It is your agreed own times to doing reviewing habit. in the course of guides you could enjoy now is **Toyota R22 Engine Carburetor Rebuild Diagram** below.

Toyota head removal and rebuild part 1

I have a 1984 Toyota 4x4 Pickup. 22R engine. It is running but has drivability issues. The engine runs fine at any RPM when it has no load, as soon as I let out the clutch and load it up it bogs down and has no power. It really seems to be a fuel delivery issue, but I cleaned and rebuilt the carb and replaced the fuel filter with no improvement.
