*Commentary on John
Multnomah
In the latest addition to the*

Ancient Christian Texts series, David Maxwell renders a service to students of patristics and New Testament studies alike. The first complete English translation of Cyril of Alexandria's Commentary on John since the nineteenth century, this volume unveils one of the brightest lights in the Alexandrian tradition.

Premonition Lulu.com
St. Jerome (347 - 420) wrote this work against Jovinianus, a religious figure who

claimed that in Christianity, virginity was no better a state than being married. He also claimed that abstinence was not necessary and that all sins were equally sinful in the eyes of God. This was in stark opposition to the 4th-century understanding of the Christian faith. Jerome, who at the time, was living as a monk in Bethlehem, took up the task of writing a defence of the current understanding of the issue. Jovinianus'

propositions were condemned by Siricius, the bishop of Rome, along with synods both in Rome and at Milan (around 390 AD). The work gives a fascinating insight into Christian debates of the early church. The source text for this work is: A select library of Nicene and post-Nicene fathers of the Christian Church / Second series. Vol. 6, Letters. (Select works) / Jerome, Oxford: Parker. 1893. St. Jerome (d. 420); Henry Wace (1836-1924);

Philip Schaff
(1819-1893). To this work have been added illustrations of the people and Biblical figures mentioned in the text.

In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's Commentary on Micah quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert

understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly

accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

The Story of Prophets and Kings CCEL

Two time travelers from the future are in Jerusalem A.D. 66, well aware that the Jews are about to revolt and that

Rome will destroy the city in retaliation.

The Little Sparrows Modern History Press

An extraordinary stone box was recently discovered in Jerusalem—the bone-box of “ James, son of Joseph, brother of Jesus. ” This is his story . . . It ’ s the year A.D. 57 and Jerusalem teeters on the brink of revolt against Rome. James, leader of the Jewish Christian community, has an enemy in high places. And two very strange friends . . . Rivka Meyers is a Messianic Jewish archaeologist from

California, trapped in first-century Jerusalem by a physics experiment gone horribly wrong. Ari Kazan is her husband, an Israeli physicist slowly coming to grips with his Jewish heritage—and with a man named Jesus he was raised to hate. With no way back to their own century, Rivka and Ari seek their niche in this doomed city of God. Ari applies his knowledge of physics to become an engineer, a man of honor. Rivka feels increasingly isolated in a patriarchal culture that treats women like

children. She knows what 's coming—siege, famine, fire. At first, her warnings earn her grudging respect as a “ seer woman.” But when one of her predictions misses, the city scorns her as a false prophet. Rivka knows that an illegal trial and execution awaits James, son of Joseph, brother of Jesus. Can she prevent this disaster? Will James believe her “ premonition ” ? Or is Ari right that Rivka ' s meddling in history will only . . . make matters worse? How to Write a Novel Using the Snowflake Method The

Church of Jesus Christ of Latter-day Saints
The Gothic Wanderer Rises Eternal in Popular Literature
From the horrors of sixteenth century Italian castles to twenty-first century plagues, from the French Revolution to the liberation of Libya, Tyler R. Tichelaar takes readers on far more than a journey through literary history. The Gothic Wanderer is an exploration of man's deepest fears, his efforts to rise above them for the last two centuries, and how he may be on the brink finally of

succeeding. Tichelaar examines the figure of the Gothic wanderer in such well-known Gothic novels as "The Mysteries of Udolpho," "Frankenstein," and "Dracula," as well as lesser known works like Fanny Burney's "The Wanderer," Mary Shelley's "The Last Man," and Edward Bulwer-Lytton's "Zanoni." He also finds surprising Gothic elements in classics like Dickens' "A Tale of Two Cities" and Edgar Rice Burroughs' "Tarzan of the Apes." From Matthew Lewis' "The Monk" to Stephenie

Meyer's "Twilight," Tichelaar explores a literary tradition whose characters reflect our greatest fears and deepest hopes. Readers will find here the revelation that not only are we all Gothic wanderers--but we are so only by our own choosing. Acclaim for "The Gothic Wanderer" ""The Gothic Wanderer" shows us the importance of its title figure in helping us to see our own imperfections and our own sometimes contradictory yearnings to be both unique and yet a part of a society. The reader is in for an insightful

treat." --Diana DeLuca, Ph.D. and author of Extraordinary Things "Make no mistake about it, The Gothic Wanderer is an important, well researched and comprehensive treatise on some of the world's finest literature." --Michael Willey, author of Ojisan Zanoni Foreword by Marie Mulvey-Roberts, Ph.D. Learn more at www.GothicWanderer.com From Modern History Press www.ModernHistoryPress.com Literary Criticism: Gothing & Romance Literary Criticism: European - General

Model Rules of Professional Conduct Random House Books for Young Readers What If? What if you were studying for your Ph.D. in archaeology and somehow got trapped in first-century Jerusalem after a controversial physics experiment went horribly wrong? What if you knew from your history books that a kind and decent man was going to be murdered by the powers-that-be, all because of stupid politics? What if you could prevent the murder, but you knew it might endanger the person

you loved most in the world? It's A.D. 57 and Rivka Meyers desperately wants to go home, but her husband Ari is a physicist, and he says they're stuck in the first century. He also says that the laws of physics say Rivka can't change history. Rivka knows he's wrong, and she's going to prove it-by saving James the brother of Jesus from being murdered by the evil high priest. About The Book: Premonition is a time-travel suspense novel that mixes science, history, religion, romance, and adventure. It's

about becoming the person you were meant to be. It's about learning to accept harsh reality when you'd really rather quit and go home. It's about being a badass fighter for justice, even when you're fresh out of easy answers to hard questions. Premonition won the 2004 Carol award for best Christian historical novel. Premonition will take you on a wretched, miserable, dangerous vacation through the filthy, bandit-ridden streets of first-century Jerusalem. Premonition is the second novel in the City of God series:

Book 1: Transgression (A.D. 57) Book 2: Premonition (A.D. 57-62) Book 3: Retribution (A.D. 62-66) Excerpt Rivka stepped into the street. "Come here, little girl. I'll help you." Fear twisted the girl's face. She backed away. "Imma!" Rivka followed her. "I won't hurt you! I'll help you find your Imma." The child backed up further, stepping into the shadows of the narrow street. Rivka hurried forward. "I won't hurt-" A shadow lunged toward her. Rivka screamed, spun, stumbled. Her oil lamp flew against the

wall, broke into a thousand shards. The shadow fused into a grubby, bearded man with a very dirty face. Strong hands pinned her arms to her sides. "Get away from me!" Rivka kicked furiously. "Ari! Help! Baruch!" She twisted her head, trying to butt the man. Several men emerged from the shadows and surrounded her. Strong hands grabbed her hair and yanked back, stretching her neck painfully. A cold metal blade pressed against her throat. Click the book cover in the upper left corner to read more.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help

you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Against Jovianus Orbit
A Magical Key to Unlock Your Creative Wizard
Are you writing a novel, but having trouble getting your first draft written? You've heard of "outlining," but that sounds too rigid for you. You've heard of "organic writing," but that seems a bit squishy to you. Take a look at the wildly popular Snowflake Method—ten battle-tested steps that jump-start your

creativity and help you quickly map out your story. All around the world, novelists are using the Snowflake Method right now to ignite their imaginations and get their first drafts down. In this book, you'll follow the story of a fictitious novelist as she learns to tap into the amazing power of the Snowflake Method. Almost magically, she finds her story growing from a simple idea into a deep and powerful novel. And she finds her novel changing her—into a stronger, more courageous person. Zany, Over the Top, and Just Plain Fun How to Write a Novel Using the Snowflake Method is a “business parable”—a how-to guide written in story form. It's zany. It's over the top. It's just plain

fun. It shows you how it's done, rather than tells you. You'll learn by example how to grow your story idea into a sizzling first draft. You'll discover: How to define your “target audience” the right way, so you know exactly how your ideal readers think and feel. Forget what the experts tell you about “demographics.” How to create a dynamite selling tool that will instantly tell people whether they'll love your story or hate it. And you want them to love it or hate it. How to get inside the skin of each of your characters—even your villain. Especially your villain. How to find a deep, emotively powerful theme for your story. Do you know the best point in your novel to unveil your theme? How to know when to

backtrack, and why backtracking is essential to writing great fiction. How to fire-test each scene to ensure it's high-impact—before you write it. Excerpt Goldilocks had always wanted to write a novel. She learned to read before she went to kindergarten. In grade school, she always had her nose in a book. In junior high, the other kids thought she was weird, because she actually liked reading those dusty old novels in literature class. All through high school, Goldilocks dreamed of writing a book of her own someday. But when she went to college, her parents persuaded her to study something practical. Goldilocks hated practical, and secretly she kept reading novels. But she was a very obedient girl, so she did what

her parents told her. She got a very practical degree in marketing. After college, she got a job that bored her to tears—but at least it was practical. Then she got married, and within a few years, she had two children, a girl and then a boy. She quit her job to devote full time to them. As the children grew, Goldilocks took great joy in introducing them to the stories she had loved as a child. When her son went off to kindergarten, Goldilocks thought about looking for a job. But her resume now had a seven-year hole in it, and her practical skills were long out of date. The only jobs Goldilocks could qualify for were minimum wage. She suddenly realized that being practical had made her horribly

unhappy. On a whim, Goldilocks decided to do the one thing she had always wanted more than anything else—she was finally going to write a novel. She didn't care if it was impractical. She didn't care if nobody would ever read her novel. She was going to do it just because she wanted to. For the first time in years, she was going to do something just for herself. And nobody was going to stop her.

NPNF1-02. St. Augustine's City of God and Christian Doctrine Studies in Transgression
No description available
God's Love for Man New City Press
The City of God Against the

Pagans , often called The City of God, is a book of Christian philosophy written in Latin by Augustine of Hippo in the early 5th century AD. The book was in response to allegations that Christianity brought about the decline of Rome and is considered one of Augustine's most important works, standing alongside The Confessions, The Enchiridion, On Christian Doctrine and On the Trinity. As a work of one of the most influential Church Fathers, The City of God is a cornerstone of Western thought, expounding on many profound questions of theology, such as the suffering of the righteous, the existence of evil, the conflict between free will and divine omniscience, and the

doctrine of original sin.

Church, Volume 8)

Transgression

[Preparations for the Gospels]

The prominent position occupied by Eusebius of Caesarea in the Arian controversy and the Council of Nicaea has given rise to so many important treatises on his life and character, that it would be quite superfluous to prefix a formal biography to the present edition of one among his many literary works. It will be sufficient to

mention a few of the best sources of information accessible to the English reader.
