- A complete history of these impressive vehicles which includes technical specs of all models and production lines- Includes a separate timeline-poster of the history of the Land Cruiser- Revised and extended edition
Developed in 1951 as Toyota's version of a Jeep-like vehicle, the Land Cruiser has been produced in convertible, hardtop, station wagon and utility truck versions plus its current flagship 4WD vehicle. Its reliability and longevity has led to huge popularity, especially in Australia where it has reliably performed under the toughest environmental conditions - "Gets you there ... gets you back"! The

author, Alexander Wohlfahrt, tells the history of these impressive vehicles, describes the people who drive them and their philosophy of this type of car - whether they use it for fun or business. Last but not least the reader will also find the complete technical specifications of all models and production lines within this highly illustrated book.

The first Land Cruiser appeared at about the same time as the Land-Rover. Styling changes occurred in 1952 with the modern range designated F25s and F28s. The FJ43 appeared in the mid-1960s, the 40 and 45 Series in Australia in 1967/8. The FJ55 was introduced in 1969, the 43 series continued

to be made in Japan and the 40 and 45 Series had improvements made throughout the 1970s. Production of the FJ55 ceased in 1980 to be followed by the Series 60. This was only available with an in-line, six-cylinder engine of 3980cc. A generous five-seater, and good load carrier, there were few changes made to it after production commenced. This is a book of contemporary road & comparison tests, new model introductions, technical & specification data, driving impressions, of road tests, long-term reports, buying second

hand. Models covered include:- FWD Pick-up, Station Wagon, LX, De Luxe, Diesel.
