NEW YORK TIMES and USA TODAY BESTSELLING AUTHOR, ELLE CASEY, brings readers the High Seas and High Adventure novel WRECKED. With over 500 5-star ratings on Goodreads, readers love Wrecked! After their cruise goes horribly wrong, four very different teenagers find themselves shipwrecked on a tropical island. When forced to work together, they discover they have more in common than they ever imagined... Cast Away meets The Breakfast Club in this fun read from a New York Times bestselling author. ~BookBub Content Warning: Contains some foul language and non-explicit sex scenes between older teens. May not be appropriate for younger, middle-grade teens. HERE'S WHAT READERS ARE SAYING ABOUT WRECKED: "AMAZING, AMAZING, AMAZING! I'm not sure how to begin this review and remain professional... so I'll just be honest. I FUDGING loved this book! (SOOO SOOO MUCH!) It was fantastic!..." ~ Nancy Figueroa, Tumbling Books, book blog "A Fun Debut Novel! My favorite part of the book was their time on the island. The character dynamics were well done, and Casey clearly put a lot of thought into what they would need to do to survive, not just physically but emotionally. This was a fun book and a promising debut novel..." ~ Ally Arendt, Word Vagabond "Fun read! I am a big fan of young adult books, this is one of my favorites. I have actually re read this book multiple times." ~ Hipsterduck, Amazon Reviewer "This book, for lack of a better word, was amazing. From the character intros, to the last page, I was intrigued. Elle clearly understood teens, because all of their motivations and goals were believable; even the way in which they became stranded was believable. I LOVED EVERY aspect of this book. I definitely recommend it, a must-read." ~ Brandon, Goodreads Reviewer A note about the series: I pretty much grew up on the East Coast of Florida, so I went to the beach a lot, and whenever I did, I was always looking out at the water wondering ... "What if...?" What if I were stranded out on a boat somewhere, in shark-infested waters, and then washed up on a beach of a deserted island... How would I survive? For probably 30 years or more, I contemplated these questions every time I went to the beach or thought about the water, so I had a LOT of time to think about the details. This book was inside my head, in the making, for a really long time. That's why it's the first book I wrote, because it was finally time to get it out of my head and onto paper (or I should say, into my computer). When I found out about self-publishing for the Kindle, I thought, "What the heck? Maybe someone will like it as much as I do." Now, several years later, with over 40 books written and a few spots on the New York Times and USA Today bestseller lists, I can say that it was one of the best decisions I've ever made. It literally changed my life. I'm really glad that I spent so much time daydreaming while I was at the beach, and I'm even happier that I took a chance on this story and shared it with the world. \*\*SEQUEL ALERT\*\* This book was originally written without plans for a sequel. But so many readers asked for one, it was done. Published on December 31, 2012, RECKLESS picks up where WRECKED left off.

~ Amazon Reviewer About this series: I'd never been to New York City before, but I knew I would love it and wanted to write a story that was set in the most exciting city in the world. So I hopped on a plane with my friend Susan and spent 5 whirlwind days there, soaking up the culture, seeing the sights and nailing down the scenes that would eventually end up in this series. Celebrities all suffer from the same disease. I call it the create-your-own-reality disease.

Most of them start out normal, like you and me, but somewhere along the way they lose sight of up and down, left and right, and then eventually right and wrong. It's my job to fix that. Who hires me, Scarlett Barnes, otherwise known as 'The Normalizer'? Agents usually. Producers sometimes. They know they can trust me to be professional, discreet, and above all, not personally involved with my clients. I come in, I take over their lives, and I get them back on track. Help them remember what it's like to be an average Joe. My latest job acquisition? His friends call him Tear-It-Up Kilgour, but I just call him Tarin - lead singer and guitarist for the band By Degrees. I have thirty days to get his butt back on planet earth before he loses his record deal, his movie contract, and possibly even his life. I've never failed so far, and I don't plan on failing this time either, even if Tarin has other ideas.

Cade has always been careful to keep his own desires on the down low, but his hot Italian boss proves to be a temptation he can't resist. Sure, they both have so much to lose, but no one will ever know... INSTANT #1 NEW YORK TIMES BESTSELLER A Best Book of the Year: The New Yorker, The Guardian, The Sunday Times, The Daily Mail, Good Morning America, She Reads Famed American actress Demi Moore at last tells her own story in a surprisingly intimate and emotionally charged memoir. For decades, Demi Moore has been synonymous with celebrity. From iconic film roles to

high-profile relationships, Moore has never been far from the spotlight—or the headlines. Even as Demi was becoming the highest paid actress in Hollywood, however, she was always outrunning her past, just one step ahead of the doubts and insecurities that defined her childhood. Throughout her rise to fame and during some of the most pivotal moments of her life, Demi battled addiction, body image issues, and childhood trauma that would follow her for years—all while juggling a skyrocketing career and at times negative public perception. As her success grew, Demi found herself questioning if she belonged in Hollywood, if she was a good mother, a good actress—and, always, if she was simply good enough. As much as her story is about adversity, it is also about tremendous resilience. In this deeply candid and reflective memoir, Demi pulls back the curtain and opens up about her career and personal life—laying bare her tumultuous relationship with her mother, her marriages, her struggles balancing stardom with raising a family, and her journey toward open heartedness. Inside Out is a story of survival, success, and surrender—a wrenchingly honest portrayal of one woman's at once ordinary and iconic life.

About this series: Normally this is the spot where I write what inspired the story or the series you see above, and usually it's a tale about a person I knew or heard about, or a dream I had ... but this time, nope. Not at all. This entire series was inspired by the cover model on Book 1. There's never a slow or dull moment nor is there ever a dip in the plot. Usually in most books there's at least a boring passage or two but Mrs. Casey's books never have a dull moment. She can make a simple conversation between friends just as exciting and fun as a big fight scene. In fact some of my favorite moments in her books are just when her characters are interacting, making fun of each other or just eating lunch. The characters are so real and vivid that I find myself missing them once I've finished a series..." ~ Jamie, Blogger and Goodreads reviewer This series is dedicated to the amazing, wonderful Native Americans who populate our nation, continuing their traditions and reminding the rest of us that sometimes, progress isn't always the best thing for our people.
