Questions of Identity
in Assam: Location,
Migration, Hybridity
addresses the identity
problem in Assam,
keenly affected as it
is, by the realities
of migration and
hybridity. The book
provides an overview
of these issues as
they are reflected in
the region, and covers
the period from the
conclusion of the
Assam Movement till
the present. The Assam

Movement spawned a
culture of violence
which led to the
emergence of insurgent
outfits in the state.
This resulted in the
naturalization of
violence as a part of
everyday living. From
this vantage point, the
book offers a reading
of identity as
determined by the
anxiety surrounding the
presence of the
migrants. In this book,
the issue of migration
is seen through the
perspective of the
society that receives
the migrants and

defines itself through
a negative response to
the other.

The third historic
meeting of Allied leaders
in 1943 (Casablanca and
Trident occurred earlier
in the year), the

Quadrant Conference
(also called the Quebec
Conference) was held
from August 14 to 24 in
Quebec City, Canada.
President Franklin D.
Roosevelt, British prime
minister Winston S.
Churchill, and the
Combined Chiefs of Staff
attended the conference,
and Canadian prime
minister Mackenzie King
served as host. The
opening of a second front
in northern France, code-
named Operation
Overlord, was extensively
discussed at the

conference. Ultimately,
the Allied leaders decided
that Overlord was to be
the main effort in Europe
for the next year, with a
target invasion date of
May 1, 1944. In the
Pacific, one important
decision reached at
Quadrant was the
establishment of the
Southeast Asia Command
in the China-Burma-India
Theater. Another major
Allied focus in the Pacific
was planning strategic
bombing operations for
the defeat of Japan using
B-29 Superfortresses.

Quadrant was one in a series of high-level conferences held by the US and British leaders in Washington, DC; Casablanca; Quebec; Cairo; Tehran; Malta; Yalta; and Potsdam to formulate the Allied grand strategy. At the Tehran, Yalta, and Potsdam conferences, the Soviet leader Joseph Stalin was also in attendance and played an important role.
