HERE'S WHAT READERS ARE SAYING ABOUT WAR OF THE FAE, BOOK 3: "The one thing I can always count on from author Elle Casey, is her uncanny ability to hook a reader into a story or series, and tie them relentlessly into the journey of not only the main protagonist, but also all supporting characters, both good and not so nice. The War of the Fae series is perhaps one of the best examples of this magical connection with her readers. Casey has created a whole world of characters that you very quickly care very much about." ~Lisa Ann, Reviewer on Goodreads "The drama flew through the roof. Jayne's powers are growing and the demand on her is insane. What I really loved about Call to Arms was the intricacy of the plot and how issues were placed against issues and desires were placed against desires to create a world that did not adhere to a strict and typical diet of 'paranormal young adult fantasy'. Jayne is still cracking jokes, is still cursing, is still making stupid decisions, is still relateable, still has ulterior motives, still is Jayne." ~Marlon Balraj, Blogger and Reviewer at We Live and Breathe Books blog "Better and better. I can't think if a single thing in this series that I don't like and that is saying a lot. The further I get into it the more I can't stop reading. Definitely a series you want to read in order and well worth the read." ~ Amazon Reviewer "Each book gives you more and more. Books 1,2,3 were fantastic.

Each book after gives you more and more insight into each character. I am reading these books faster than most because the writer keeps me interested. The anticipation of the next twist is what keeps me wanting to turn the page.” ~ Margaret Thomas, Amazon Reviewer A message from the author: A reader fan recently set up a blog dedicated to casting the actors for the War of the Fae movie. I Survived the Great Chicago Fire, 1871 (I Survived #11)  
Montlake Romance

From the internationally bestselling author of Nefertiti and Cleopatra 's Daughter comes the breathtaking story of Queen Lakshmi—India 's Joan of Arc—who against all odds defied the mighty British invasion to defend her beloved kingdom. When the British Empire sets its sights on India in the mid-nineteenth century, it expects a quick and easy conquest. India is fractured and divided into kingdoms, each independent and wary of one another, seemingly no match for the might of the English. But when they arrive in the Kingdom of Jhansi, the British army is met with a surprising challenge. Instead of surrendering, Queen Lakshmi raises two armies—one male and one female—and rides into battle, determined to protect her country and her people. Although her soldiers may not appear at first to be formidable against superior British weaponry and training, Lakshmi refuses to back down from the empire determined to take away the land she loves. Told from the unexpected perspective of Sita—Queen Lakshmi 's most favored companion and most trusted soldier in the all-female army—Rebel Queen shines a light on a time and place rarely explored in historical fiction. In the tradition of her bestselling novel, Nefertiti, and through her strong, independent heroines fighting to make their way in a male dominated world, Michelle Moran brings nineteenth-century India to rich, vibrant life.

It was fantastic!...)..." ~ Nancy Figueroa, Tumbling Books, book blog " A Fun Debut Novel! My favorite part of the book was their time on the island. The character dynamics were well done, and Casey clearly put a lot of thought into what they would need to do to survive, not just physically but emotionally. This was a fun book and a promising debut novel..." ~ Ally Arendt, Word Vagabond " Fun read! I am a big fan of young adult books, this is one of my favorites. I have actually re read this book multiple times. " ~ Hipsterduck, Amazon Reviewer " This book, for lack of a better word, was amazing. From the character intros, to the last page, I was intrigued. Elle clearly understood teens, because all of their motivations and

goals were believable; even the way in which they became stranded was believable. I LOVED EVERY aspect of this book. I definitely recommend it, a must-read. " ~ Brandon, Goodreads Reviewer A note about the series: I pretty much grew up on the East Coast of Florida, so I went to the beach a lot, and whenever I did, I was always looking out at the water wondering ... " What if...? " What if I were stranded out on a boat somewhere, in shark-infested waters, and then washed up on a beach of a deserted island... How would I survive? For probably 30 years or more, I contemplated these questions every time I went to the beach or thought about the water, so I had a LOT of time to think about the details. This book was inside my head, in the making, for a really long time. That ' s why it ' s the first book I wrote, because it was finally time to get it out of my head and onto paper (or I should say, into my computer). When I found out about self-publishing for the Kindle, I thought, " What the heck? Maybe someone will like it as much as I do. " Now, several years later, with over 40 books written and a few spots on the New York Times and USA Today bestseller lists, I can say that it was one of the best decisions I ' ve ever made. It literally changed my life. I ' m really glad that I spent so much time daydreaming while I was at the beach, and I ' m even happier that I took a chance on this story and shared it with the world. \*\*SEQUEL ALERT\*\* This book was

originally written without plans for a sequel. But so many readers asked for one, it was done. Published on December 31, 2012, RECKLESS picks up where WRECKED left off.
