Winner of the Michael L. Printz Award * ALA Best Book for Young Adults * Kirkus Best Book *Jellicoe Road* is a dazzling tale that is part love story, part family drama, and part coming-of-age novel. Described by Kirkus as "a beautifully rendered mystery" and by VOYA as "a great choice for

more sophisticated readers and those teens who like multifaceted stories and characters." Abandoned by her mother on *Jellicoe Road* when she was eleven, Taylor Markham, now seventeen, is finally being confronted with her past. But as the reluctant leader of her boarding school dorm, there isn't a lot of time for introspection. And while Hannah, the closest adult Taylor has to family, has disappeared, Jonah Griggs, the boy who

might be the key to unlocking the secrets for Taylor's past, is back in town, moody stares and all. In this absorbing story by Melina Marchetta, nothing is as it seems and every clue leads to more questions as Taylor tries to work out the connection between her mother dumping her; Hannah finding her; Hannah's sudden departure; a mysterious stranger who once whispered something in her ear; a boy in her dreams; five kids who lived on

Jellicoe Road eighteen years ago; and the maddening and magnetic Jonah Griggs, who knows her better than she thinks he does. If Taylor can put together the pieces of her past, she just might be able to change her future.

The Shadow Keeper
Penguin

In this dazzling debut novel, a pregnant teen learns the meaning of friendship—from the boy who pretends to be her baby's father. When the entire high

school finds out that Hannah Shepard is pregnant via her ex-best friend, she has a full-on meltdown in her backyard. The one witness (besides the rest of the world): Aaron Tyler, a transfer student and the only boy who doesn't seem to want to get into Hannah's pants. Confused and scared, Hannah needs someone to be on her side. Wishing to make up for his own past mistakes, Aaron does

the unthinkable and offers to pretend to be the father of Hannah's unborn baby. Even more unbelievable, Hannah hears herself saying "yes." Told in alternating perspectives between Hannah and Aaron, *Trouble* is the story of two teenagers helping each other to move forward in the wake of tragedy and devastating choices. In a year marked by loss, regret, and

hope, the two will discover a simple truth: Nothing compares to finding your first, true best friend. Super-readable YA - Second Best Friend St. Martin's Griffin The first in a six-book series, *We the Children* follows Ben, his tech-savvy friend, Jill, and the class know-it-all, Robert, as they uncover a remarkable history and use it to protect the school.

Sixth grader Benjamin Pratt loves history, which makes going to the historic Duncan Oakes School a pretty cool thing. But a wave of commercialization is hitting the area and his beloved school is slated to be torn down to make room for an entertainment park. This would be most kids' dream—except there's more to the developers than meets the eye... and more to

the school. Because weeks before the wrecking ball is due to strike, Ben finds an old leather pouch that contains a parchment scroll with a note three students wrote in 1791. The students call themselves the Keepers of the School, and it turns out they're not the only secret group to have existed at Duncan Oakes.
