In the third exhilarating novel in this dazzling epic fantasy series, a young outcast will fight against staggering odds to save her world. On the planet Abeth, a narrow Corridor of green land is surrounded on all sides by ice plains where only the strong survive. Ice triber Yaz has completed a perilous journey and arrived at the Corridor, and it exceeds and overwhelms all of her expectations. Everything seems different but some constants remain: her old enemies are still two steps ahead, bent on her destruction. She makes her way to the Convent of Sweet Mercy, where nuns train young girls who show the old gifts, but like the Corridor itself the convent is packed with peril and opportunity. Yaz has much to learn from the nuns—if they don't decide to execute her. The fate of everyone squeezed between the Corridor's vast walls, and ultimately the fate of those laboring to survive out on ice itself, hangs from the moon, and the battle to save the moon centers on the Ark of the Missing, buried beneath the emperor's palace. Everyone wants Yaz to be the key that will open the Ark – the one the wise have sought for generations. But sometimes wanting isn't enough.

Trollslayer Black Library

This farcical glimpse into the engineering culture of the late 20th-century industrial-Midwest is like the cut on a bolt, at times coarse, at times fine. Three engineers walk into a subterranean tinkerer's paradise and converge to forestall the demise of a dying manufacturing plant. The fate of a fourth, the unknown railroad engineer, is in their hands. The philosophical *Vince Steele*, a fresh engineering graduate, dreams to enter industry as a company man and proposes to merge his passion for poetry with his chosen career into an innovative business model. *Vince* is teamed with two higher-ranking, pragmatic veterans of industry, specialists in applied fluid mechanics and cold-air machines, whose careers are on life support: *Verne*, a colloquial, freelancer; and the Director of Engineering, an anxious, company loyalist. Sales professionals, better halves and special guests round out the cast of characters. A vision of *Vince Steele*,

Death of an Engineer is an existential portrayal of the intermediate space between death and rebirth, within the revolving ellipse of power.
