I just got home from the Trig regents and I thought it was incredibly difficult, I took multiple practice regents prior to taking this test and I always scored above an 80. But on today's test I'm not even sure if I passed. I really struggled on the second part. Does anyone remember any of their answers or have the password to get to the scoring key on the regents website? I just really want ...

I think like many I'm anxiously awaiting to see what score I received on the Algebra 2 Trig regents and I think I'm worrying myself over it a bit too much. I've always been a straight A student, but this class has really taken a toll on me this year. I passed with high B's in the class for the first 3 quarters, but this last quarter I barely made it by with a 66 for the quarter in that class ...
