Describes the origin of the Eurocentric global order, which Schmitt dates from the discovery of the New World, discusses its specific character and its contribution to civilization, analyzes the reasons for its decline at the end of the 19th century, and concludes with prospects for a new world order. It is a reasoned, yet passionate argument in defense of the European achievement, not only in creating the first truly global order of international law, but also in limiting war to conflicts among sovereign states, which in effect civilized war.

Super Minds Level 5

Student's Book with DVD-ROM Global Management Enterprises, LLC

Cambridge University Press
English for International Tourism Longman

This book is about managing dealers, distributors and agents in international markets - an essential guide to anyone doing business globally. If you want or need to expand business through an international network of resellers, then this book is well worth an hour or two of your time. International Sales and the Middleman provides a down-to-earth, practical, and insightful guide that will enable export sales managers to build - or rebuild - a distribution network from scratch. It provides detailed advice on selection, negotiation, initiation, training (where appropriate), motivating, development, and managing overseas agents to ensure the maximum sales result. It also includes advice on local customs. It is well known that almost all international sales have to pass through middlemen at some stage or other. But how do you go about finding the right agents, what sort of arrangements should you negotiate, and on what terms - and most important of all, how do you manage and motivate the agents once you have them...? Whether you are a new manager or one who already has the right team in place, this book will show you how to improve

performance and motivate both agents and customers worldwide - with spectacular results.

to track their progress with customisable tests and grammar and vocabulary reference sections.
