Dangerous Engagement L.D. Hall

I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like

things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in My Dad's Business Partner, but both books are standalones and can be read on their own. You'll love them, I promise! Xoxo, Cassandra

In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular Cupcakes at Carrington's series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale, where the residents share her obsession with knitting. When life unravels, it's time to knit... Sybil has always taken comfort in her passion for knitting,

creating beautiful knits stitch by stitch. But her world suddenly unravels when her fiancé ditches her for her identical twin sister at her Star Wars-themed wedding, leaving her sporting a Princess Leia do. Then things go from bad to worse when an incident at work jeopardizes her job. Hoping to escape her woes and forget that she'll be alone for Christmas this year, she visits her friend in Tindledale—a winter wonderland of quaint shops and snowy rooftops. When she arrives in the idyllic town, she can't help feeling like she's in a Hallmark greeting card. She's embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them. So when the vintage boutique asks her to make an assortment of knits for their display window, she's thrilled. The hot town doctor has even taken an interest in Sybil, hoping to heal her broken heart. But just when Sybil thinks she's going to have her fairytale Christmas after all, an unexpected turn of events threatens to unspool her happily ever after.
