Trigger Warning: Is the Fear of Being Offensive Killing Free Speech? William Morrow
Shadow is a man with a past. But now he wants nothing more than to live a quiet life with his wife and stay out of trouble. Until he learns that she's been killed in a terrible accident. Flying home for the funeral, as a violent storm rocks the plane, a strange man in the seat next to him introduces himself. The man calls himself Mr. Wednesday, and he knows more about Shadow than is possible. He warns Shadow that a far bigger storm is coming. And from that moment on, nothing will ever be the same...

A *Neverwhere* short story from one of the brightest, most brilliant writers of our generation - the Sunday Times and New York Times bestselling author of the award-winning *The Ocean at the End of the Lane*. The coat. It was elegant. It was beautiful. It was so close that he could have reached out and touched it. And it was unquestionably his. *** 'Gaiman's achievement is to make the fantasy world seem true' *The Times*

The Way of Kings William Morrow Paperbacks
From one of the most critically acclaimed and beloved storytellers of our time comes a major new collection of stories and verse "We each have our little triggers . . . things that wait for us in the dark corridors of our lives." So says Neil Gaiman in his introduction to *Trigger Warning*, a remarkable compendium of twenty-five stories and poems that explore the transformative power of imagination. In "Adventure Story"—a thematic companion to the #1 New York Times bestselling novel *The Ocean at the End of the Lane*—Gaiman ponders death and the ways in which people take their stories with them when they die. "A Calendar of Tales" is comprised of short pieces about the months of the year—stories of pirates and March winds, an igloo made of books, and a Mother's Day card that portends disturbances in the universe. Gaiman offers his own ingenious spin on Sherlock Holmes in his award-nominated mystery tale "The Case of Death and Honey." Also included is "Nothing O'Clock," a very special Doctor Who story that was written for the beloved series in 2013, as well as the never-before-published "Black Dog," a haunting new tale that revisits the world of *American Gods* as Shadow Moon stops in at a village pub on his way back to America. Gaiman, a sophisticated writer whose creative genius is unparalleled, entrances with his literary alchemy and transports us deep into an undiscovered country where the fantastical becomes real and the everyday is incandescent. Replete with wonder and terror, surprises and amusements, *Trigger Warning* is a treasury of literary delights that engage the mind, stir the heart, and shake the soul.

A NIGHT FOUR FRIENDS COULD NOT FORGET. A LIFETIME OF SECRETS. From the number one bestselling author of *The Paper Bracelet* and *The American Girl* comes a compelling story of friendship, a small town, and a big secret . . . filled with warmth, drama and an unforgettable twist, *The Night of the Party* is perfect for fans of Kathryn Hughes, Susan Lewis and Emily Gunnis.

January 1982. In the rural village of Kilmitten, the Crossan family is holding its annual party during the biggest snowstorm Ireland has seen in decades. By the end of the night, the parish priest has been found dead, in suspicious circumstances. For Tom, Conor, Tess and Nina, four teenage friends who were there, life will never be the same. One of them carries a secret and, as the years pass and their lives diverge, a bond that won't be broken silently holds. As the thirty-fifth anniversary of the priest's death approaches, Conor, now a senior police officer, has reason to believe that Tom - a prominent politician - can help identify the killer. As his dilemma draws the four friends back together, all are forced to question their lives and to confront their differences. *THE LETTER HOME, THE NEW NOVEL FROM RACHAEL ENGLISH, IS AVAILABLE NOW*

A LITTLE TRIGGER HarperCollins UK

In this modern hardcover retelling of a classic commedia dell'arte legend of tomfoolery and hopeless, fawning love, creators Neil Gaiman (*The Sandman*, the Newbery Medal-winning *The Graveyard Book*) and John Bolton (*Evil Dead*) update the relationship of Harlequin and Columbine. A buffoon burdened with a brimming heart, Harlequin chases his sensible, oblivious Columbine around the city streets, having given his heart freely. Consumed with love, the impulsive clown sees his heart dragged about town, with a charming surprise to bend the tale in a modern direction. Gaiman's writing is poetic and as heartfelt as the subject matter. Bolton's art, a combination of digitally enhanced photorealism and dynamic painting, provides sensational depth with bright characters over fittingly muted backgrounds. Those who have spent Valentine's Day alone are aware that the cold February holiday can be hard to swallow. Gaiman and Bolton want you to know that all it takes is a steak knife, a fork, and a bottle of quality ketchup!

Songs of Love and Death Hachette UK

From the USA Today – bestselling authors of *Stand Your Ground* comes the explosive story of a liberal college under siege—and freedom under fire. Former Army Ranger Jake Rivers is not your typical Kelton College student. He is not spoiled, coddled, or ultra-lib like his classmates who sneer at the “soldier boy.” But regardless of his differences with the rest of the student body, he needs an education. And when terror strikes, the school needs Jake. Without warning, the sounds of gunfire plunge the campus into a battle zone. A violent gang of marauders invade the main hall, taking students hostage for ransom. As a veteran and patriot, Jake won't give in to their demands. But to fight back, he needs to enlist his fellow classmates and school them in the not-so-liberal art of war. This time, the aggression isn't “micro.” It's life or death. And only the strong survive.

It Ends with Us Harper Collins

A NEW YORK TIMES BESTSELLER! "The perfect kind of story for our current era."—Hypable From the author of *Burn Our Bodies Down*, a feminist Lord of the Flies about three best friends living in quarantine at their island boarding school, and the lengths they go to uncover the truth of their confinement when one disappears. This fresh debut is a mind-bending novel unlike anything you've read before. It's been eighteen months since the Raxter School for Girls was put under quarantine. Since the Tox hit and pulled Hetty's life out from under her. It started slow. First the teachers died one by one. Then it began to infect the students, turning their bodies strange and foreign. Now, cut off from the rest of the world and left to fend for themselves on their island home, the girls don't dare wander outside the school's fence, where the Tox has made the woods wild and dangerous. They wait for the cure they were promised as the Tox seeps into everything. But when Byatt goes missing, Hetty will do anything to find her, even if it means breaking quarantine and braving the horrors that lie beyond the fence. And when she does, Hetty learns that there's more to their story, to their life at Raxter, than she could have ever thought true. And don't miss Rory Power's second novel, *Burn Our Bodies Down!* Praise for *Wilder Girls*: 4 STARRED REVIEWS! "Take Annihilation, add a dash of Contagion, set it at an all-girls' academy, and you'll arrive at Rory Power's occasionally shocking and always gripping *Wilder Girls*."--Refinery29 "This thrilling saga...is sure to be one of the season's most talked-about books, in any genre."--EW "Fresh and horrible and beautiful....readers will be consumed and altered by *Wilder Girls*."--NPR

From the #1 New York Times bestselling author of *It Ends With Us* comes the beginning of Sky and Dean 's passionate love story — where well-kept secrets threaten to open wounds of a dark past. Would you rather know a truth that makes you feel hopeless, or keep believing the lies? Beloved and bestselling author Colleen Hoover returns with the spellbinding story of two young people with devastating pasts who embark on a passionate, intriguing journey to discover the lessons of life, love, trust — and above all, the healing power that only truth can bring. Sky, a senior in high school, meets Dean Holder, a guy with a promiscuous reputation that rivals her own. From their very first encounter, he terrifies and captivates her. Something about him sparks memories of her deeply troubled past, a time she 's tried so hard to bury. Though Sky is determined to stay far away from him, his unwavering pursuit and enigmatic smile break down her defenses and the intensity of the bond between them grows. But the mysterious Holder has been keeping secrets of his own, and once they are revealed, Sky is changed forever and her ability to trust may be a casualty of the truth. Only by courageously facing the stark revelations can Sky and Holder hope to heal their emotional scars and find a way to live and love without boundaries. *Hopeless* is a novel that will leave you breathless, entranced, and remembering your own first love.

Black Dog Pocket Books

In this “ brave and heartbreaking novel that digs its claws into you and doesn 't let go, long after you 've finished it ” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can 't stop thinking about her first love. Lily hasn 't always had it easy, but that 's never stopped her from working hard for the life she wants. She 's come a long way from the small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily 's life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He 's also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn 't hurt. Lily can 't get him out of her head. But Ryle 's complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “ no dating ” rule, she can 't help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “ a glorious and touching read, a forever keeper. The kind of book that gets handed down ” (USA TODAY).
