In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's *Commentary on Micah* quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

An extraordinary stone box was recently discovered in Jerusalem--the bone-box of "James, son of Joseph, brother of Jesus." This is his story . . . It's the year A.D. 57 and Jerusalem teeters on the brink of revolt against Rome. James, leader of the Jewish Christian community, has an enemy in high places. And two very strange friends . . . Rivka Meyers is a Messianic Jewish archaeologist from California, trapped in first-century Jerusalem by a physics experiment gone horribly wrong. Ari Kazan is her husband, an Israeli physicist slowly coming to grips with his Jewish heritage--and with a man named Jesus he was raised to hate. With no way back to their own century, Rivka and Ari seek their niche in this doomed city of God. Ari applies his knowledge of physics to become an engineer, a man of honor. Rivka feels increasingly isolated in a patriarchal culture that treats women like children. She knows what's coming--siege, famine, fire. At first, her warnings earn her grudging respect as a "seer woman." But when one of her predictions misses, the city scorns her as a false prophet. Rivka knows that an illegal trial and execution awaits James, son of Joseph, brother of Jesus. Can she prevent this disaster? Will James believe her "premonition"? Or is Ari right that Rivka's meddling in history will only . . . make matters worse?

What If? What if you were studying for your Ph.D. in archaeology and somehow got trapped in first-century Jerusalem after a controversial physics experiment went horribly wrong? What if you knew from your history books that a kind and decent man was going to be murdered by the powers-that-be, all because of stupid politics? What if you could prevent the murder, but you knew it might endanger the person you loved most in the world? It's A.D. 57 and Rivka Meyers desperately wants to go home, but her husband Ari is a physicist, and he says they're stuck in the first century. He also says that the laws of physics say Rivka can't change history. Rivka knows he's wrong, and she's going to prove it--by saving James the brother of Jesus from being murdered by the evil high priest. About The Book: *Premonition* is a time-travel suspense novel that mixes science, history, religion, romance, and adventure. It's about becoming the person you were meant to be. It's about learning to accept harsh reality when you'd really rather quit and go home. It's about being a badass fighter for justice, even when you're fresh out of easy answers to hard questions. *Premonition* won the 2004 Carol award for best Christian historical novel. *Premonition* will take you on a wretched, miserable, dangerous vacation through the filthy, bandit-ridden streets of first-century Jerusalem. *Premonition* is the second novel in the *City of God* series: Book 1: *Transgression* (A.D. 57) Book 2: *Premonition* (A.D. 57-62) Book 3: *Retribution* (A.D. 62-66) Excerpt Rivka stepped into the street. "Come here, little girl. I'll help you." Fear twisted the girl's face. She backed away. "Imma!" Rivka followed her. "I won't hurt you! I'll help you find your Imma." The child backed up further, stepping into the shadows of the narrow street. Rivka hurried forward. "I won't hurt-" A shadow lunged toward her. Rivka screamed, spun, stumbled. Her oil lamp flew against the wall, broke into a thousand shards. The shadow fused into a grubby, bearded man with a very dirty face. Strong hands pinned her arms to her sides. "Get away from me!" Rivka kicked furiously. "Ari! Help! Baruch!" She twisted her head, trying to butt the man. Several men emerged from the shadows and surrounded her. Strong hands grabbed her hair and yanked back, stretching her neck painfully. A cold metal blade pressed against her throat. Click the book cover in the upper left corner to read more.

"Ari!" she screamed. "Help!" She raced outside into the sunlight, sprinted madly through a dark grove of trees with gnarled branches. Her heart pounded in her chest. Her ragged breath rasped in her ears. Was he following? Faster! Tears fogged her eyes. Her leather sandals tore at her feet. Trying to look back over her shoulder, she tripped and fell. Dust flew up all around her. Coughing, she clambered to her feet and dared to look back. The man was nowhere in sight. Rivka panted until she caught her breath. Her left wrist throbbed from the fall. She massaged it while she squinted into the trees, afraid that the man might be lurking in the shadows. Nothing happened. Finally, she turned around to get her bearings. She blinked twice and then stared. Across a small valley massive stone walls rose. Herodian masonry. Jerusalem limestone. Towering white walls. It looked like... But that was impossible. She closed her eyes, breathed deeply three times, and opened them again. Absurd. Had she gone loony or something? Rivka had visited the Temple Mount twice and studied hundreds of pictures during three years of graduate school. But she had never seen it looking like this. So pure. So spotless. So new.

[Preparations for the Gospels] The prominent position occupied by Eusebius of Caesarea in the Arian controversy and the Council of Nicaea has given rise to so many important treatises on his life and character, that it would be quite superfluous to prefix a formal biography to the present edition of one among his many literary works. It will be sufficient to mention a few of the best sources of information accessible to the English reader.

The beloved debut novel about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* **NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER** Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

The Book of Eusebius #4 The Church of Jesus Christ of Latter-day Saints

The City of God Against the Pagans, often called The City of God, is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD. The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works, standing alongside The Confessions, The Enchiridion, On Christian Doctrine and On the Trinity. As a work of one of the most influential Church Fathers, The City of God is a cornerstone of Western thought, expounding on many profound questions of theology, such as the suffering of the righteous, the existence of evil, the conflict between free will and divine omniscience, and the doctrine of original sin.

Who Wrote the Bible Code? InterVarsity Press

Ellen White's choicest writings about heaven and the Second Coming Some of Ellen White's earliest visions contained bright glimpses of heaven and the earth made new. When she came out of vision, this world seemed dark and lonely compared with the brilliant beauty of the world to come which she had seen so vividly. And she often struggled to find the words to describe what she had been shown in vision. This brand-new compilation for the Christian Home Library gathers the choicest statements and descriptions she has given through the years of heaven--the future home of the redeemed. Here you will find not only descriptions of the glories that await, but insights into the activities of the redeemed, the certainty of Jesus' coming to take us home, the end of evil, and how heaven can begin in our lives even now. This book will make you homesick for a home you haven't been to--yet. Also available in Spanish.
