"An important novel, rich in compassion for its anguished characters." —The New York Times Book Review This memorable, heartbreaking story opens in Addis Ababa, Ethiopia, 1974, on the eve of a revolution. Yonas kneels in his mother's prayer room, pleading to his god for an end to the violence that has wracked his family and country. His father, Hailu, a prominent doctor, has been ordered to report to jail after helping a victim of state-sanctioned torture to die. And Dawit, Hailu's youngest son, has joined an underground resistance movement—a choice that will lead to more upheaval and bloodshed across a ravaged Ethiopia. *Beneath the Lion's Gaze* tells a gripping story of family, of the bonds of love and friendship set in a time and place that has rarely been explored in fiction. It is a story about the lengths human beings

will go in pursuit of freedom and the human price of a national revolution. Emotionally gripping, poetic, and indelibly tragic, *Beneath the Lion's Gaze* is a transcendent and powerful debut.

Trieste and the Meaning of Nowhere A&C Black
Winner of the PEN/Open Book Award Winner of The Story Prize Spotlight Award A kaleidoscopic portrait of five generations scattered across Asia and the United States, *Inheritors* is a heartbreakingly beautiful and brutal exploration of a Japanese family fragmented by the Pacific side of World War II. A retired doctor is forced to confront the moral consequences of his wartime actions. His brother's wife, compelled to speak of a fifty-year-old murder, reveals the shattering realities of life in Occupied Japan. Half a century later, her estranged American granddaughter winds her way back East, pursuing her absent father's secrets. Decades into the future, two siblings face the consequences of their great-

grandparents' war as the world shimmers on the brink of an even more pervasive violence.

Grappling with the legacies of loss, imperialism, and war,

Inheritors offers an intricate tapestry of stories illuminating the complex ways in which we live, interpret, and pass on our tangled histories.

Divorcing W. W. Norton & Company

Now back in print for the first time since 1969, a stunning novel about childhood, marriage, and divorce by one of the most interesting minds of the twentieth century. Dream and reality overlap in *Divorcing*, a book in which divorce is not just a question of a broken marriage but names a rift that runs right through the inner and outer worlds of Sophie Blind, its brilliant but desperate protagonist. Can the rift be mended? Perhaps in

the form of a novel, one that goes back from present-day New York to Sophie's childhood in pre-World War II Budapest, that revisits the divorce between her Freudian father and her fickle mother, and finds a place for a host of further tensions and contradictions in her present life. The question that haunts *Divorcing*, however, is whether any novel can be fleet and bitter and true and light enough to gather up all the darkness of a given life. Susan Taubes's startlingly original novel was published in 1969 but largely ignored at the time; after the author's tragic early death, it was forgotten. Its republication presents a chance to discover a splintered, glancing, caustic, and lyrical work

by a dazzlingly intense and inventive writer. On Violence and On Violence Against Women Random House

This is the inside story of how Trieste found itself poised on a knife edge at the end of World War II.

Situated near the boundaries of Italy, Austria, and Yugoslavia, this pivotal port city was caught in May 1945 between advancing Allied, Russian, and Yugoslav armies on the strategically vital front lines of the nascent Cold War.

Germany lay defeated, and now there were new enemies - Russia and Communism. Told through the stories of twelve men and women from seven different countries, Flashpoint Trieste chronicles, on a human scale, the beginning of the

Cold War. A British colonel from the Special Operations Executive, a Maori officer from a New Zealand infantry battalion and a young Yugoslav partisan captain race for the city on May 1, 1945, with the Allies determined to beat Tito's forces and the Russians to the vital port. An American infantry general, decorated in combat in Italy, then holds the line as Trieste is divided between the American and British armies, and the Yugoslav Communist partisans of Marshal Josip Broz Tito. An American intelligence officer tracks wanted Nazis. An Italian woman Communist walks back to her native city from Auschwitz. An Austrian SS chief goes on the run to escape justice for the atrocities he committed in the city. Having survived the

war, everyone is now desperate to make it through the liberation. American investigators hunt for priceless artifacts looted by the Germans. British intelligence will stop at nothing to hold the line against encroaching Communism, and Italian partisans hunt down fascist collaborators. Life is fast and violent, as former warring parties make common cause against the Russians. As the postwar world order unfolds, the borders of the new Europe are being hammered out.

In Italy, an elderly mother awaits a reunion with the son stolen from her by the Nazis—"A darkly hypnotic kaleidoscope of a book" (The Jewish Daily Forward). Haya

Tedeschi sits alone in Gorizia, in northeastern Italy, surrounded by a basket of photographs and newspaper clippings. Now an old woman, she waits to be reunited after sixty-two years with her son, fathered by an SS officer and stolen from her by the German authorities as part of Himmler's clandestine Lebensborn project. Tedeschi reflects on her Catholicized Jewish family's experiences, in a narrative that deals unsparingly with the massacre of Italian Jews in the concentration camps of Trieste. Her obsessive search for her son leads her to photographs, maps, and fragments of verse, to testimonies from the Nuremberg trials and interviews with second-

generation Jews, and to eyewitness accounts of atrocities that took place on her doorstep. From this broad collage of material and memory arises the staggering chronicle of Nazi occupation in northern Italy that “explores the 20th century’s darkest chapter in an original way . . . an exceptional reading experience” (Minneapolis Star-Tribune).

NOW A MAJOR MOTION PICTURE • AN NPR BEST BOOK OF THE YEAR • From one the most virtuosic authors in the English language: a powerful novel, written with urgency and moral force, that explores life—and love—among the Nazi bureaucrats of Auschwitz. "A masterpiece.... Profound, powerful and morally urgent.... A benchmark for what serious

literature can achieve." —San Francisco Chronicle
Martin Amis first tackled the Holocaust in 1991 with his bestselling novel *Time's Arrow*. He returns again to the Shoah with this astonishing portrayal of life in "the zone of interest," or "kat zet"—the Nazis' euphemism for Auschwitz. The narrative rotates among three main characters: Paul Doll, the crass, drunken camp commandant; Thomsen, nephew of Hitler's private secretary, in love with Doll's wife; and Szmul, one of the Jewish prisoners charged with disposing of the bodies. Through these three narrative threads, Amis summons a searing, profound, darkly funny portrait of the most infamous place in history. An epilogue by the author elucidates Amis's reasons and method for undertaking this extraordinary project.

These stories brim with ideas, with firm outward

gazes upon the story's world and a bracing intellect involved beyond the self. Historical figures such as Edgar Allan Poe, William James, and Robert Hooke people them, but so do a man made of smoke, an orphaned woman who sews hats and handbags, and the alchemist Dr. Craft, who bottles starlight.

An aspiring young curator is attending the Venice Biennale when she is offered a position at the Nauk, Cape Cod's most cutting-edge art gallery. It's the job of her dreams, and she jumps at the chance. The wealthy, enigmatic founder who offered her the job, Bernard Augustin, fails to mention that Alena, the previous curator, died two years ago. Quickly, she finds herself in over her head. The Nauk echoes with phantoms of the past - a past obsessively preserved by the museum's staff - and the newcomers every move mires her deeply in artistic, erotic, and emotional entanglements. **Crossings** HarperCollins During a visit to Trieste in Northern Italy to research

his long lost great-grandfather, Jacob meets Charlotte and Jane, and the three are forced to confront their individual and shared histories. Their sense of themselves is challenged and they must piece together a future none of them saw coming. *A Perfect Mother* asks big questions: What do we inherit from the broken histories of our parents and our grandparents and how does this shape our own sense of identity? Can we ever escape the past? Are stories, the ones we are told and the ones we tell, integral to how we know each other and how we love? What does it mean to be a good parent, let alone the perfect mother? *Dark Mother Earth* Farrar, Straus and Giroux

A major work of contemporary fiction from a “leading light of international literature” (Publishers Weekly, starred review), Hanne Ørstavik, whose last novel, *Love*, won the PEN Translation Prize. A thought-provoking, existential novel – as Liv searches for meaning and identity in her own life, she must find the words to connect, comfort and lead others. Liv, an intense and reticent theologian, moves to a bitterly cold fishing village to take up a post as the church’s new pastor following the death of her friend, Kristiane. In the upper rooms of a large house overlooking the fjord, Liv plans her sermons and studies the violent interplay of Norway’s Christian colonial past. She trails downstairs into the apartment below for dinners and breakfasts with a widow and her two children. As Liv becomes acquainted with the villagers and their own private tragedies, memories bloom in passages that urgently question the unpredictable

bedrock of language, and the peculiar channels of imagined experience as it might have been, if only there had been a different set of words, or an outstretched hand. The past mingles darkly with the present, cascading in chilling images: a dog lying dead in the snowy plains, Kristiane's teeth flashing as she laughs, a procession of singing, knife-carrying protesters curving along a river's edge. Martin Aitken's translation of this extraordinary novel rings with the brilliance and rigor of a master.

Slavenka Drakulic attended the Serbian war crimes trial in the Hague. This important book is about how ordinary people commit terrible crimes in wartime. With extraordinary story-telling skill Drakulic draws us in to this difficult subject. We cannot turn away from her subject matter because her writing is so engaging, lively and compelling. From the monstrous Slobodan

Milosevich and his evil Lady Macbeth of a wife to humble Serb soldiers who claim they were 'just obeying orders', Drakulic brilliantly enters the minds of the killers. There are also great stories of bravery and survival, both from those who helped Bosnians escape from the Serbs and from those who risked their lives to help them.

The Pasha's Concubine and Other Tales New York Review of Books

Dieter Schlesak's haunting novel *The Druggist of Auschwitz*—beautifully translated from the German by John Hargraves—is a frighteningly vivid portrayal of the Holocaust as seen through the eyes of criminal and victim alike. Adam, known as "the last Jew of Schäßburg," recounts with disturbing clarity his imprisonment at the infamous Auschwitz concentration camp. Through Adam's fictional

narrative and excerpts of actual testimony from the Frankfurt Auschwitz Trial of 1963–65, we come to learn of the true-life story of Dr. Victor Capesius, who, despite strong friendships with Jews before the war, quickly aided in and profited from their tragedy once the Nazis came to power. Interspersed with historical research and the author's face-to-face interviews with survivors, the novel follows Capesius from his assignment as the "sorter" of new arrivals at Auschwitz—deciding who will go directly to the gas chamber and who will be used for labor—through his life of lavish wealth after the war to his arrest and eventual trial. Schlesak's seamless incorporation of factual data and testimony—woven into Adam's dreamlike remembrance of a world

turned upside down—makes *The Druggist of Auschwitz* a vital and unique addition to our understanding of the Holocaust.

Going Under Crown

The epic story of war and medicine from the award-winning author of *North Woods* and *The Piano Tuner* is "a dream of a novel...part mystery, part war story, part romance" (Anthony Doerr, author of *All the Light We Cannot See*). Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe. Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital. But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete

remains. But Lucius has never lifted a surgeon's scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day, an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. He seems beyond rescue, until Lucius makes a fateful decision that will change the lives of doctor, patient, and nurse forever. From the gilded ballrooms of Imperial Vienna to the frozen forests of the Eastern Front; from hardscrabble operating rooms to battlefields thundering with Cossack cavalry, *The Winter Soldier* is the story of war and medicine, of family, of finding love in the sweeping tides of history, and finally, of the mistakes we make, and the precious opportunities to atone. "The Winter Soldier brims with improbable narrative pleasures...These pages crackle with excitement... A spectacular

success." —Anthony Marra, New York Times Book Review

Archipelago

One hundred years ago, Trieste was the chief seaport of the entire Austro-Hungarian empire, but today many people have no idea where it is. This fascinating Italian city on the Adriatic, bordering the former Yugoslavia, has always tantalized Jan Morris with its moodiness and melancholy. She has chosen it as the subject of this, her final work, because it was the first city she knew as an adult -- initially as a young soldier at the end of World War II, and later as an elderly woman. This is not only her last book, but in many ways her most

complex as well, for Trieste has come to represent her own life with all its hopes, disillusionments, loves and memories. Jan Morris evokes Trieste's modern history -- from the long period of wealth and stability under the Habsburgs, through the ambiguities of Fascism and the hardships of the Cold War. She has been going to Trieste for more than half a century and has come to see herself reflected in it: not just her interests and preoccupations -- cities, empires, ships and animals -- but her intimate convictions about such matters as patriotism, sex, civility and kindness. Trieste and the Meaning of Nowhere is the culmination of a singular

career.

The Human Mind Vintage 'An immense work of love and anger, a book Bram Presser was born to write.' Joan London They chose not to speak and now they are gone...What's left to fill the silence is no longer theirs. This is my story, woven from the threads of rumour and legend. Jakub Rand flees his village for Prague, only to find himself trapped by the Nazi occupation. Deported to the Theresienstadt concentration camp, he is forced to sort through Jewish books for a so-called Museum of the Extinct Race. Hidden among the rare texts is a tattered prayer book, hollow inside, containing a small pile of dirt. Back in the city, Františka Roubířková picks over the embers of her failed marriage, despairing of her conversion to

Judaism. When the Nazis summon her two eldest daughters for transport, she must sacrifice everything to save the girls from certain death. Decades later, Bram Presser embarks on a quest to find the truth behind the stories his family built around these remarkable survivors. *The Book of Dirt* is a completely original novel about love, family secrets, and Jewish myths. And it is a heart-warming story about a grandson's devotion to the power of storytelling and his family's legacy. Bram Presser was born in Melbourne in 1976. His stories have appeared in *Best Australian Stories*, *Award Winning Australian Writing*, *The Sleepers Almanac* and *Higher Arc*. His 2017 debut novel, *The Book of Dirt*, won the 2018 Goldberg Prize for Debut Fiction in the US National Jewish Book Awards, the

2018 Voss Literary Prize and three awards in the 2018 NSW Premier's Literary Awards: the Christina Stead Prize for Fiction, the UTS Glenda Adams Award for New Writing and The People's Choice Award. 'The lyrical, impassioned and culturally rich prose of *The Book of Dirt*, and its moral force, bears echoes of such great Jewish writers as Franz Kafka (Presser inherited his grandfather's copy of *The Trial*), Elie Wiesel, Primo Levi, Isaac Bashevis Singer and Cynthia Ozick...It is a major book, and one for the times: while I was reading it, neo-Nazis in America brought fatal violence to Charlottesville, and, in Melbourne, neo-Nazis placed posters in schools calling for the killing of Jews to be legalised...*The Book of Dirt* is a courageous work, as necessary for us to

read as it was for Presser to write.’ Saturday Paper ‘A beautiful literary mind.’ A.S. Patri? ‘Meet Bram Presser, aged five, smoking a cigarette with his grandmother in Prague. Meet Jakub Rand, one of the Jews chosen to assemble the Nazi’s Museum of the Extinct Race. Such details, like lightning flashes, illuminate this audacious work about the author’s search for the grandfather he loved but hardly knew. Working in the wake of writers like Modiano and Safran Foer, Presser brilliantly shows how fresh facts can derail old truths, how fiction can amplify memory. A smart and tender meditation on who we become when we attempt to survive survival.’ Mireille Juchau ‘The Book of Dirt is a grandson’s tender act of devotion, the product of a quest to rescue family voices from the silence, to bear witness, drawing on legend, journey and history, and shaped by extraordinary storytelling.’ Arnold Zable ‘A remarkable tale of Holocaust survival, love and genealogical sleuthing...A beautiful tale that will stay with the reader long after the book’s end.’ Books+Publishing ‘It’s hard not to be captured from the opening epigraph...[A] magnificent ode to all that is lost.’ Longin to Be ‘It is difficult to convey the breadth and nuance of this extraordinary work. It is a book about how history is made—and about who is allowed the privilege to remake it. There are echoes here of Sebald’s biting honesty and Chabon’s long and rewarding vignettes. An absolute pleasure to read.’ Readings ‘As in Sebald’s prose narratives, Presser’s novel inhabits and the

dynamic region between fiction and non-fiction.’ Australian Book Review ‘An impressive and captivating story of remembrance, a journey into the past for the sake of deciphering our present.’ Dasa Drndic ‘In The Book of Dirt the fractured lines of memory create a gripping story of survival and love.’ Leah Kaminsky ‘I found Bram Presser’s The Book of Dirt impossible to forget. Penetrating, soulful, and surprisingly welcoming, it reminded me of my own ancestors and how easy it is to sidestep the past.’ Barry Scott, Australian Book Review, 2017 Publisher Picks ‘Presser blurs the boundaries of fact and fiction in a compelling way...A wonderful and original book, told in rich, lyrically beautiful prose that is laden with history and cultural meaning.’ Good

Reading ‘A combination of homage, mystery, family history and a sepia-toned love story...The Book of Dirt is magnificent.’ ANZ LitLovers ‘A heartfelt and original attempt to bridge the ever-growing gaps between history, memory and silence...Its heart beats so earnestly, and so loud...What Presser has produced is a meditation on the ethics of storytelling, of the duties we owe to the people whose stories we tell, and to the people whose stories we don’t.’ Australian ‘Always surprising and beautifully complex, and both deft and sensitive in its handling of its intertwined narratives and materials. It is an incredibly affecting book, one that lingers long after reading—and a remarkably assured debut.’ Age ‘A gripping tale of survival and an absorbing novelisation of

his family's extraordinary lives...Presser fills in the gaps in his grandfather's story with vivid character studies; together with poignant black and white snapshots, he brings them evocatively to life. His poetic narrative is a perfect foil for the silences of his forbears.' Toowoomba Chronicle 'The Book of Dirt is both a loving, honest portrayal of lives that would have been erased, and an incorporation of the broader lessons of their experience into contemporary mythology. It keeps the discussion about trauma, memory, and intergenerational acts of transfer alive for those generations that follow, that risk forgetting. It is a potent achievement for a debut novel.' A BOOKLIST BEST DEBUT NOVEL OF THE YEAR One very special work of art—a Chaim Soutine painting—will connect the lives and fates of two different women, generations apart, in this enthralling and transporting debut novel that moves from World War II Vienna to contemporary Los Angeles. It is 1939 in Vienna, and as the specter of war darkens Europe, Rose Zimmer's parents are desperate.
