These papers were written primarily by students and provide critical analysis of the play Translations by Brian Friel. Presentation of Racial Domination: A Comparison between Translations and Song of Solomon; Love as Presented by Brian Friel and Louis MacNiece *Translations Themes | GradeSaver*

As the title indicates, the overriding themes of Brian Friel's Translations are all related to the power of language and the power that comes with controlling language. The play follows the British effort to completely reconstitute the native Irish language, giving anglicized names to places and things that already have Gaelic words attached to them.
