A novel full of grand passion and intensity, The Soldier's Wife asks "What would you do for your family?", "What should you do for a stranger?", and "What would you do for love?" As World War II draws closer

and closer to passing week. Though Guernsey, Vivienne de Vivienne knows the la Mare knows that perils of her love there will be affair with Gunther, sacrifices to be she believes that she made. Not just for can keep their herself, but for her relationship--and her two young daughters family--safe. But and for her mother-in-law when she becomes law, for whom she aware of the full cares while her brutality of the husband is away Occupation, she must fighting. What she decide if she is does not expect is willing to risk her that she will fall in personal happiness love with one of the for the life of a enigmatic German stranger. Includes a soldiers who take up reading group guide residence in the for book clubs. house next door to Trading Up Hyperion her home. As their What exactly is relationship goodness? Where is it intensifies, so do found in the literary the pressures on imagination? Toni Vivienne. Food and Morrison, one of resources grow scant, American letters ' and the restrictions greatest voices, placed upon the pondered these residents of the perplexing questions in island grow with each her celebrated Ingersoll

Lecture, delivered at Harvard University in 2012 and published now for the first time.

Perhaps because it is overshadowed by the more easily defined evil, goodness often escapes our attention. Recalling many literary examples, from Ahab to Coetzee's Michael K, Morrison seeks the essence of goodness and ponders its significant place in her writing. She considers the concept in relation to unforgettable characters from her own works of fiction and arrives at conclusions that are both eloquent and edifying. In a lively interview conducted for this book, Morrison further elaborates on her lecture's ideas, discussing goodness not only in literature but in society and

history—particularly black history, which has responded to centuries of brutality with profound creativity. Morrison's essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation, together with close examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the

contributors engage the religious orientation in Morrison ' s novels so that readers who encounter her many memorable characters such as Sula, Beloved, or Frank Money will learn and appreciate how Morrison ' s notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

The Carrie Diaries

Hachette Books

A sparkling first novel by Natalie Krinsky, the witty, provocative sex columnist for the Yale Daily News. Chloe Carrington is a typical Yale student, except that along with toiling through the usual grind of coursework, she pens a notorious and much-dished-over sex column for the campus newspaper. This touch of

fame has wrought havoc on her social and love life, turning it literally into an open book. Chloe doesn't help matters much; she likes to share and can't resist divulging the gory details of her most recent date (or lack thereof) in her column, baring her soul for all to see. Like her friends, she dreams of hooking up with Mr. Right, at least for a little while--but that proves even more arduous than participating in Yale's notorious "shopping" session (a two-week period in which students are encouraged to take as many classes as possible, in order to decide what courses to enroll in for that semester). As Chloe probes the campus hot spots, we get a peek at just what goes on behind

the Ivy League's dormitory doors--from drinking at Toad's to "Exotic Erotic" (Yale's answer to a Hugh Hefner's style Playboy party, complete with coeds in skimpy bikinis). Teeming with exuberance and late-night shenanigans, Natalie Krinsky's novel is filled with humor and candor about typical college situations both inside and outside the dorm room.

Is There Still Sex in the City?

Hachette UK

The #1 New York Times bestselling prequel to *Sex and the City* is now a hit CW TV series! Get a sneak peek at the first two chapters of the novels that inspired the show: *The Carrie Diaries* is the coming-of-age story of Carrie Bradshaw, one of the most iconic characters of New York City and our generation. Before *Sex and the City*,

Carrie was a small-town girl who knew she wanted more. She's ready for real life to start, but first she must navigate her senior year of high school. *Summer in the City*, the sequel to *The Carrie Diaries*, brings surprising revelations as Carrie learns to navigate her way around the Big Apple, going from being a country "sparrow"—as Samantha Jones dubs her—to the person she always wanted to be. With her signature wit and sparkling humor, Candace Bushnell reveals the irresistible story of how Carrie met Samantha and Miranda, and what turned a small-town girl into one of New York City's most unforgettable icons, Carrie Bradshaw.

"Relationships in New York are about detachment, so how do you get attached when you decide you want to?" "Honey, you leave town." Meet Carrie, Miranda, Sam and their stylish friends. Successful, attractive, thirty-something career women living the high life in New York; blazing a glorious cocktail trail from the Bowery Bar to the Baby Doll Lounge; holidaying in the Hamptons

and going to Aspen by Lear Jet. But they have more in common than just their enviable lifestyle; they're all searching for lasting love. Finding it is easier said than done in a town full of gorgeous, single, rich men, none of whom want to settle down. Toxic bachelors and serial daters are a perennial problem - but maybe Mr. Big will be different?

Lipstick Jungle Hachette UK

To everyone who's anyone in New York City Victory Ford, Wendy Healy and Nico O'Neilly are the beautiful face of success in the city. Victory is the hottest new designer on the block, Wendy is President of Parador Pictures with a sure-fire hit in production and Nico is the editor of BONFIRE magazine. The trouble is, from where Victory, Nico and Wendy are standing things don't look quite that way. Nico is fitting in guilty extra-

marital sex with an underwear model. Victory's last collection bombed and Wendy's twelve-year marriage to her metrosexual househusband is in freefall. Candace Bushnell's new heroines are irresistible, and as she follows them through the minefield of work, love and life at the top she gives us a hugely entertaining lesson on how to stay ahead in the toughest town on the planet.

The Debutante Divorcee

HarperCollins

Candace Bushnell is turning heads . . . The New York Times bestseller, now in paperback. When *Trading Up* was published in July, readers from coast to coast devoured the sharp-witted, Jane Austinesque story of Janey Wilcox's unsteady climb to the top of Manhattan's social scene. It became THE hot book -- and the numbers prove it: We've sold more than 250,000 copies to date. To top it off, Candace

Bushnell was the apple of the press's eye. Her signature glamour, poise, and humor lit up TV screens, newspapers, and magazines across America. While Janey Wilcox may want to be on top, it's clear that Candace Bushnell's *Trading Up* IS on top. With an even wider paperback audience, who knows how much higher she can climb

Bergdorf Blondes Abacus

The third book in the sweeping, multi-generational saga that began with *The Tea Rose*, *The Wild Rose* is a "lush story of epic proportions" (Romantic Times Book Review). *The Wild Rose* is a part of the sweeping, multi-generational saga that began with *The Tea Rose* and continued with *The Winter Rose*. It is London, 1914. World War I looms on the horizon, women are fighting for the right to vote, and

explorers are pushing the limits of endurance in the most forbidding corners of the earth. Into this volatile time, Jennifer Donnelly places her vivid and memorable characters: Willa Alden, a passionate mountain climber who lost her leg while summiting Kilimanjaro with Seamus Finnegan, and who will never forgive him for saving her life; Seamus Finnegan, a polar explorer who tries to forget Willa as he marries a beautiful young schoolteacher back home in England; Max von Brandt, a handsome German sophisticate who courts high society women, but has a secret agenda in wartime London. Many other beloved characters from *The Winter Rose* continue their adventures in *The Wild Rose* as well. With myriad twists and turns, thrilling cliffhangers, and fabulous period detail and atmosphere, *The Wild Rose* provides a highly satisfying conclusion to an unforgettable trilogy.

99 Days Hachette Books

A fan's resource for the award-winning cable television program features information about the show's actors, producers, costume designers, and sets, and provides summaries of each season and interviews with the cast.

Crown

A follow-up to *Irish Girls About Town* and *Scottish Girls About Town* journeys across the Atlantic to present a collection of sixteen tales from some of America's most popular women authors, including Adriana Trigiani, Jennifer Weiner, Quinn Dalton, Judi Hendricks, Lauren Henderson, Lauren

Weisberger, Nancy Sparling, and others. Reprint.

The Right Address Simon and Schuster

The Carrie Diaries is the coming-of-age story of one of the most iconic characters of our generation. Before *Sex and the City*, Carrie Bradshaw was a small-town girl who knew she wanted more. She's ready for real life to start, but first she must navigate her senior year of high school. Up until now, Carrie and her friends have been inseparable. Then Sebastian Kydd comes into the picture, and a friend's betrayal makes her question everything. With an unforgettable cast of characters, *The Carrie Diaries* is the story of how a regular girl learns to think for herself and evolves into a sharp, insightful writer. Readers will learn about her family background, how she found her writing voice, and the indelible impression her early

friendships and relationships left on her. Through adventures both audacious and poignant, we'll see what brings Carrie to her beloved New York City, where her new life begins.

American Girls about Town

Simon and Schuster

Twenty years after her sharp, seminal first book *Sex and the City* reshaped the landscape of pop culture and dating with its fly on the wall look at the mating rituals of the Manhattan elite, the trailblazing Candace Bushnell delivers a new book on the wilds and lows of sex and dating after fifty. Set between the Upper East Side of Manhattan and a country enclave known as The Village, *Is There Still Sex in the City?* follows a cohort of female friends—Sassy, Kitty, Queenie, Tilda Tia, Marilyn, and Candace—as they navigate the ever-modernizing phenomena of midlife dating

and relationships. There ' s
“ Cubbing, ” in which a
sensible older woman suddenly
becomes the love interest of a
much younger man, the
“ Mona Lisa ” Treatment—a
vaginal restorative surgery
often recommended to middle
aged women, and what it ' s
really like to go on Tinder
dates as a fifty-something
divorcee. From the high highs
(My New Boyfriend or MNBs)
to the low lows (Middle Age
Madness, or MAM cycles),
Bushnell illustrates with humor
and acuity today ' s
relationship landscape and the
types that roam it. Drawing
from her own experience, in *Is
There Still Sex in the City?*
Bushnell spins a smart, lively
satirical story of love and life
from all angles—marriage and
children, divorce and
bereavement, as well as the
very real pressures on women
to maintain their youth and
have it all. This is an
indispensable companion to

one of the most revolutionary
dating books of the twentieth
century from one of our most
important social
commentators.

Carrie Diaries TV Tie-in Sampler Trading UpA Novel

From one of the most
consistently astute and
engaging social
commentators of our day
comes another look at the
tough and tender women of
New York City--this time,
through the lens of where
they live. One Fifth Avenue,
the Art Deco beauty
towering over one of
Manhattan's oldest and
most historically hip
neighborhoods, is a one-of-a-
kind address, the sort of
building you have to earn
your way into--one way or
another. For the women in
Candace Bushnell's new
novel, *One Fifth Avenue*,

this edifice is essential to the lives they've carefully established--or hope to establish. From the hedge fund king's wife to the aging gossip columnist to the free-spirited actress (a recent refugee from L.A.), each person's game plan for a rich life comes together under the soaring roof of this landmark building. Acutely observed and mercilessly witty, *One Fifth Avenue* is a modern-day story of old and new money, that same combustible mix that Edith Wharton mastered in her novels about New York's Gilded Age and F. Scott Fitzgerald illuminated in his Jazz Age tales. Many decades later, Bushnell's New Yorkers suffer the same passions as those fictional Manhattanites from eras past: They thirst for power, for social prominence, and for marriages that are successful--at least to the public eye. But Bushnell is an original, and *One Fifth Avenue* is so fresh that it reads as if sexual politics, real estate theft, and fortunes lost in a day have never happened before. From *Sex and the City* through four successive novels, Bushnell has revealed a gift for tapping into the zeitgeist of any New York minute and, as one critic put it, staying uncannily "just the slightest bit ahead of the curve." And with each book, she has deepened her range, but with a light touch that makes her complex literary accomplishments look easy. Her stories progress so nimbly and ring so true that it can seem as if anyone might write them--when, in fact, no one writes novels quite like Candace Bushnell.

Fortunately for us, with *One Fifth Avenue*, she has done it again.

One Fifth Avenue Tachyon Publications

This is the book fans of Candace Bushnell have been waiting for. From the author of *Sex and the City*, *Lipstick Jungle*, and *The Carrie Diaries* comes an addictive story about fame, love, and foolishness that will keep readers enthralled to the very last enticing scene. Pandy "PJ" Wallis is a renowned writer whose novels about a young woman making her way in Manhattan have spawned a series of blockbuster films. After the success of the *Monica* books and movies, Pandy wants to attempt something different: a historical novel based on her ancestor Lady Wallis. But Pandy's publishers and audience only want her to keep cranking out more *Monica*-as does her greedy husband, Jonny, who's gone deeply in debt to finance his new restaurant in Las Vegas. When her marriage crumbles and the boathouse of her family home in

Connecticut goes up in flames, Pandy suddenly realizes she has an opportunity to reinvent herself. But to do so, she will have to reconcile with her ex-best friend and former partner in crime, SondraBeth Schnowzer, who plays Monica on the big screen-and who may have her own reasons to derail Pandy's startling change of plan. In *Killing Monica*, Candace Bushnell spoofs and skewers her way through pop culture, celebrity worship, fame, and the meaning of identity. With her trademark humor and style, this is Bushnell's sharpest, funniest book to date

The Custom of the Country (郷土風俗) University of Virginia Press

Last year, Molly Barlow did something terrible. Then, her mother wrote a book about it. And so everyone in their tiny hometown found out that Molly cheated on her childhood sweetheart, the love of her life, her best friend with his brother. After spending

senior year at a boarding school
in the middle of nowhere,
Molly now has ninety-nine
days to endure back in her
hometown before she can
escape to college. Ninety-nine
days of being the most hated
person in town. Ninety-nine
days to heal the hurt she's
caused. Ninety-nine days to
figure out what she wants, and
who she loves ... 99 Days will
captivate fans of John Green
and 100 Days of Summer
