At his Camp Jeep workshops, Moses discovered that hobbyists and professional Jeep vehicle mechanics alike want heavily illustrated, step-by-step 'how-to' manuals. For the Jeep vehicle owner who finds the typical workshop manual impossible to decipher, Moses Ludel breaks ground with this book. The author and photographer/illustrator of more than 2,500 magazine tech articles and five popular "Owner's Bible books, Moses undertook the "Jeep CJ Rebuilder's Manual to meet the needs of Jeep vehicle owners and restorers. Extract from the Preface: '1. What the book covers This book is about day trading. Using the price action itself, rather than any of the usual array of indicators based on it. The US 30-year Treasury Bond Futures is the favoured instrument - the T-Bonds, as they are commonly called. There are good reasons for choosing this instrument to learn to trade - one being that they do not require a detailed knowledge of bonds themselves. The other attractions, whether you are a beginner or a seasoned veteran, are to do with liquidity, range, behaviour, patterns and the price action displayed at the key support and resistance points it encounters. Most days the T-bonds offer trading opportunities which can be taken within a money management environment that can give you an edge for profit - and this book has been designed to show you how to do just that. Fully illustrated with charts taken from a live trading screen and displayed in exactly the way you would have

seen them for yourself, on your computer monitor. What you see is not just what happened, in detail, but also clear evidence of just how you could have profited yourself from each trading situation.2. Who the book is forThis book has been written for anyone wishing to day trade, using a discretionary method, rather than a mechanical system. It is a learning tool which should commend itself to the experienced trader, as much as to someone new to this business. Certainly I hope that any raw recruit would find it an easy read, even if it took a while longer to digest the subject matter as a whole.3. How the book is structuredThe seasoned trader will probably start by skip reading, to see if he can cut to the chase quickly. The less experienced will immediately see - from the detail of the charts alone - that there is a great deal of info

Jesus willingly endured unimaginable depths of suffering for his friends. John 13:1 says he loved us to the uttermost. To love to the uttermost is to love freely, without reserve or limit, and without

flaw or failure. As we journey with Jesus for eight days-from Palm Sunday to Easter Sunday-from triumphal entry, to arrest and trial, to death and burial and triumphant resurrection, we gaze on a God-man who begrudges no pain or reproach on his pathway to redeem lost sinners. Here is the one who "humbled himself by becoming obedient to the point of death, even death on a cross" (Philippians 2:8). In *Love to the Uttermost: Devotional Readings for Holy Week*, John Piper calls you to fix your eyes steadily on Jesus as he loves you to the uttermost.
