Interrupted Houghton Mifflin Harcourt

Former Chicago police officer Mary O'Reilly has been able to communicate with ghosts since having a near-death experience. In *Good Tidings*, "six year-old Joey Marcum seeks the help of Mary O'Reilly to find his baby brother, who was snatched during the holiday shopping frenzy of Black Friday. Mary agrees to help and finds herself investigating a child-selling scam based in Chicago. But this time, they won't get away with it because Joey's not just a big brother - he's also a ghost."

*The Witches' Dream Book*; and *Fortune Teller* Scholastic Inc.

In this dramatic, compelling fictional memoir Carolly Erickson lets the courageous, spirited Mary Queen of Scots tell her own story—and the result is a novel readers will long remember. Born Queen of Scotland, married as a young girl to the invalid young King of France, Mary took the reins of the unruly kingdom of Scotland as a young widow and fought to keep her throne. A second marriage to her handsome but dissolute cousin Lord Darnley ended in murder and scandal, while a third marriage to the dashing, commanding Lord Bothwell, the love of her life, gave her joy but widened the scandal and surrounded her with enduring ill repute. Unable to rise above the violence and disorder that swirled around her, Mary plucked up her courage and escaped to England—only to find herself a prisoner of her ruthless, merciless cousin Queen Elizabeth. Here, in her own riveting account, is the enchanting woman whose name still evokes excitement and compassion—and whose death under the headsman's axe still draws forth our sorrow. In *The Memoirs of Mary Queen of Scots*, Carolly Erickson provides another in her series of mesmerizing historical entertainments, and takes readers deep into the life and heart of the sixteenth century's most fascinating woman.

Paris, 1890. When Sherlock Holmes finds himself chasing an art dealer through the streets of Paris, he's certain he's smoked out one of the principals of a cunning forgery ring responsible for the theft of some of the Louvre's greatest masterpieces. But for once, Holmes is dead wrong. He doesn't know that the dealer, Theo Van Gogh, is

rushing to the side of his brother, who lies dying of a gunshot wound in Auvers. He doesn't know that the dealer's brother is a penniless misfit artist named Vincent, known to few and mourned by even fewer. Officialdom pronounces the death a suicide, but a few minutes at the scene convinces Holmes it was murder. And he's bulldog-determined to discover why a penniless painter who harmed no one had to be killed—and who killed him. Who could profit from Vincent's death? How is the murder entwined with his own forgery investigation? Holmes must retrace the last months of Vincent's life, testing his mettle against men like the brutal Paul Gauguin and the secretive Toulouse-Lautrec, all the while searching for the girl Olympia, whom Vincent named with his dying breath. She can provide the truth, but can anyone provide the proof? From the madhouse of St. Remy to the rooftops of Paris, Holmes hunts a killer—while the killer hunts him.

The Ghost of Crutchfield Hall Treasured Legacies - a Mary O'Reilly Paranormal Mystery

This book defines and discusses the term hidden geographies in two ways: systematically and by presenting a variety of examples of the research fields and topics concerning hidden geographies, with the aim of stimulating further basic and applied research in this area. While the term is quite rarely used in the scientific literature (more often as a figure of speech than to illustrate or problematize its deeper meaning), we argue that hidden geographies are everywhere and many of them have significant impacts on (other) natural and social phenomena and processes, subsequently triggering changes, for example in landscape, economy, culture, health or quality of life. The introductory section of the book conceptualises hidden geographies and discusses cognitive geography, symbolization of space, and the hidden geographies in mystical literature. Case studies of hidden environmental geographies address soils, air pollution, coastal pollution and the allocation of an astronomical tourism site. Revealing hidden historical and sacred places is illustrated through examples of the visualisation of the subterranean mining landscape, the analysis of the historical road network and trade, border stones and historical spatial boundaries, and the monastic Carthusian space. Hidden urban geographies are discussed in terms of the urban development of an entire city, presenting the role of geography in rescuing architecture, revealing illegal urbanisation, and the quality of habitation in Roma neighbourhoods. Case studies of hidden population geographies shed light on the ageing of rural populations and the impact of spatial-demographic disparities on fertility variations. Discussions of hidden social and economic geographies problematize recent social changes and conflicts in a country, present the implementation of the fourth industrial revolution and borders as hidden obstacles in the organisation of public transport. Hidden geographies are explicitly linked to perceptions and explanations in case studies that address local responses to perceived marginalisation in a city, the solo women travellers' perceived risk and safety, and hidden geographical contexts of visible post-war landscapes. The book brings such a diversity of views, ideas and examples related to hidden geographies that can serve both to deepen their understanding and their various impacts on our lives and environment, and to attract further cross-disciplinary interest in considering hidden geographies -- in research and in

our every-day lives.

Frayed Edges - A Mary O'Reilly Paranormal Mystery Five Star (ME)

A deadly political rivalry that ended in two brutal executions...An intricate love triangle that altered the course of history...A religious revolution that changed the world... THE TREASURE... For two thousand years, an undiscovered treasure rested in the rocky wilds of the French Pyrenees. A series of scrolls written in the first century by Mary Magdalene, these startling documents hold the power to redefine the events and characters of the New Testament. Protected by supernatural forces, the priceless cache can only be uncovered by a special seeker, one who has been chosen for the task by divine providence - The Expected One. THE CHOSEN ONE... When journalist Maureen Paschal begins the research for a new book, she has no idea that she is stepping into an ancient mystery so complex and dangerous that thousands of people have killed and died for it. As a long buried family scandal comes to light, she can no longer deny her own role in a deadly drama of epic international consequences.

The Venus Complex Elsevier Health Sciences

From one of our most important scholars and civil rights activist icon, a powerful study of the women ' s liberation movement and the tangled knot of oppression facing Black women.

" Angela Davis is herself a woman of undeniable courage. She should be heard. " —The New York Times Angela Davis provides a powerful history of the social and political influence of whiteness and elitism in feminism, from abolitionist days to the present, and demonstrates how the racist and classist biases of its leaders inevitably hampered any collective ambitions. While Black women were aided by some activists like Sarah and Angelina Grimke and the suffrage cause found unwavering support in Frederick Douglass, many women played on the fears of white supremacists for political gain rather than take an intersectional approach to liberation. Here, Davis not only contextualizes the legacy and pitfalls of civil and women ' s rights activists, but also discusses Communist women, the murder of Emmitt Till, and Margaret Sanger ' s racism. Davis shows readers how the inequalities between Black and white women influence the contemporary issues of rape, reproductive freedom, housework and child care in this bold and indispensable work.

Breakaway - A Mary O'Reilly Lost Files Book Usborne Publishing Ltd

Ruth McCredie was about in the middle of the field, she decided. This would be a good place to get a few more samples. She looked back at the row she was standing in and saw four ears laying in the dirt. "Perfect," she said, reaching back for another plastic bag. "These will be great." Hurrying down the row towards the ears, she was surprised to hear a crack in the distance. Before she could react, she felt the blow of the bullet entering her body. She stared, wide-eyed, at the blood blossoming across her sweatshirt. "I've been..." she began, more bewildered than afraid, but then her knees gave out and she fell to the ground. The soft earth absorbed the impact from the fall, but a sharp stalk scraped her face. She gasped in pain, but the gasp gave way to choking as her life ebbed away, the rich, brown soil absorbing her blood. A bullet shot rings out on the night of the Super Moon and a promising college student is killed. Was it an accident, or did her research into false claims by a bio-tech, agricultural company garner her too much attention? The wrong kind of attention. Mary and Bradley have to find out or Ruth McCredie will never rest.

Clear Expectations - a Mary O'Reilly Paranormal Mystery Grand Central Publishing

Valerie's voice is as sweet as honey. She's the obvious choice to star in the Nativity. But this is Mississippi, 1964, and Valerie is the first black student to attend her school. Alice is torn between standing up for Valerie and being popular with the in-crowd. It takes a tragedy for Alice to find the courage to act. A truly resonant story about racism and doing the right thing, based on the author's own

experiences. With internet links to recommended websites about the American Civil Rights Movement. "A wonderful book about the power of friendship which will appeal to all ages." - School Librarian Journal

Women, Race, & Class Penguin

For Claire Anderson, her position as a teacher in Hanover Falls is the realization of a long-held dream. In this loving community she can leave behind her troubled childhood and revel in the young lives entrusted to her care. Michael Meredith finds his career as a nursing home administrator satisfying until an investigation concerning suspicious deaths threatens it. In the midst of this crisis, Claire and Michael find a unique friendship that blossoms into a shared understanding neither has known before. But an agonizing secret may end all that. Is their faith strong enough to survive this astonishing discovery?

Veterinary Herbal Medicine Good Press

\*Includes historic illustrations of Every and important people, places, and events in his life. \*Includes a profile of Every from the famous English pirate history "A General History of the Pyrates". \*Discusses common legends about Every and his career. \*Includes a Bibliography for further reading. "NONE of these bold Adventurers were ever so much talked of, for a while, as Avery; he made as great a Noise in the World as Meriveis does now, and was looked upon to be a Person of as great Consequence." - Captain Charles Johnson, A General History of the Robberies and Murders of the most notorious Pyrates The people who have lived outside the boundaries of normal societies and refused to play by the rules have long fascinated the world, and nowhere is this more evident than the continuing interest in the pirates of centuries past. As the subjects of books, movies, and even theme park rides, people continue to let their imaginations go when it comes to pirates, with buried treasure, parrots, and walking the plank all ingrained in pop culture's perception of them. Charles River Editors' Legendary Pirates series covers the lives, piracy, legends, myths, and legacies of history's most famous pirates. The Golden Age of Piracy generally refers to the era when history's most famous pirates roamed the seas of the West Indies from 1670-1720, engaging in colorfully daring and oftentimes murderous attacks on any ship they felt emboldened enough to take on. And it is no coincidence that while the end of the Golden Age was marked by the death of Blackbeard, the beginning of it was marked by the rise of Henry Every. Though Every is no longer as well-remembered as the likes of Blackbeard or Black Bart, in his day he was the "King of Pirates", and he is recognized as blazing the trail and setting the gold standard for the pirates that followed him. In addition to popularizing the famous skull and crossbones logo that would become the most famous pirate flag, Every conducted what is considered the most profitable pirate raid in history, leading to what is considered the first worldwide manhunt in history when the English put a large bounty on his head. As amazing as Every's pirate career was, the most incredible part about it was that he survived it. In fact, Every's one of the few famous pirates to ever actually retire, or at least so it's believed. A year after conducting the raid that netted him over half a million pounds, Every dropped off the historical record, and while speculation swirls as to what actually became of him, what is known is that he never met his fate at the hands of English authorities or any of the other sworn enemies he had made during his piracy. Legendary Pirates: The Life and Legacy of Henry Every looks at the life and legends of the famous pirate, attempting to separate fact from fiction while analyzing his lasting legacy. Along with pictures depicting Every and important people, places, and events in his life, you will learn about the famous pirate like you never have before, in no time at all.

The Strange Case of the Dutch Painter CreateSpace

Sometimes life is like a movie. There are moments and events in life - not often - that are as

exciting and as dramatic as a movie. What happened in Lake Placid, New York in February 1980 at the Thirteenth Winter Olympics was such a time. For those who experienced it in person or watched the games on television, they remember where they were when the US hockey team beat the Soviet Union and then beat the team from Finland two days later to win the gold medal. The sports victory of an underdog group of college kids was thrilling enough but it was a win against the Soviet Union. This Cold War adversary was also the nation hosting the summer games later that year which the United States was threatening to boycott. The excitement and drama in Lake Placid gave the games a huge lift of enthusiasm and popularity when some had even come to believe that staging the Olympics was no longer affordable for many communities and that perhaps the 1980 Winter Games should be cancelled entirely. Indeed, as the games began, a US News and World Report magazine questioned whether the Lake Placid games were the "last Olympics." What happened on the hockey ice was improbable enough, but the Lake Placid Winter Games were a long shot, if not a miracle too. Winning the games had been an unlikely decades-long quest for this small town to overcome the barriers of exploding finances, environmental concerns and world politics. Few remember that the 1980 games were never supposed to take place in Lake Placid. They came to the small village because of unexpected events which unfolded and made the two weeks in the remote Adirondacks before a worldwide audience of nearly a billion viewers one of the most dramatic times in the modern era of sports, media and politics. It would not be too much of a stretch to say that the Lake Placid Games, which brought the "Miracle on Ice," saved the Winter Olympics in 1980 and greatly enhanced them for the future.

Was it raining outside? Dale Johnson wondered as he woke up. It was dark and he could hear the sound of rain hitting the roof. Suddenly, he was pelted with something small and hard. He opened his eyes and sat up, nearly fainting in the process. His head was pounding. What the hell happened? He was pelted again and realized he was being hit with small pieces of corn. His stomach twisted and his heart pounded. He wasn't in his house; he was in the grain silo! Struggling to his feet, he lurched to the wall and found the hatch. He found the latch and pushed, but it was stuck fast. Pounding on it, bloodying his hands, he tried again and again to unlatch the door. The grain was now being emptied into the silo in a rapid rate. Dust from the corn was filling the interior and Dale coughed as he continued to fight with the door. " Help me, " he yelled, " I'm caught in here! " The roar of the auger and the dump truck drowned out his voice, but he kept calling out and pounding on the metal door. " I'm in here, " he screamed, as the grain filled the bottom of the silo, first covering his feet, then his knees, his hips and finally, it was waist high. He thought about his family, especially his wife, who would be waiting supper for him. He thought about his grandkids, who he'd never see grow up. He thought about his kids and prayed they wouldn't blame themselves for the accident. Finally, as the grain moved up past his chin, he took a final deep breath and thought about dying. A farm accident or murder? Could the murderer be one of his own children? And how will the ghost's legacy change Mary's future?

The Psychosocial Implications of Disney Movies Springer Nature

Ron Athey is one of the most important, prolific and influential performance artists of the past four decades. A singular example of lived creativity, his radical performances are at odds with the art worlds and art marketplaces that have increasingly dominated contemporary art and performance art over the period of his career. *Queer Communion*, an exploration of Athey ' s career, refuses the linear narratives of art discourse and instead pays homage to the intensities of each mode of Athey ' s performative practice and each community he engages. Emphasizing the ephemeral and largely uncollectible nature of his work, the book places Athey ' s own writing at its centre, turning to memoir, memory recall and

other modes of retrieval and narration to archive his performances. In addition to documenting Athey ' s art, ephemera, notes and drawings, the volume features commissioned essays, concise 'object lessons' on individual objects in the Athey archive, and short testimonials by friends and collaborators including Dominic Johnson, Amber Musser, Julie Tolentino, Ming Ma, David Getsy, Alpesh Patel and Zackary Drucker, among others. Together they form *Queer Communion*, a counter history of contemporary art. *Dillinger's Wild Ride* Createspace Independent Publishing Platform

Former Chicago police officer Mary O'Reilly has been able to communicate with ghosts since having a near-death experience. Now working as a private investigator, the case of a young woman's drowning at a senator's home may not be the accident it was made out to be. Mary is hired to find out the truth, which causes her to become the target of the killers.

Kathrine Lee...has an amazing ability to cheer people on to become who God designed them to be by communicating life changing stories wrapped in God's truth.-Lysa TerKeurst, President of Proverbs 31 Ministries and New York Times best-selling author *The world can be full of challenges. Often, we must fight to see the good in the world. Kathrine Lee refuses to give up the fight. She believes there is good in the world, despite the pain and challenges we face. Learn how she found the spiritual strength and courage to stand up to disappointments and pain and find her path forward. A path that leads to joy, hope, and adventure. Lee left the church at a young age and wandered through dark valleys until she found her way back to the light. Once there, she became a passionate crusader for love and justice. In *Interrupted*, Lee discusses how she made the decisions that have given her such a fulfilling, satisfying spiritual and emotional existence. She shares her concern for anyone-but especially women-who has not felt the transformative power of God's grace. As Lee writes, that pain can be turned into an amazing purpose! Proceeds of her book will help her continue her work with Pure Hope Foundation, her nonprofit that assists in the restoration of those victimized by sex trafficking. "*

[The Secret Gospel of Mary Magdalene](#) Createspace Independent Publishing Platform

Mary floated across the room, shaking her hands in frustration. Finally, she turned back to Mike. "When will the men in my life realize that no one is responsible for watching over me?" she asked sadly. "I am a grown woman. I am a former police officer. I am not some hot-house flower that can't handle my own life and my own safety." Victoria sighed loudly and rolled her eyes. "And you did such a good job of it. You were kidnapped and are now in a coma. Yeah, great handling of your life." Mary turned her head quickly and stared at Victoria. "You were murdered, right?" she asked. Taken aback for a moment, Victoria nodded slowly. "Yes, why?" "No reason," Mary shot back. "It just not a big surprise, that's all." At the end of *Darkness Exposed* (Book 5), Mary O'Reilly was in a coma. Did you ever wonder where she went while she was in that coma? Of

In the parched soil of Provence, a fifth gospel has been discovered, Mary Magdalene's account of Jesus' teaching and her relationship with him. It is a book of revelation, for it unveils a new Christianity, one which embraces the female equally with the male and acknowledges and celebrates women's spirituality. It is also a passionate story of love and search, of separation and rebirth, centred on Mary as the wellspring of womanhood. The Secret Gospel of Mary Magdalene is a brilliant and moving vision that is also startlingly modern in its conclusions.

The Expected One Createspace Independent Publishing Platform

"Dying is what changed Mary O'Reilly's life. Well, actually, coming back from the dead and having the ability to communicate with ghosts is really what did it. As a third-generation Chicago cop, Mary knew the risks of being a police officer and didn't hesitate to step between a drug dealer's bullet and her beloved older brother, Sean. But instead of "going to the light" when she died on the operating table, she was given a choice-- a choice that would change her life. Now, a private investigator in rural Freeport, Illinois, Mary's trying to learn how to incorporate her experience as a Chicago cop and new-found talent into a real job. Her challenge is to solve the mysteries, get real evidence (a ghost's word just doesn't hold up in court), and be sure the folks in town, especially the handsome new police chief, don't think she's nuts. Fifteen years ago, farmer Dale Johnson is locked into his grain bin, just before the corn harvest starts to pour through the opening the roof. His family discovers his body after it's too late. Now, the family is trying to sell their home, but a ghostly presence deters buyers and Rosie calls Mary in to help. A farm accident or murder? Could the murderer be one of his own children? What other secrets is this death covering up?" -- page [4] of cover.
