practice practice practice Review Focused Adjuncts to Secondary Assessment p. 46 The evaluation of a trauma patient is that phase of the nursing process when the nurse evaluates the patient's response to the injury event and the effect of all interventions.

Where Can I Find a TNCC Practice Test?

The Trauma Nursing Core Course (TNCC) can be a very daunting class to take as a new nurse. I was pretty much terrified when I was told I had to not only take the class but was only going to get a few weeks to study for it. They handed me this massive textbook and I was told to read the whole thing before class. I was completely overwhelmed.
