check engine light turns on, the engine light should be diagnosed first and corrected, this can be done by connecting a diagnostic scan tool to get the trouble codes, I recommend you see the Toyota dealer for this.

**Toyota Highlander Check Engine and VSC light, and code P0442**  
I'm so glad to find out it's not just me. My 2003 Toyota Highlander AWD, has 68K, and my check engine light has been on for a year and I have been told there are two possible reasons, the O2 sensor or the fuel ratio sensor. Based on the posts that I have read, I am leaning

towards the O2 sensor as being the problem.  
*SOLVED: 2008 highlander has check engine light and vsc off ...*

Most Toyota owners will find that when the Check Engine and VSC lights are lit, there is a problem with an O2 Sensor or gas cap. Try tightening or replacing the gas cap for a hopefully cheap fix. To be sure of the problem you may want to take your
