The unfathomable rate of Black males in education should result in a national call to action. Across the country Black males represent only 2% of the teaching workforce. By the year 2024, minority students will be the majority, yet our current education workforce does not reflect this growing trend in what has been called "The Browning of America." Why is it acceptable that a student can matriculate from Kindergarten through twelfth grade and not have one Black male as his or her teacher? Why has it been a challenge to recruit and in many instances retain Black males in the classroom? Unopened Books explains what is referenced in the book as the Five Black Male Deterrents in Education. Through the personal narrative of Jermaine D. Gassaway, a native Washingtonian, educator, and school leader; coupled with practical solutions, Unopened Books provides insight to multiply the 2%. It is intended to not only be a provocative conversation starter but an actionable approach to increase the number of Black men in the classroom.

Teachers, principals, school administrators, even school support staff know that it "takes a village to educate a child". Unfortunately, educators, parents and tax payers are often on different sides of issues, and work at cross purposes. Teachers get frustrated and stressed, and parents get angry, upset, and often aggressive and hostile towards school staff, often because they care so much. In this practical and hands-on book, teachers, administrators and school staff can learn to deal with even the most difficult parents, even those who are insulting and challenging. You'll learn over 100 hands-on, practical tactics to: Take control of difficult conversations with parents Maintain your own self-

control when interacting with upset, and even abusive parents and members of the community. Reduce the time and stress involved in dealing with uncooperative parents. Apply the Psychology of anger, and basic psycholinguistic elements to establish rapport and bridges when conflict happens. Apply basic principles of Jiu_Jitsu and Aikido to difficult conversations. Stop verbal abuse cold, while maintaining a professional demeanor and focusing on the welfare of the student. Handle non-verbal intimidation tactics smoothly and safely. Set limits and apply them to difficult interactions when the gentler methods of verbal self-defense fail.
