NATIONAL BOOK CRITICS CIRCLE
AWARD WINNER • A murder tale "from inside
the house where murder is born." Haunting,
harrowing, and profoundly affecting, Shot in the
Heart exposes and explores a dark vein of
American life that most of us would rather ignore.
It is a book that will leave no reader unchanged.
Gary Gilmore, the infamous murderer
immortalized by Norman Mailer in The
Executioner's Song, campaigned for his own death
and was executed by firing squad in 1977. Writer
Mikal Gilmore is his younger brother. In Shot in
the Heart, he tells the stunning story of their wildly
dysfunctional family: their mother, a black sheep
daughter of unforgiving Mormon farmers; their
father, a drunk, thief, and con man. It was a family
destroyed by a multigenerational history of child
abuse, alcoholism, crime, adultery, and murder.
Mikal, burdened with the guilt of being his father's
favorite and the shame of being Gary's brother,
gracefully and painfully relates his story "from
inside the house where murder is born... a house
that, in some ways, [he has] never been able to
leave." Shot in the Heart is the history of an
American family inextricably tied up with violence,
and the story of how the children of this family
committed murder and murdered themselves in
payment for a long lineage of ruin.
