Trail of Kisses (Hot on the Trail, #1) by Merry Farmer
Trail of Kisses is a historical romance set in the early 1800s in the US. I'm a big fan of western romances and was very excited to read this one after reading the blurb. The story is about Lynne

Tremain, the daughter of a judge who sentenced to death a couple of gang members, who in return are threatening to murder the judge's family in

revenge.
