These books are intended to make Virgil's Latin accessible even to those with a fairly rudimentary knowledge of the language. There is a departure here from the format of the electronic books, with short sections generally being presented on single, or double, pages and endnotes entirely avoided. A limited number of additional footnotes is included, but only what is felt necessary for a basic understanding of the story and the grammar. Some more detailed footnotes have been taken from Conington's edition of the Aeneid.

The newly revised, wonderfully authoritative

First Folio of Shakespeare's Complete Works, edited by acclaimed Shakespearean scholars Jonathan Bate and Eric Rasmussen and endorsed by the world-famous Royal Shakespeare Company Combining cutting-edge textual editing, superb annotations and commentary, a readable design, and bonus features for students, theater professionals, and general readers, this landmark edition sets a new standard in Shakespearean literature for the twenty-first century and features 48 pages of new material. Edited by a brilliant team of "younger generation" Shakespearean scholars from the First Folio originally assembled by Shakespeare's own acting company, this edition of the "Complete Works" corrects centuries of errors and textual variations that have evolved since the book's publication in 1623, and includes modern glossaries designed

for twenty-first-century readers and new editorial stage directions clearly distinguished from Folio directions.

50th Anniversary Edition • With an introduction by Caity Weaver, acclaimed New York Times journalist This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also

the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Also a major motion picture directed by Terry Gilliam, starring Johnny Depp and Benicio del Toro.
