"Griffin offered to take me home but I refused, knowing he needed to get Vanessa home. I walked to my apartment and took a short cut down an alleyway. That was the worst mistake of my life. Four men grabbed me. I fought them off, but when the barrel of a gun was pressed between my eyes, I knew the game was up. But then a man appeared from the shadows and scared the men away like rats. Tall, dark, and handsome. His name is Bosco Roth. He just saved my life, but he didn't do it for free. He wants something in return. A kiss. A hot and passionate kiss right up against the wall. But that kiss is just the beginning"--

The Country Beyond Kylie Scott LLC

An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

Foxy in Lingerie Canelo

I'm the type of girl who's given up on fairy tales. So when Beck – the hot new busboy at work – starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier. "Rich Boy takes you on a literal ride! Funny. Angry. There's mean rich people and people you root for. It's a definite recommend from me! –Tijan, New York Times bestselling author "Rich Boy was witty, exciting and had the most intense slow burn romance I've read in a long time. The complexity of the characters was refreshing and made me wish for more!"—Audrey Carlan, #1 New York Times bestselling author

Nothing But a Rakehell John Wiley & Sons

From the author of A Rogue 's Rescue comes another Classic Regency Romance novella celebrating the world first introduced by Jane Austen. Strong-willed and intelligent, Lady Theresa is tired of spending her days listening to the gossiping village spinsters talk about the mysterious gentleman who just moved into the village. Known to be headstrong, and happily unattached, she takes it upon herself to call on the new resident and find out if the awful rumors about his family are true. The Honourable Mr. Martindale welcomes life as a recluse. A widower, he 's made his fortune and now hopes to dedicate his time to working the land and raising his two young children—free of interference from the locals. When Lady Theresa comes marching up to his door, it 's the last thing Martindale wants, a husband hunter who thinks she can tell him how to raise his children and, worse, how he should comport himself. Yet before long Lady Theresa has worked her way into Martindale 's quiet life and hatched an outrageous plan to win the village 's approval for both the man and his unusual children. But what she fails to see is how badly the plan could backfire, or how it could jeopardize her own place in a family she has come to cherish—and in the heart of the man she has come to love. This novella was originally published under the title "A Father 's Love."
