Kindly say, the Trident K9 Warriors My Tale From The Training Ground To Battlefield With Elite Navy Seal Canines Ebook Mike Ritland is universally compatible with any devices to read

Autobiography of One of the Deadliest

Special Ops Snipers Penguin

\*A New York Times Best Seller\* Under the cover of night, deep in the desert of Afghanistan, a US Army handler led a Special Forces patrol with his military working dog. Without warning an insurgent popped up, his weapon raised. At the handler's command, the dog charged their attacker. There was the flash of steel, the blur of fur, and the

sound of a single shot; the handler watched his dog take a bullet. During the weeks it would take the dog to heal, the handler never left its side. The dog had saved his life. Loyal and courageous, dogs are truly man's best friend on the battlefield. While the soldiers may not always feel comfortable calling the bond they form love, the emotions involved are strong and complicated. In War Dogs,

---

Rebecca Frankel offers a riveting mix of on-the-ground reporting, her own hands-on experiences in the military working dog world, and a look at the science of dogs' special abilities—from their amazing noses and powerful jaws to their enormous sensitivity to the emotions of their human companions. The history of dogs in the US military is long and rich, from the spirit-lifting mascots of the Civil War to the dogs still leading patrols hunting for IEDs today. Frankel not only interviewed handlers who deployed with dogs in wars from Vietnam to Iraq, but top military commanders, K-9 program managers, combat-trained therapists who brought dogs into war zones as part of a preemptive measure to stave off PTSD, and veterinary technicians stationed in Bagram. She makes a passionate case for maintaining a robust war-dog force. In a post-9/11 world rife with terrorist threats, nothing is more effective than a bomb-sniffing dog and his handler. With a compelling cast of humans and animals, this moving book is a must read for all dog lovers—military and otherwise.

**The 21st Century Sniper** Harry N. Abrams

The New York Times bestselling author of *Secret Service Dogs* and *Soldier Dogs* delivers the incredible, true story of K-9 Marine hero Lucca, and the handlers who fought alongside her through two bloody wars in Iraq and Afghanistan. "Maria

Goodavage knocks it out of the park in this fast paced, spell binding page turner" --John W. Pilley, co-author of *Chaser: Unlocking the Genius of the Dog Who Knows a Thousand Words* Maria Goodavage takes readers into the life of Lucca K458, a decorated and highly skilled military working dog. An extraordinary bond develops between Lucca and Marine Corps dog handlers Chris Willingham and Juan Rodriguez, in what would become a legendary 400-mission career. A specialized search dog, Lucca belongs to an elite group trained to work off-leash at long distances from her handler to sniff out deadly explosives. She served alongside both Special Forces and regular infantry, and became so sought-after that platoons frequently requested her by name. Here, in gritty detail, is the gripping account of Lucca's adventures on and off the battlefields, including tense, lifesaving explosives finds and rooftop firefights, as well as the bravery of fellow handlers and dogs they served with. Ultimately we see how the bond between Lucca and her handlers overcame the endless brutalities of war and the traumas such violence can inflict. *Top Dog* is a portrait of modern warfare with a heartwarming and inspiring conclusion that will touch dog lovers and the toughest military readers.

**106 Amazing Things Your Dog Can Do on Command** Tony Park

With 50 photos from the bestselling "Extraordinary Chickens," readers can "walk on the wild side" through the eccentric world of poultry. Full color.

**The Courage, Love, and Loyalty of Military Working Dogs** Craig Potton Publishing  
**THE HEART AND THE FIST** shares one man's story of extraordinary leadership and service as both a humanitarian and a warrior. In a life lived at the raw edges of the human experience, Greitens has seen what can be accomplished when compassion and courage come together in meaningful service. As a Rhodes Scholar and Navy SEAL, Greitens worked alongside volunteers who taught art to street children in Bolivia and led US Marines who hunted terrorists in Iraq. He's learned from nuns who fed the destitute in one of Mother Teresa's homes for the dying in India, from aid workers who healed orphaned children in Rwanda, and from Navy SEALs who fought in Afghanistan. He excelled at the hardest military training in the world, and today he works with severely wounded and disabled veterans who are rebuilding their lives as community leaders at home. Greitens offers each of us a new way of thinking about living a meaningful life. We learn that to win any war, even those we wage against ourselves; to create and obtain lasting peace; to save a life; and even, simply to live with purpose requires us—every one of

---

us—to be both good and strong.

Macmillan

The Monks of New Skete THE ART OF RAISING A PUPPY The authors of the classic guide How to Be Your Dog's Best Friend now tell you everything you need to know about the crucial first months of your puppy's life. From the decision to adopt a pup through the practical steps of choosing the right breed, preparing your home, caring for your new charge, and practicing basic obedience exercises, the Monks of New Skete offer clear, compassionate guidelines for raising a puppy. Renowned for breeding German shepherds, the Monks train their own beautiful dogs, and dogs of any breed, according to a unique program based on understanding canine behavior and enhancing the bond between dog and owner. This communion begins in puppyhood and is based on deep respect and affection. Improper care, poor training, or a lack of attention during the early months can lead to problem behaviors that become increasingly difficult to alter as your dog matures. By learning to gently assert

your dominance from the start, you'll build a lasting and loving relationship with your pup. This complete guide, illustrated with more than eighty black-and-white photographs, explains the stages of puppy development, how to communicate with your pup, how to begin a complete training program, and how to deal with common problems like chewing, jumping up, and paper-training. The kind of fulfillment a solid relationship with your pup can bring is demonstrated in the stories of three dogs who have assumed special places in their owners lives. The Art of Raising a Puppy is an essential source of wisdom, information, and inspiration for anyone who loves and cares for a puppy. As a community, the Monks of New Skete have been breeding, raising, and training dogs for more than twenty years. New Skete Monastery is located in Cambridge, New York.  
*My Partner from the SEAL Teams to the Bin Laden Raid* St. Martin's Press  
The #1 New York Times bestselling memoir of U.S. Navy Seal Chris Kyle, and the source for Clint Eastwood's

blockbuster, Academy-Award nominated movie. "An amazingly detailed account of fighting in Iraq--a humanizing, brave story that's extremely readable." — PATRICIA CORNWELL, New York Times Book Review "Jaw-dropping...Undeniably riveting." —RICHARD ROEPER, Chicago Sun-Times From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him al-Shaitan ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family, as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary

battlefield experiences ranks as one of the great war memoirs of all time. **A modern breed of heroes** St. Martin's Press  
Preorder REAPER: GHOST TARGET now, Nick Irving's debut thriller that Brad Thor calls "one hell of a read"! The Instant New York Times Bestseller by Co-Star of Fox's American Grit and Legendary Ranger Nick Irving Groundbreaking, thrilling and revealing, The Reaper is the astonishing memoir of Special Operations Direct Action Sniper Nicholas Irving, the 3rd Ranger Battalion's deadliest sniper with 33 confirmed kills, though his remarkable career total, including probables, is unknown. Irving shares the true story of his extraordinary military career, including his deployment to Afghanistan in the summer of 2009, when he set another record, this time for enemy kills on a single deployment. His teammates and chain of command labeled him "The Reaper," and his actions on the battlefield became the stuff of legend, culminating in an extraordinary face-off against an enemy sniper known simply as The Chechnian. Irving's astonishing first-person account of his development into an expert assassin offers a fascinating and

extremely rare view of special operations combat missions through the eyes of a Ranger sniper during the Global War on Terrorism. From the brotherhood and sacrifice of teammates in battle to the cold reality of taking a life to protect another, no other book dives so deep inside the life of an Army sniper on point. Navy SEAL Dogs St. Martin's Press  
Before there was Max, there was Mike. A true story much like the touching movie, Navy SEAL Dogs explores the incomparable relationship between trainer and military dog. From the author of Team Dog, Trident K9 Warriors gave readers an inside look at the Navy SEAL teams' elite K9 warriors—who they are, how they are trained, and the extreme missions they undertake to save lives. From detecting explosives to eliminating the bad guys, these powerful dogs are also some of the smartest and highest skilled working animals on the planet. Mike Ritland's job is to train them. This special edition re-telling presents the dramatic tale of how Ritland discovered his passion and grew up to become the trainer of the nation's most elite military working dogs. Ritland was a smaller-than-average kid who was often picked-on at school—which led him to spend more time with dogs at a young age. After graduating BUD/S training—the toughest military training in the world—to become a SEAL, he was on combat

---

deployment in Iraq when he saw a military working dog in action and instantly knew he'd found his true calling. Ritland started his own company to train and supply working and protection dogs for the U.S. Government, Department of Defense, and other clients. He also started the Warrior Dog Foundation to help retired Special Operations dogs live long and happy lives after their service. Navy SEAL Dogs is the true story of how Mike Ritland grew from a skinny, bullied child, to a member of our nation's most elite SEAL Teams, to the trainer of the world's most highly skilled K9 warriors.

The Dogs of War Skyhorse Publishing Inc. With troubles beginning as early as childhood, the trajectory of Shane Niemeyer's life seemed to have only one direction: down. His struggles with heroin addiction led him to jail, and he eventually hit rock bottom. Soon, his two pack a day cigarette habit was the healthiest thing he did. One dark night in jail, his suicide attempt failed. What happened next transcends the term recovery. *The Hurt Artist* is the searing yet luminous travelogue of Shane's powerful journey from suicidal addict to Ironman. He vividly depicts the landscape of pain in which he's lived his life—emotional and physical pain inflicted upon him and that he inflicts upon himself, pain that pulls him down, and, in detailing his training, the pain he harnesses to lift himself up. Ultimately, Shane's story is one of redemption and

triumph, a lesson in the value of second chances and a clear reminder that nobody, regardless of how seemingly desperate their circumstances, is beyond the reach of salvation. From inmate #71768 to Ironman Triathlon World Championship competitor #1419, Shane paints a stirring self-portrait in this hilarious, horrifying, and hopeful account that is sure to hook readers of edgy sports biographies.

**Navy SEALs BUD/S Preparation Guide** G.P. Putnam's Sons  
**THE INSTANT NATIONAL BESTSELLER** No Ordinary Dog is the powerful true story of a SEAL Team Operator and military dog handler, and the dog that saved his life. Two dozen Navy SEALs descended on Osama bin Laden's compound in May 2011. After the mission, only one name was made public: Cairo, a Belgian Malinois and military working dog. This is Cairo's story, and that of his handler, Will Chesney, a SEAL Team Operator whose life would be irrevocably tied to Cairo's. Starting in 2008, when Will was introduced to the SEAL canine program, he and Cairo worked side by side, depending on each other for survival on hundreds of critical operations in the war on terrorism. But their bond transcended their service. Then, in 2011, the call came: Pick up your dog and get back to Virginia. Now. What followed were several weeks of training for a secret mission. It soon became clear that this was no ordinary

operation. Cairo was among the first members of the U.S. military on the ground in Pakistan as part of Operation Neptune Spear, which resulted in the successful elimination of bin Laden. As Cairo settled into a role as a reliable "spare dog," Will went back to his job as a DEVGRU operator, until a grenade blast in 2013 left him with a brain injury and PTSD. Unable to participate in further missions, he suffered from crippling migraines, chronic pain, memory issues, and depression. Modern medicine provided only modest relief. Instead, it was up to Cairo to save Will's life once more—and then up to Will to be there when Cairo needed him the most.

**My Story of Surviving the Toughest Challenge and Training the Best**  
Rowman & Littlefield

An epic account of the Navy SEALs of Alpha platoon, the startling accusations against their chief, Eddie Gallagher, and the courtroom battle that exposed the dark underbelly of America's special forces—from a Pulitzer Prize-winning reporter "Meticulously assembled and brilliantly written . . . [a] remarkable and engrossing book."—*The New York Times*  
By official accounts, the Navy SEALs of Alpha platoon returned as heroes after their 2017 deployment to Mosul, following a vicious, bloody, and successful

---

campaign to drive ISIS from the city. But within the platoon a different war raged. Even as Alpha's chief, Eddie Gallagher, was being honored by the Navy for his leadership, several of his men were preparing to report him for war crimes, alleging that he'd stabbed a prisoner in cold blood and taken lethal sniper shots at unarmed civilians. Many young SEALs regarded Gallagher as the ideal special operations commando. Trained as a sniper, a medic, and an explosives expert, he was considered a battle-tested leader. But in the heat of combat, some in his platoon saw a darker figure—a man who appeared to be coming unhinged after multiple deployments in America's forever wars. Their excitement to work with a tough, experienced chief soon gave way to a grim suspicion that his thirst for blood seemed to know no bounds and a belief that his unpredictability was as dangerous as the enemy. In riveting detail, Pulitzer Prize-winning New York Times correspondent David Philipps reveals the story of a group of special operators caught in a moral crucible—should they uphold their oath and turn in their chief, or honor the SEALs' unwritten code of silence? It is also a larger story of how the

SEAL Teams drifted off course after 9/11, and of the "pirate" subculture that festered within their ranks—a secret brotherhood that, in a time of endless war with few clear victories, made the act of killing itself the paramount goal. The investigation and trial following Alpha's deployment—and Gallagher's ultimate acquittal on the most serious charges—would pit SEAL against SEAL, set the Navy brass on a collision course with President Donald Trump, and turn Gallagher into a political litmus test in a hotly polarized America. A page-turning tale of battle, honor, and betrayal, Alpha is a remarkable exposé of the fault lines fracturing a country that has been at war for a generation and counting.

**Team Dog** St. Martin's Press

America has its head wedged up so deep, we're looking at tonsils. What are you doing about it? If you're like most people, you're caught somewhere between a frustrated, partisan echo chamber and a finger-pointing media so afraid of being canceled that it's not raising the most important issues we face as a nation. Unfuck America is that rare, multipartisan, no-bull, sometimes-surprising, unstopably

honest, come-to-Jesus book that rises above the hopped-up codewords, gets beneath bias, and dismantles assumptions. It will knock you out of your political box and personal comfort zone to deliver empirical data, hope, critical thinking, and a field manual for individual action. ? Drawing from his wild range of experience and travel, Mike Ritland brings his broadened perspective and pattern-disrupting, four-principle framework to interrogate the country's border, mental health and social issues, inequality, guns, human trafficking, healthcare, and even parenting in his ruthlessly open-minded quest to save the country he fiercely dissects and loves.

*My Life and Missions with America's Elite Warriors* St. Martin's Griffin

The Inside Story of America's Ultimate Warriors When Osama bin Laden was assassinated, the entire world was fascinated by the men who had completed the seemingly impossible mission that had dogged the U.S. government for over a decade. SEAL Team 6 became synonymous with heroism, duty, and justice. Only a handful of the elite men who make up the SEALs, the US Navy's best and bravest, survive the legendary and grueling

selection process that leads to becoming a member of Team 6, a group so classified it technically does not even exist. There are no better warriors on Earth. Don Mann knows what it takes to be a brother in this ultra-selective fraternity. As a member of Seal Team Six for over eight years and a SEAL for over seventeen years, he worked in countless covert operations, operating from land, sea, and air, and facing shootings, decapitations, and stabbings. He was captured by the enemy and lived to tell the tale, and he participated in highly classified missions all over the globe, including Somalia, Panama, El Salvador, Colombia, Afghanistan, and Iraq. As a coordinator for several civilian SEAL training programs, and as a former Training Officer of SEAL Team Six, he was directly responsible for shaping the bodies and minds of SEALs who carried out the assassination of Osama bin Laden. But to become a SEAL, Mann had to overcome his own troubled childhood and push his body to its breaking point--and beyond. *INSIDE SEAL TEAM 6* is a high octane narrative of physical and mental toughness, giving unprecedented insight to the inner workings of the training and secret missions of the world's most respected and feared combat unit.

*U.S. Military Working Dog Training Handbook*  
Bantam

Nicknamed "Mini-Man" for his diminutive stature, a mere five-foot-three and 125

pounds in his flight boots, chopper pilot Ron Alexander proved to be a giant in the eyes of the men he rescued from the jungles and paddies of Vietnam. With an unswerving concern for every American soldier trapped by enemy fire, and a fearlessness that became legendary, Ron Alexander earned enough official praise to become the second most decorated helicopter pilot of the Vietnam era. Yet, for Ron, the real reward came from plucking his fellow soldiers from harm's way, giving them another chance to get home alive. In *Taking Fire*, Alexander and acclaimed military writer Charles Sasser transport you right into the cramped cockpit of a Huey on patrol, offering a bird's eye view of the Vietnam conflict. Packed with riveting action and gritty "you-are-there" dialogue, this outstanding book celebrates the everyday heroism of the chopper pilots of Vietnam.

Harper Collins

Offering a unique perspective on dog training, a former Navy SEAL and trainer of military working dogs discusses the science behind gaining a companion dog's trust and achieving desired levels of canine obedience.

My Greatest Untold Missions and the Art of Being a Sniper Trident K9

Warriors My Tale from the Training Ground to the Battlefield with Elite Navy SEAL Canines

"Captures the essence of Naval Special Warfare from our storied beginnings to the current fight."

—Admiral WILLIAM H. McRAVEN  
Written with the unprecedented cooperation of the Naval Special Warfare community, this vivid and

definitive history of the U.S. Navy SEALs reveals the inside story behind the greatest combat operations of America's most celebrated warriors. Illustrated with forty pages of photographs and based on exclusive interviews with more than 100 U.S. frogmen (including multiple Medal of Honor recipients), here is "the first comprehensive history of the special operations force" (Military.com). New York Times bestselling authors Dick Couch—a former SEAL—and William Doyle chart the SEALs' story, from their origins in the daring Naval Combat Demolition Teams, Underwater Demolition Teams, Scouts and Raiders commando units, and OSS Operational Swimmers of World War II to their coming of age in Vietnam and rise to glory in Iraq and Afghanistan after 9/11. **Their Untold Story** Macmillan  
Ritland started his own company training and supplying dogs for the SEAL teams, U.S. Government, and Department of Defense. In "Trident K9 Warriors" he gives readers an inside look at these elite canines--who they are, how they are trained, and the extreme missions they undertake saving countless

lives, asking for little in the way of reward.
