The Toyota Prius has long been associated with hybrid motoring. Ever since the first-generation model debuted in Japan in 1997, and in the UK from 2000, it has become a household name associated with greener motoring and favoured by those after a comfortable, efficient and fuss-free way to get around. Currently it's in its fourth generation, introduced in 2016, but this guide focuses on the third-generation model, which was produced from 2009 to 2016.
