Attila the Stockbroker has travelled the world for ten years, taking his highly individual, fiery cocktail of energetic performance poetry, hardcore minimalist folk-rock anthems (accompanied by his trusty mandola, Nelson) and surreal political satire from Shoreham Harbour to Sydney Harbour, from Harlow to Helsinki, via Leipzig, Vancouver, Auckland, Amsterdam and Tirana - not to mention Slough! Scorn flakes is Attila's second book of poems, the follow-up to 1985's Cautionary Tales for Dead Commuters... Inspiration by Hilaire Belloc. Clothes sense by The Levellers. Holder of a poetic licence for a minstrel cycle, Attila's other interests include lugworms, cultivating coriander plants and 'attempting to control the growth of other vegetables, especially Tory C2s'. In Britain, Attila has done substantial work for The Guardian and Radio Four, written for the music press (ha!) and even stranger publications, and made considerable numbers of sporadic and often unlikely radio and TV appearances from John Peel to Pebble Mill. He's a regular at events such as the Edinburgh Fringe and Glastonbury Festival, and performs at every conceivable type of venue - arts centres, rock gigs, poetry festivals, comedy clubs... He has released five LPs in the UK - most recently Scorn flakes and Donkeys' Years - and has also had albums issued in Canada, Australia, New Zealand and Germany. His most recent release is an Antipodean CD called 668 - Neighbour of the Beast. Scorn flakes is illustrated with cartoons by Womble.

Maturing is difficult in a social world that demands conformity. Many who strive to succeed are often subjected to ridicule and conflict. Yet in spirit they envision a deeper meaning of love and seek a higher plane. Such is the journey upon the wings of an eagle named... Eric. In journey, Eric feels lost without sanction from either the world at large or heaven above. The storms seem severe and unending. Due to impatience he learns the hard way that the mere fluttering of wings does not yield purposeful flight. Often the young in life are swept up in storms of peril. Many do not even reach adulthood. Yet, others seem spared as if destined through struggle and blessing to serve a more noble purpose. Upon their wings rests a standard of aspiration for all to follow. Thus while there are many birds of a feather only the eagle is spirited in search of excellence. His flight is not of superiority as a sole utopian vanguard. But rather he identifies with those in life who strive for the treasures of the heart upon the breeze of graceful flight. Each of us attempts to avoid life's storms. However we cannot elude the rains which fall upon all. Yet there are rainbows and love's shining to guide our way. Eric's flight in life ends much differently than it began as an eaglet. Endeavor to learn the true wind beneath your wings.
