My check engine light came on a week and a half ago. It came on after I got bored at a stop light and turned off the overdrive and then back on (don't think this had anything to do with it). I stopped at an Autozone a few days later and had it checked out when I got my mom's car a new alternator,

and a code didn't show up. Engine Light Is On: 2016-2019 Toyota Tacoma - What to Do ... Toyota Check Engine Light Answers.
