About the Author - Trading Bases

Peta's approach is helpful to understanding statistical analysis in any field, not just the chosen baseball specialty. He applies the same approach to Wall Street trading results and showing how using profit-and-loss results to assess a manager's performance can be as misleading as using wins to identify a team's best pitcher.

Book review: Trading Bases by Joe Peta | Sports Chump

Such is the case with Joe Peta ' s Trading Bases: A Story about Wall Street, Gambling and Baseball (not necessarily in that order). Peta is a former high-stakes, Wall Street broker. He ' s also passionate about his baseball. One afternoon in 2011, Peta was struck by an ambulance in downtown Manhattan. [I trade my own account for a living. Tell your story ...](#)

Of course, that doesn ' t tell the whole story of a team ' s hitting prowess, as the calculation for batting average (hits/at-bats) treats all hits exactly the same. A .247-hitting team with a lot of home runs and other extra-base hits will score a lot more runs than a .247 team that hits a lot of singles.

[Joe Peta; Fred Sanders; Books on Tape, Inc.] -- An ex-Wall Street trader improved on "Moneyball's" famed sabermetrics to place bets that would beat the Vegas odds on Major League Baseball games--with a 41 percent return in his first year.

TRADING BASES by Joe Peta | Kirkus Reviews

Whilst Trading Bases is primarily about baseball, due to Peta ' s employment background, it will quite often refer back to lessons learnt while working at Lehman Brothers. In addition to being an expert in risk analysis, Peta ' s use of basis points as a staking method became key to developing the winning model his betting hedge fund followed.

So do you guys trade your own account for a living ? I welcome all your excellent input, but if John and Bob's stories are theoretical academic-

level scenarios they are outside the thread's scope in the sense that the idea is to share personal real life experience from a practical point of view.

Trading bases : a story about Wall Street, gambling, and ...

Trading Bases is a story about what everyone dreams of - applying the skill sets from your profession to something you love outside of work and being able to profit from it. While I thought this was an interesting read, I felt like the stories were jumbled and didn't tie together.

Trading Bases A Story About

The Seduction Of Day Trading. And that's what day trading is all about," he says. The mood at the office where Glick trades is serious, but perhaps not as tense as you might expect, given a national study of day trading. That study found that 70 percent of day traders actually lose money.

Trading Bases book review | A look at Joe Peta's baseball ...

In Trading Bases, Peta takes us on his journey from the ballpark in San Francisco to the trading floors and baseball bars of New York and the sportsbooks of Las Vegas, telling the story of how he created a baseball " hedge fund " with an astounding 41 percent return in his first year.

And he explains the unique methods he developed.
